If you ever wanted IRREFUTABLE EVIDENCE that black people wrote the Bible you are looking at it Anyone or group of people can claim to be the Lost Tribes of Israel That is easy But making such a claim does not mean it is true Therefore what separates the GENUINE Israelites from the wannabes is the EVIDENCE or PROOF they provide to support their claim Sadly there are reckless black people making such claims but when challenged for proof they have nothing to show and come up short Consequently their blundering undermines our genuine Hebrew identity and turns it into a joke Thus because of their rash behaviour they cause huge damage to our black history This book aims to arrest the damage done to our heritage by these less informed black people It does so by providing the necessary evidence which proves that large sections of the black race are the true Israelites The PROOF EVIDENCE provided in this book is quite unique It is unlike anything you have read before and will ever read anywhere else Also it is comprehensive and designed to forever silence the critics You will read information that nobody else knows but only the direct descendants of the ancient Israelites knows about Thus proving conclusively that we are indeed who we claim to be the true children of Israel *History of the Byzantine Empire: From the Foundation until the Fall of Constantinople*
