Shepherd For All People:

Shepherds Daniel C. Fredericks, 2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts *Shepherds* describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity *Shepherds* recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation **The Shepherd and His Sheep**

Julia E. Bland, 2001 One of the most striking representations of Jesus in the scriptures is that of a shepherd Based on John 10 s statement that He is the Good Shepherd this series of eight lessons teaches youngsters of Jesus unfailing love and care even to the point of death on the cross Like all of her previous collections each children s message is accompanied by a two sided activity page one side that s a coloring page for younger children and the other with numerous puzzles and activities to reinforce the lesson s theme for older children Bland has a well earned reputation for biblical faithfulness creativity and practicality Busy pastors and teachers have found her ready to use materials just what they need for their children s time we know you ll love her latest release *The Shepherd And His Sheep* is insightful simple and creative But most important is the depth of spirituality that is presented which will engage the mind and heart of a child Although specifically designed with children in mind Bland s messages recover the significance of Jesus statement that unless we come to him as a child we will miss the kingdom of God This collection of sermons and activities will call the child in each one of us to be in the presence of the Good Shepherd Steven M Marsh Dean of Chapel and Spiritual Formation Assistant Professor of Religion and Philosophy Sterling College During nearly 50 years as a pastor s wife Julia Bland has taught church groups of all ages from children through senior adults She has been active in United Methodist Women and served as district chairperson of Global Concerns as well as Publicity and Public Relations Bland s award winning oil watercolor and pen and ink artwork has appeared in private and public collections **The Shepherd's Guide Through the Valley of Debt and Financial Change** Flora L.
