Warren, Jarrell, and Lowell Joan Romano Shifflett, 2020-06-03 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other s work in private correspondence and published reviews Joan Romano Shifflett's Warren Jarrell and Lowell Collaboration in the Reshaping of American Poetry traces the artistic and personal connections between the three writers Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell's Life Studies as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became guite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another's honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation's postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloguy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry The Mills of the Kavanaughs The Lyric Now James Longenbach, 2020-12-07 A poet and scholar explores how lyric poetry works by Robert Lowell, 1951 examining the lives and works of thirteen twentieth and twenty first century American poets and musicians For more than a century American poets have heeded the siren song of Ezra Pound's make it new staking a claim for the next poem on the supposed obsolescence of the last But great poems are forever rehearsing their own present inviting readers into a nowness that makes itself new each time we read or reread them They create the present moment as we enter it their language relying on the long history of lyric poetry while at the same time creating a feeling of unprecedented experience In poet and critic James Longenbach s title the word now does double duty evoking both a lyric sense of the present and twentieth

century writers assertion of nowness as they crafted their poetry in the wake of Modernism Longenbach examines the fruitfulness of poetic repetition and indecision of naming and renaming and of the evolving search for newness in the construction history and life of lyrics Looking to the work of thirteen poets from Marianne Moore and T S Eliot through George Oppen and Jorie Graham to Carl Phillips and Sally Keith and several musicians including Virgil Thomson and Patti Smith he shows how immediacy is constructed through language Longenbach also considers the life and times of these poets taking a close look at the syntax and diction of poetry and offers an original look at the nowness of lyrics Praise for The Lyric Now Longenbach is a lyric poet practical critic and literary scholar These are distinct roles and there are vanishingly few people good let alone so distinguished in all three In The Lyric Now he brings a career s worth of wisdom to bear while writing with lan and urgency for both the specialist and nonspecialist reader No one is better at explaining how poems work how literary history happens and why we should care about both Langdon Hammer author of James Merrill Life and Art Longenbach does prove with stylistic wit and epigrammatic verve that close reading can be a literary art in its own right Taken together these essays make an implicit case for the importance of syntax to lyric poetry. This is particularly evident in Longenbach's reading of Moore's The Octopus and in masterful readings of poems by Jorie Graham and Carl Philips When he contrasts Patti Smith s prose and John Ashbery s poetry with the songs of Bob Dylan his skill as an expert close reader proves his point about the power of syntax This volume proves a simple yet fundamental truth a lyric works particularly sentence by sentence line by line Summing Up Highly recommended Choice Seamus Heaney Henry Hart, 1993-10-01 Seamus Heaney widely considered the most gifted living poet in Ireland and Britain is the first Irish poet since Yeats to gain an international reputation In this remarkable study henry Hart discusses Heaney's poems his creative and personal situations and his assimilation of contemporary literary theory From Heaney's Ulster background to poetic influences as diverse as Dante and Wordsworth Yeats and Bly Hart offers sophisticated lucid insights Hart argues that the best way into Heaney s poetic world is in seeking to understand him as with Blake and Yeats in terms of oppositions and conflicts progressions and syntheses At the root of all his work is a multifaceted argument with himself with others with sectarian Northern Ireland with his Anglo Irish heritage with his Roman Catholicism and with his Nationalist upbringing on a farm in County Derry For each volume of poems from Door into the Dark to The Haw Lantern Hart identifies and works with a specific problem in the text while developing its intellectual and creative implications He covers aspects as diverse as Heaney's incorporation of antipastoral attitudes in his poems his fascination with how etymology recapitulates ancient and modern history and apocalypticism in North Placing his trust in art s ability to confront conflicts between freedom and responsibility between private craft and public involvement Heaney is shown nonetheless to chastise himself for failing to have a greater impact on the situation he left behind in Northern Ireland In pursuing the literary religious and political themes in his books of poetry Hart shows that Heaney is no provincial bard as some critics have suggested but is as intellectually informed and astute as

any postmodernist writer Any reader of Seamus Heaney's poetry and any poet poetry scholar critic of contemporary poetry or student of Irish literature will gain much from reading this book Midcentury Quartet Thomas J. Travisano, 1999-12-29 In a February 1966 letter to her artistic confidant RobertLowell Elizabeth Bishop tellingly grouped four midcentury poets Lowell Randall Jarrell John Berryman and herself For Bishop always wary of being pigeonholedand therefore reticent about naming her favorite contemporaries it was a rareexplicit acknowledgment of an informal but enduring artistic circle that has evaded the notice of literary journalists for more than forty years Despite the private nature of their dialogue the group s members Bishop Lowell Jarrell and Berryman left a compelling record of their mutual interchange and influence Drawing on an extensive range of published and archival sources Thomas Travisanotraces these poets creation of a surprisingly coherent postmodern aesthetic anddefines its continuing influence on American poetry. The refusal of this midcentury quartet as Travisano calls them to voice a formalized doctrine coupled with their intuitive way of working has caused critics to miss the coherence of their project Travisano argues that these poets are not only successors to Pound Auden Stevens and Eliot but postmodern explorers in their own right In forging their ownaesthetic characterized here as a postmodern mode of elegy they encounteredsignificant resistance from their immediate modernist mentors Allen Tate John CroweRansom and Marianne Moore Jarrell whom othersof the group regarded as a critic of particular genius was first described as apost modernist in a 1941 review by Ransom that Travisano cites as the earliest knownuse of the term In Jarrell's review of Lowell's Lord Weary's Castle six years later he named Lowell a postmodernist and identified traits among them the use of pastiche that are now considered by theorists such as Fredric Jameson asspecifically postmodern And Bishop's inventiveness allowed her to adapt aself exploratory mode often but imprecisely termed confessional to challengingforms such as the double sonnet villanelle andsestina Each of these poets suffered adevastating loss during childhood and lived through the twentieth century disasters of the Great Depression World War II and the Holocaust and the cold war Thecontinual tension in their poetry between subjectivity and form claims Travisano reflects the plight of the fractured individual in a postmodern world By arguing sosharply for the importance of this circle Midcentury Quartet is certain to redrawthe map of postwar American **Robert Lowell** Hugh B. Staples, 1962 Against Oblivion Ian Hamilton, 2012-02-14 Ian Hamilton's last book poetry published posthumously in 2002 is a typically brilliant revisiting of the concept of Samuel Johnson's classic Lives of the English Poets wherein Hamilton considers 45 deceased poets of the twentieth century offering his personal estimation of what claims they will have on posterity and against oblivion Examples of each poet s verse accompany Hamilton s text making the book both a provocative primer and a kind of critical anthology. The affective power of this book lies in its understatement and its understanding of what we might care about From a century of Manifestoes and Movements Hamilton works as a corrective for the local and particular his idea of poetry of what made greatness in poetry emerges intact from each measured sentence His criticism always pointed you towards all that he could find that was true in a piece of writing
