My Career Lynne Gross, 2014-02-20 *Stories From My Career* is a compilation of 50 illustrated stories about the author's career as a college professor and media practitioner. Her career began in the 1960s when very few women were employed in either area and spanned six decades until her retirement. A fair number also take place in other countries where she taught and consulted. The stories encompass topics such as combining career and family, the evolution of electronic technology, the civil rights movement, maternity leave practices, television production techniques, the Academy of Television Arts Sciences, beginnings of cable TV, teaching challenges, media functions in developing nations, and career advice.
