Lost Art Letters Of Seven Famous Women:

The Lost Art Dorothy Van Doren, 2013-10 This is a new release of the original 1929 edition [The Lost Art](#) Dorothy Van Doren, 1929 **Selected Letters of Katherine Anne Porter** Katherine Anne Porter, 2012-08-11 Katherine Anne Porter 1890 1980 produced a relatively small body of fiction but she wrote thousands and thousands of letters The present selection of 135 unexpurgated letters written to seventy four different persons begins with a 1916 letter written from a tuberculosis sanatorium in Texas and ends with a 1979 letter dictated to an unnamed nursing home attendant in Maryland Different from any previous selection this body of letters does not omit Porter s frank criticism of fellow writers and spans her entire life Within that circumscription is the chronicle of Porter a twentieth century woman searching for love while she struggles to become the writer she is sure she can be Porter s letters vividly showcase the twentieth century as the writer observes it from her historical vantage points tuberculosis sanatoria and the influenza pandemic of 1918 the leftist community in Greenwich Village in the 1920s the Mexican cultural revolution of the 1920s and early 1930s the expatriate community in Paris in the 1930s the rise of Nazism in Europe between the World Wars the Second World War and its concomitant suppression of civil liberties Hollywood and the university circuit as a haven for financially strapped writers in the 1940s and 1950s the Cold War and its competition for supremacy in space the Women s Rights and the Civil Rights movements and the evolution and demise of literary modernism [This Strange, Old World and Other Book Reviews by Katherine Anne Porter](#) Katherine Anne Porter, 2008-12-01 Between 1920 and 1958 Katherine Anne Porter published more than sixty five book review many of which are now largely inaccessible Although several such pieces have appeared in earlier collections of Porter s nonfiction writings never have so many of Porter s reviews nearly fifty been made available in a single volume Collectively the review reveal Porter s opinions on topics ranging from the nature of art and the place of the artist in politics and society to feminism and the role of female artists Particularly evident in the reviews are the critical principles that guided her own work as well as her judgments of the works of other writers In her introductory essay Darlene Harbour Unrue provides important biographical information on Porter traces her career as a reviewer and links critical assumptions in the reviews to the themes and techniques of Porter s fiction Other scholars as well have regarded Porter s critical reviews as valuable tools both for analyzing the fiction and for constructing a portrait of Porter the artist primarily because Porter produced so little fiction three collections of short stories and novellas Flowering Judas The Leaning Tower and Pale Horse Pale Rider and a novel Ship of Fools In the preface to the first collection of her nonfiction writings The Days Before Porter herself urged readers to look closely at her nonfiction for there they would discover the shape direction and connective tissue of a continuous central interest and preoccupation of a lifetime Most of the reviews which appeared in such publications as the New York Herald Tribune the New York Times the Nation and New Masses she apparently undertook for financial reasons but occasionally she would agree to review a friend s latest offering She published no reviews after the success of her best

selling novel *Ship of Fools* Porter's scope as a reviewer was impressively broad Because she lived in Mexico City during the revolution had known Diego Rivera and had studied primitive Mexican art she was often called on to review books on Mexican art and on the revolution Porter also reviewed many books by or about women Her reviews of the *Short Novels* of Colette and Katharine Anthony's translation of Catherine the Great's memoirs are particularly noteworthy for her comments about women artists and her expression of admiration for women who flout traditional roles These collected reviews illustrate the evolution of one of the most important American writers of the twentieth century and will interest not only Porter scholars but also anyone who appreciates her fiction

The Letters of Margaret Fuller Margaret Fuller, 2018-10-18
 The fifth volume of the collected letters of Margaret Fuller traces a period of great emotional turbulence reflecting the personal struggles she faced in motherhood and the external strife of revolutionary Europe in 1848 The book opens as she takes up residence in Rome where she continued to write essays for the New York Daily Tribune and kept up a steady flow of commentary on the political situation for her family and friends Among Fuller's correspondents are Ralph Waldo Emerson Giovanni Ossoli William Wetmore Story Giuseppe Mazzini Horace Greeley George William Curtis and Elizabeth Barrett Browning Many of the letters were written in Italian and are translated here for the first time Since Fuller was more centrally involved in the Italian Risorgimento than any other American they constitute an entirely new documentary source for historians of nineteenth century Italy
