lords of THE LEVEE

The Story of Bathhouse John and Hinky Dink

LLOYD WENDT *and* HERMAN KOGAN

Lords Of The Levee The Story Of Bathous

John E. Findling

Lords Of The Levee The Story Of Bathhouse:

Lords of the Levee Lloyd Wendt, Herman Kogan, 1943 Lords of the Levee; The Story of Bathhouse John and Hinky Dink, by Lloyd Wendt and Herman Kogan Lloyd Wendt, 1943 **Chicago Beer: A History of Brewing, Public Drinking and the Corner Bar** June Skinner Sawyers, 2022 Drinking in the Windy City has deep roots Long before corner bars stitched the social fabric of Chicago's neighborhoods together raucous pioneers like Mark Beaubien were fermenting over the untapped potential of the unbroken prairie Take a determined saunter from the clamor of Chicago's first breweries through the hidden passages of thousands of speakeasies and then back into the current of the contemporary craft beer revival Follow a path plastered with portraits of infamous saloonkeepers and profiles of historic bars Author June Sawyers serves as an expert guide stopping very so often to collect a vintage beer label explain an original recipe or salute the heady history that sits atop the City of Big Shoulders Back cover Gambling in America United States. Commission on the Review of the National Policy Toward Gambling, 1976 *Experts and Politicians* Kenneth Finegold, 2020-11-10 During the Progressive Era reform candidates in New York Cleveland and Chicago challenged the status quo with strikingly different results brief triumph in New York sustained success in Cleveland and utter failure in Chicago Kenneth Finegold seeks to explain this phenomenon by analyzing the support for reform in these cities especially the role of an emerging class of urban policy professionals in each campaign His work offers a new way of looking at urban reform opposition to machine politics Drawing on original research and quantitative analysis of electoral data Finegold identifies three distinct patterns of support for reform candidates traditional reformers drew support from native stock elites municipal populists found support among immigrant groups and segments of the working class and progressive candidates won the backing of coalitions made up of traditional reform and municipal populist voters The success of these reform efforts Finegold shows depended on the different ways in which experts were incorporated into city politics This book demonstrates the significance of expertise as a potential source of change in American politics and policy and of each city's electoral and administrative organizations as mediating institutions within a national system of urban political economies **The Irish Way** James R. Barrett, 2012-03-01 A lively street level history of turn of the century urban life explores the Americanizing influence of the Irish on successive waves of migrants to the American city In the newest volume in the award winning Penguin History of American Life series James R Barrett chronicles how a new urban American identity was forged in the streets saloons churches and workplaces of the American city This process of Americanization from the bottom up was deeply shaped by the Irish From Lower Manhattan to the South Side of Chicago to Boston's North End newer waves of immigrants and African Americans found it nearly impossible to avoid the Irish While historians have emphasized the role of settlement houses and other mainstream institutions in Americanizing immigrants Barrett makes the original case that the culture absorbed by newcomers upon reaching American shores had a distinctly Hibernian cast By 1900 there were more people of Irish descent in New York City

than in Dublin more in the United States than in all of Ireland But in the late nineteenth century the sources of immigration began to shift to southern and eastern Europe and beyond Whether these newcomers wanted to save their souls get a drink find a job or just take a stroll in the neighborhood they had to deal with entrenched Irish Americans Barrett reveals how the Irish vacillated between a progressive and idealistic impulse toward their fellow immigrants and a parochial defensiveness stemming from the hostility earlier generations had faced upon their own arrival in America They imparted racist attitudes toward African Americans they established ethnic deadlines across city neighborhoods they drove other immigrants from docks factories and labor unions Yet the social teachings of the Catholic Church a sense of solidarity with the oppressed and dark memories of poverty and violence in both Ireland and America ushered in a wave of progressive political activism that eventually embraced other immigrants Drawing on contemporary sociological studies and diaries newspaper accounts and Irish American literature *The Irish Way* illustrates how the interactions between the Irish and later immigrants on the streets on the vaudeville stage in Catholic churches and in workplaces helped forge a multiethnic American identity that has a profound legacy in our cities today

To Serve and Collect Richard C Lindberg,1998-08-01 Crooked politicians gangsters madams and cops on the take *To Serve and Collect* tells the story of Chicago during its formative years through the history of its legendary police department

Governor Henry Horner , Charles Masters effectively reevaluates Governor Henry Horner s historical reputation and role in Illinois politics

The Chicago of Fiction James A. Kaser,2011-02-01 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included

