The Home Charlotte Perkins Gilman, 2021-01-05 The Home Its Work and Influence 1903 is a sociological study by American author and feminist Charlotte Perkins Gilman Inspired by her work as a social reformer and advocate for women's suffrage Gilman sought to write a work of nonfiction that explained the role of the home as a human institution as well as to address the problems and inequities of home life especially for women In the beginning Gilman argues that every human being should have a home The role of the home in human society she claims is not only to provide safety and comfort but to facilitate the productivity creativity and individuality of every person Despite this the home has evolved far slower than all other human institutions ensuring that the life of humanity has failed to progress as far as its ideals would suggest Having identified this problem as well as shown that women bear responsibility for maintaining households while men control the home as a system of power Gilman moves through such topics as domesticity cooking entertainment and children in order to properly identify the highly gendered roles of each member of the home Ultimately Gilman argues that a progressive home will benefit not only each individual within the family unit but the whole of society at large The Home Its Work and Influence is a powerful work of sociological thought by a leading reformer and feminist of her day With a beautifully designed cover and professionally typeset manuscript this edition of Charlotte Perkins Gilman's The Home Its Work and Influence is a classic of American literature and nonfiction reimagined for modern readers

The Home Charlotte Perkins Gilman,1903 I hear a deep voice through uneasy dreaming A deep soft tender soul beguiling voice A lulling voice that bids the dreams remain That calms my restlessness and dulls my pain That thrills and fills and holds me till in seeming There is no other sound on earth no choice Home says the deep voice Home and softly singing Brings me a sense of safety unsurpassed So old so old The piles above the wave The shelter of the stone blocked shadowy cave Security of sun kissed treetops swinging Safety and Home at last Home says the sweet voice and warm Comfort rises Holding my soul with velvet fingered hands Comfort of leafy lair and lapping fur Soft couches cushions curtains and the stir Of easy pleasures that the body prizes Of soft swift feet to serve the least commands I shrink half rise and then it murmurs Duty Again the past rolls out a scroll unfurled Allegiance and long labor due my lord Allegiance in an idleness abhorred I am the squaw the slave the harem beauty I serve and serve the handmaid of the world The Home Its Work and Influence Charlotte Perkins Gilman,2024-12-21 Step into a groundbreaking analysis of domestic life with Charlotte Perkins Gilman s thought provoking work The Home Its Work and Influence This compelling book unveils the untold story of the home as not just a sanctuary but a powerful institution shaping society labor and gender roles Gilman s exploration challenges conventional thinking by questioning the traditional division of labor within the home and society She calls for a redefinition of what work means emphasizing how the home has historically been a battleground for gender equality and social change What if the home is not just a private space but a key player in the broader societal structure How can we transform the dynamics of family life to create a more just and equitable world As you journey through this influential work you ll gain a new perspective on how home life impacts both individual well being and societal progress Gilman s arguments invite readers to rethink their own roles within the home and the workplace urging a transformation that echoes in today s evolving family dynamics Are you ready to challenge your beliefs about the home and its role in shaping society Step into Charlotte Perkins Gilman s visionary world and see the home in a completely new light Take action now and dive into a critical examination of domestic life Purchase The Home Its Work and Influence today and discover how this timeless work can inspire change in the way we view family labor and society Livonian Tales Eastlake,1846 **Littell's Living Age** Eliakim Littell,Robert S. Hiram Bingham, 2019-11-20 In *Inca Land Explorations in the Highlands of Peru* Hiram Bingham provides a captivating account of his 1911 expedition to the highlands of Peru where he rediscovered the ancient ruins of Machu Picchu. Blending meticulous observation with vivid narrative, Bingham crafts a work that is equal parts travelogue and historical inquiry. His descriptive prose invites readers into the lush landscapes and complex cultures of the Andes while also addressing the archaeological significance of his findings within the broader context of early 20th century exploration and imperialism. Hiram Bingham, an American academic and explorer, was profoundly influenced by his background in history and archaeology, which underscored the importance of his expedition. His passion for South American cultures and his academic training at Yale, where he was influenced by the rising interest in indigenous civilizations, positioned him uniquely to undertake this significant journey. Bingham's role in popularizing Incan culture has had a lasting impact on the field of archaeology and the cultural landscape of Peru. Recommended for those fascinated by exploration, archaeology, and the rich tapestry of South American history, *Inca Land* is a foundational text that transcends mere adventure. It offers insights into a pivotal moment in the understanding of Inca civilization, making it essential reading for historians, archaeologists, and anyone captivated by the incredible legacies of the past. *Lippincott's Monthly Magazine*, 1913 **The Greatest Works of Charlotte Perkins**
