together in a world of their own But after the first luminous instant the joy of her presence was blotted out in darkness He remembered everything remembered that he was Perceval Gordon an actor of the submerged tenth a wretched penniless barn sterner who for the moment came near to being an object of charity When he had bidden Lesley goodbye he was a splendid being who looked down from his heights and though loving her saw her impossible as a wife Their friendship had begun by being somewhat of a condescension on his part from his own point of view at least and she half amused half angry had seen that point of view quite clearly nor had she ever attempted to change it to the last At the thought that the curtain would ring up and show him as he was now to the astonished eyes of Lesley Dearmer he could have run away out of the theatre anywhere it mattered **Lord Loveland Discovers America** Charles Williamson,Alice Williamson,2017-04-10
