**Who Can Take the Lord's Supper?** Dallas W. Vandiver, 2021-09-10 Baptism and the Lord's Supper are likely more basic for the church than you think When Jesus inaugurated the new covenant by his death on the cross he established baptism as the new covenant sign of entry and the Lord's Supper as the new covenant sign of participation These signs identify believers with Christ and his people They are integral to the existence membership and discipline of the local church In answer to the question Who can take the Lord's Supper this book catalogues four major positions in the broad Baptist tradition While proponents of various views have appealed to the necessity of circumcision for participation in Passover as evidence for their position none have adequately worked out the covenantal relationships between circumcision and baptism or Passover and the Lord's Supper By contrast to Reformed paedobaptist covenantal theology and in distinction from Baptist covenantal theology and dispensational theologies this book develops the relation of these covenantal signs from a progressive covenantal perspective It presents an unprecedented comparison of the continuities and discontinuities between the covenant signs across the storyline of Scripture to demonstrate a biblical theological principle that the sign of entry should precede the sign of participation

perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century *Gathered on the Road to Zion* Daniel Lee Hill,2021-04-26 Churches are filled with human beings It is as a community of human creatures that the church gathers together on Sunday mornings to worship the triune God and it is as a community of creatures that its members participate in the church s liturgical life However merely noting that the church and human beings are related to one another leaves the nature of this relationship unresolved and undefined And this raises an important question How should the doctrine of the church inform our understanding of what it means to be human This project is an exercise in ecclesio anthropology albeit from a Free Church perspective In it Daniel Lee Hill seeks to discover how the nature practices mission and telos of the church robustly inform our understanding of the human creature **Historical Dictionary of the Baptists** William H.