[The Search for Social Salvation](#) Gary Scott Smith,2000-01-01 In their studies of social Christianity scholars of American religion have devoted critical attention to a group of theologically liberal pastors primarily in the Northeast Gary Scott Smith attempts to paint a more complete picture of the movement Smith s ambitious and thorough study amply demonstrates how social Christianity which included blacks women Southerners and Westerners worked to solve industrial political and urban problems reduce

racial discrimination increase the status of women curb drunkenness and prostitution strengthen the family upgrade public schools and raise the quality of public health In his analysis of the available scholarship and case studies of individuals organizations and campaigns central to the movement Smith makes a convincing case that social Christianity was the most widespread long lasting and influential religious social reform movement in American history [The Rhetoric of White Slavery and the Making of National Identity](#) Leslie J Harris,2023-07-01 At the turn of the twentieth century the white slavery panic pervaded American politics influencing the creation of the FBI the enactment of immigration law and the content of international treaties At the core of this controversy was the maintenance of white national space In this comprehensive account of the Progressive Era s sex trafficking rhetoric Leslie Harris demonstrates the centrality of white womanhood as a symbolic construct to the structure of national space and belonging Introducing the framework of the mobile imagination to read across different scales of the controversy ranging from local to transnational she establishes how the imaginative possibilities of mobility within public controversy work to constitute belonging in national space **Accidental Anarchist** Walter Roth,Joe Kraus,2005-08-30 It was a bitter cold morning in March 1908 A nineteen year old Jewish immigrant traversed the confusing and unfamiliar streets of Chicago a one and a half hour long journey from his ghetto home on Washburne Avenue to the luxurious Lincoln Place residence of Police Chief George Shippy He arrived at 9 a m Within minutes after knocking on the front door Lazarus Averbuch lay dead on the hallway floor shot no less than six times by the chief himself Why Averbuch went to the police chief s house or exactly what happened after that is still not known This is the most comprehensive account ever written about this episode that stunned Chicago and won the attention of the entire country It does not solve the mystery as much as it places it in the context of a nation that was unsure how to absorb all of the immigrants flowing across its borders It attempts to reconstruct the many different perspectives and concerns that comprised the drama surrounding the investigation of Averbuch s killing **Lincoln Steffens's The Shame of the Cities, and the Philosophy of Corruption and Reform** H.G. Callaway,2019-11-01 This book is a new scholarly edition of Lincoln Steffens classic muck raking account of Gilded Age corruption in America It provides the broader political background theoretical and historical context needed to better understand the social and political roots of corruption in general terms the social and moral nature of corruption and reform Steffens enjoyed the support of a multitude of journalists with first hand knowledge of their localities He interviewed and came to know political bosses crusading district attorneys and indicted corruptionists spanning a cast of hundreds He also benefited from the support of a large scale nationally prominent network of anti corruption specialists and luminaries including President Theodore Roosevelt Steffens explored in detail the high Gilded Age corruption of New York City Chicago corrupt and contented Philadelphia Pittsburgh St Louis and Minneapolis His work culminated in a well documented record of Gilded Age corruption in the cities and with the addition of the editorial annotations Chronology and Introduction of this edition the reader is placed in a position to gain an overview and

