Save It:

Destroying the World to Save It Robert Jay Lifton, 2025-10-16 National Book Award winner and renowned psychiatrist Robert Jay Lifton reveals a world at risk from millennial cults intent on ending it all Since the earliest moments of recorded history prophets and gurus have foretold the world's end but only in the nuclear age has it been possible for a megalomaniac guru with a world ending vision to bring his prophecy to pass Now Robert Jay Lifton offers a vivid and disturbing case in point in this chilling exploration of Aum Shinrikyo the Japanese cult that released sarin nerve gas in the Tokyo subways With unprecedented access to former Aum members Lifton has produced a pathbreaking study of the inner life of a modern millennial cult He shows how Aum's guru Shoko Asahara charismatic spiritual leader con man madman created a religion from a global stew of New Age thinking ancient rituals and apocalyptic science fiction then recruited scientists as disciples and set them to producing weapons of mass destruction Taking stock as well of Charles Manson Heaven's Gate and the Oklahoma City bombers Lifton confronts the frightening possibility of a twenty first century in which cults and terrorists may be able to bring about their own holocausts Bold and compelling *Destroying the World to Save It* charts the emergence of a new global threat of urgent concern to us all

his children how to raise their own voices in a world that is becoming increasingly dangerous and more and more polarized While six of the seven essays are new unpublished work Powell has also included About Face a comics essay first published by Popula Online that swiftly went viral and inspired him to write Save It for Later The seventh and final essay was written after the 2020 presidential election and examines the outcome of that contest in relation to the events of the last four years with a particular focus on the COVID 19 pandemic and global protests in the wake of the murder of George Floyd The updated paperback comes out just in time for the 2022 midterm elections and includes bonus content featuring a conversation between Powell and Derf Backderf the New York Times bestselling author of My Friend Dahmer and Kent State where they discuss the militarization of civilian spaces and the aftermath of the January 6th insurrection As Powell moves between subjective and objective experiences raising his children depicted in their childhood innocence as imaginary anthropomorphic animals he reveals the electrifying sense of trust and connection with neighbors and strangers in protest He also explores how to equip young people with tools to best make their own noise as they grow up and help shape the direction and future of this country
