Considering his bully pulpit in the White House the reckoning is overdue All the President s Women offers the most detailed account yet of Trump s history with women dating back to his childhood and high school days through his rise in real estate reality TV and politics This book will show that Trump s behavior goes far beyond occasional locker room talk and unwanted advances Barry Levine and Monique El Faizy detail more than a dozen new allegations against Trump including a disturbing attack on a woman at Mar a Lago an incident at a private Manhattan sex club involving a teenage girl as well as Trump s behavior at fashion shows and beauty pageants events that gave the future president a hunting ground to harass young women Veteran journalists Levine and El Faizy tell the story of Trump from the point of view of the women in his orbit wives mistresses playmates and those whom the president has dated kissed groped or lusted after Paradise Lost David S. This concise history of the news broadcasting industry will appeal to both students and general readers Stretching from the radio days of the 1920s and 1930s and the early era of television after World War II through to the present the book shows how commercial interests regulatory matters and financial considerations have long shaped the broadcasting business The network dominance of the 1950s ushered in the new prominence of the anchorman a distinctly American development and gave birth to the golden age of TV broadcasting which featured hard hitting news and documentaries epitomized by the reports by CBS's Edward R Murrow Financial pressures and advertising concerns in the 1960s led the networks to veer away from their commitment to serve the public interest and tabloid television celebrity gossip driven soft news and news magazines became increasingly widespread In the 1980s cable news further transformed broadcasting igniting intense competition for viewers in the media marketplace Focusing on both national and local news this stimulating volume examines the evolution of broadcast journalism It also considers how new electronic technologies will affect news delivery in the 21st century and whether television news can still both serve the public interest and maintain an audience Tower of Lies

**Never Enough** Michael D'Antonio, 2015-09-22 In the summer of 2015 as he vaulted to the lead among the many GOP candidates for president Donald Trump was the only one dogged by questions about his true intentions This most famous American businessman had played the role of provocateur so often that pundits reporters and voters struggled to believe that he was a serious contender Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race But as Michael D'Antonio shows in Never Enough Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being As revealed in this landmark biography Donald Trump is a man whose appetite for wealth attention power and conquest is practically insatiable Declaring that he is still the person he was as a rascally little boy Trump confesses that he avoids

reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect. A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground and soon developed a larger-than-life persona. In time and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D. Antonio presents the full story of a truly American icon from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder just who is Donald Trump, *Never Enough* supplies the answer. He is a promoter, builder, performer, and politician who pursues success with a drive that borders on obsession and yet has given him almost everything he ever wanted.

**Baddest Man** Mark Kriegel, 2025-06-03. From the acclaimed New York Times bestselling author whose coverage of Mike Tyson and his inner circle dates back to the 1980s, a magnificent noir epic about fame, race, greed, criminality, trauma, and the creation of the most feared and mesmerizing fighter in boxing history. On an evening that defined the greed-is-good 1980s, Donald Trump hosted a raft of celebrities and high rollers in a carnival town on the Jersey Shore to bask in the glow created by a twenty-one-year-old heavyweight champion. Mike Tyson knocked out Michael Spinks that night, and in ninety-one frenzied seconds earned more than the annual payrolls of the Los Angeles Lakers and Boston Celtics players combined. It had been just eight years since Tyson, a feral child from a dystopian Brooklyn neighborhood, was delivered to boxing's forgotten wizard, Cus D'Amato, who was living a self-imposed exile in upstate New York. Together, Cus and the Kid were an irresistible story of mutual redemption, darlings to the novelists, screenwriters, and newspapermen long charmed by D'Amato and perfect for the nascent industry of cable television. Way before anyone heard of Tony Soprano, Mike Tyson was HBO's leading man. It was the greatest sales job in the sport's history and the most lucrative. But the business of Tyson concealed truths that were darker and more nuanced than the script would allow. The intervening decades have seen Tyson villainized, lionized, and fetishized, but never until now fully humanized. Mark Kriegel, an acclaimed biographer regarded as the finest boxing writer in America, was a young cityside reporter at the New York Daily News when he was first swept up in the Tyson media hurricane, but here he measures his subject not by whom he knocked out but by what he survived. Though Tyson was billed as a modern-day Jack Dempsey, in truth he was closer to Sonny Liston. Tyson was Black, feared, and born to die young. What made Liston a pariah, though, would make Tyson, in a way his own handlers could never understand, a touchstone for a generation raised on a soundtrack of hip-hop and gunfire. What Peter Guralnick did for Elvis in *Last Train to Memphis* and James Kaplan for Sinatra in *Frank*, Kriegel does for Tyson. It's not just the dizzying ascent that he captures but also Tyson's place in the American psyche.
