Roussakis, 2019-06-10 Christians everywhere are uniquely linked together by a simple prayer which binds our hearts in Christian love the Lord's Prayer In the Lord's Prayer Jesus Christ provided His disciples with meaningful instructions about how to pray Praying this model prayer with one accord contributes to the binding together of our hearts in God's love The Lord's Prayer is sacred for Christians Through it in times of trial as well as ease we may turn to God for help and support This book provides a deeper study of this prayer of prayers with an overview of its scriptural context inclusions and order and an introduction to the Jewish Setting of the prayer The book concludes with the theme of Christians being united through learning and praying the Lord's prayer together **Systematic Theology, Volume 2, Second Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *Reading Catechisms, Teaching Religion* Lee Palmer Wandel, 2015-10-14 Reading Catechisms Teaching Religion makes two broad arguments First the sixteenth century witnessed a fundamental transformation in Christians Catholic and Evangelical conceptualization of the nature of knowledge of Christianity and the media through which that knowledge was articulated and communicated Christians had shared a sense that knowledge might come through visions images liturgy catechisms taught that knowledge of Christianity began with texts printed on a page Second codicil catechisms sought not simply to dissolve the material distinction between codex and person but to teach catechumens to see specific words together as texts The pages of

catechisms were visual they confound precisely that constructed modern bipolarity word image or conversely that modern bipolarity obscures what sixteenth century catechisms sought to do      *They Cried to the Lord* Patrick D. Miller,1994 Both compellingly and clearly Patrick D Miller introduces biblical prayer in all its varied forms and from different angles the prayers of Israel s neighbors the names of God in prayer prayers for help the response of God praise the prayers of women confession and penitence prayers for others blessing and curse and Jesus and Paul at prayer The perspective throughout is that of faith and its relation to prayer and theology The result is a book of importance for church members students scholars and others      *McMaster Journal of Theology and Ministry: Volume 14, 2012-2013* Lois Dow,2014-03-18 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College s previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology      *The Limits of Forgiveness* Maria Mayo,2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely      *A Dictionary of Biblical Tradition in English Literature* David Lyle Jeffrey,1992 Over 15 years in the making an unprecedented one volume reference work Many of today s students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout      [Our Father Who Aren't in Heaven](#) Robert S. Turner,2015-03-02 The Lord s Prayer holds an honored place in the worship and devotional practices of countless Christians around the world People of every ethnic background denominational affiliation and theological leaning pray to Our Father who art in heaven But what if there s more to it than we think Our Father Who Aren t in Heaven takes a decidedly this worldly approach to the prayer and seeks to understand what Jesus meant to teach his original disciples and us through this radical manifesto of the kingdom of God In these pages Robert S Turner presents a political reading of the prayer and explores how we can encounter through it a God who has left the divine hammock empty and cast God s lot with humanity and the rest of creation A renewed understanding of the prayer may have the capacity to transform the world These subversive reflections on the Lord s Prayer may have the capacity to transform the reader as well      **Teach Us to Pray** Katharine Mahon,2019-04-01 The study of liturgical reform is usually

undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord's Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord's Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century [Your Kin-dom Come](#) William

Thompson-Uberuaga,2018-05-16 So many Christians pray the Lord's Prayer It is almost second nature This book is meant to help these people pray it more deeply and lovingly Ecumenical and even striving to be global in nature this book explores what the Scriptures teach us about this prayer how the Christian tradition has approached this prayer in its long history and how many of our contemporary concerns challenge the way we can pray this prayer and also how the prayer can provide insights for those same concerns People of all persuasions believers and nonbelievers ones and followers of the world's great religions will also find many of their concerns given serious consideration in this book If you think nothing new can be said about the Our Father this book may surprise you **Why We Sing: Music, Word, and Liturgy in Early Christianity**