considerable insight into the general moral and social political phenomenon of corruption This book will be of interest for students and professionals in political philosophy political science American history and American studies **Every Goddamn Day** Neil Steinberg, 2024-05-31 A daily celebration of Chicago's history both known and obscure and always entertaining Every day in Chicago is a day to remember In a city so rich with history every day is the anniversary of some storied historical or cultural moment whether it's the dedication of the Pablo Picasso sculpture downtown on August 15 or the arrest of Rod Blagojevich at his Ravenswood home on December 9 or a fire that possibly involved a cow on October 8 In Every Goddamn Day acerbic Chicago Sun Times columnist Neil Steinberg takes the story of the city pares away the dull eat your peas parts and provides 366 captivating daily readings in what makes Chicago Chicago and America America It calls upon a wide cast of characters from Oscar Wilde to Muhammad Ali from Emma Goldman to Teddy Roosevelt and from Richard M Daley to Fred Hampton to create a compelling narrative that can be read at a sitting or in a yearlong series of daily doses From New Year's Day to New Year's Eve Steinberg takes us on a vivid and entertaining tour illuminating the famous obscure tragic and hilarious elements that make each day in Chicago memorable Ethnicity Nathan Glazer, Daniel Patrick Moynihan, Corinne Saposs Schelling, 1975 Deals with ethnicity in modern Society **The Unheralded Triumph** Jon C. Teaford, 2019-12-01 Originally published in 1984 In 1888 the British observer James Bryce declared the government of cities to be the one conspicuous failure of the United States During the following two decades urban reformers would repeat Bryce's words with ritualistic regularity nearly a century later his comment continues to set the tone for most assessments of nineteenth century city government Yet by the end of the century as Jon Teaford argues in this important reappraisal American cities boasted the most abundant water supplies brightest street lights grandest parks largest public libraries and most efficient systems of transportation in the world Far from being a conspicuous failure municipal governments of the late nineteenth century had successfully met challenges of an unprecedented magnitude and complexity The Unheralded Triumph draws together the histories of the most important cities of the Gilded Age especially New York Chicago Boston Philadelphia St Louis and Baltimore to chart the expansion of services and the improvement of urban environments between 1870 and 1900 It examines the ways in which cities were transformed in a period of rapid population growth and increased social unrest into places suitable for living Teaford demonstrates how during the last decades of the nineteenth century municipal governments adapted to societal change with the aid of generally compliant state legislatures These were the years that saw the professionalization of city government and the political accommodation of the diverse ethnic economic and social elements that compose America's heterogeneous urban society Teaford acknowledges that the expansion of urban services dangerously strained city budgets and that graft embezzlement overcharging and payroll padding presented serious problems throughout the period The dissatisfaction with city governments arose however not so much from any failure to achieve concrete results as from the conflicts between those hostile groups accommodated within the newly created system

For persons of principle and gentlemen who prized honor it seemed a failure yet American municipal government left as a legacy such achievements as Central Park the new Croton Aqueduct and the Brooklyn Bridge monuments of public enterprise that offered new pleasures and conveniences for millions of urban citizens

Chicago's Great World's Fairs John E. Findling, 1994

The Correspondence of H.G. Wells: Volumes 1-4 David C. Smith, 2022-08-15 This collection of H G Wells s correspondence draws on over 50 archives and libraries worldwide including the papers of Wells s daughter by Amber Reeves The book contains over 2 000 letters and while a few are business to publishers agents and secretaries the majority are much more personal Wells s private correspondence extends from letters to President Franklin Roosevelt and Prime Ministers Winston Churchill and A J Balfour to persons such as Mark Benney who wrote novels based on his life in the slums and his time in prison There is correspondence too with his many female friends and lovers among them Rebecca West Eileen Power Gertrude Stein Marie Stopes Lilah MacCarthy and Dorothy Richardson For example a letter from Moura Budberg with whom Wells had a long standing affair which announces that she is pregnant by him and about to have an abortion reveals how an advocate of birth control is himself caught out Wells also enjoyed correspondence with the press particularly during the two World Wars and with various BBC officials and people who worked on his films Some of his letters on the controversies of free love socialism birth control the Fabian Society and the nature of the curriculum of the new London University in the 1890s are included Interspersed chronologically with Wells s letters is a small selection of about 40 letters to Wells where letters from him are not extant Among these are letters from Ray Lankester Joseph Conrad C G Jung Trotsky Hedy Gattarnigg the woman who attempted suicide in Wells s flat and J C Smuts The letters are arranged in these periods Volume 1 1878 1900 Volume 2 1901 1912 Volume 3 1913 1930 and Volume 4 1930 1946 H G Wells s works include The Time Machine 1895 The Invisible Man 1897 The War of the Worlds 1898 The History of Mr Polly 1910 and A Short History of the World 1922

The Pekin Thomas Bauman, 2014-05-30 In 1904 political operator and gambling boss Robert T Motts opened the Pekin Theater in Chicago Dubbed the Temple of Music the Pekin became one of the country s most prestigious African American cultural institutions renowned for its all black stock company and school for actors an orchestra able to play ragtime and opera with equal brilliance and a repertoire of original musical comedies A missing chapter in African American theatrical history Bauman s saga presents how Motts used his entrepreneurial acumen to create a successful black owned enterprise Concentrating on institutional history Bauman explores the Pekin s philosophy of hiring only African American staff its embrace of multi racial upper class audiences and its ready assumption of roles as diverse as community center social club and fundraising instrument The Pekin s prestige and profitability faltered after Motts death in 1911 as his heirs lacked his savvy and African American elites turned away from pure entertainment in favor of spiritual uplift But as Bauman shows the theater had already opened the door to a new dynamic of both intra and inter racial theater going and showed the ways a success like the Pekin had a positive economic and social impact on the surrounding
