**Well of Souls** Ilsa J. Bick, 2003-11-01 A highly charged Star Trek tale of a largely unknown ship captain and crew in which the Enterprise C comes up against mysterious alien forces unleashed by a fledgling crime cartel For twelve years Rachel Garrett was captain of the Federation s flagship But while her exploits as commander of the U S S Enterprise NCC 1701 C are legend little has been revealed about Garrett her vessel or the unusual men and women of her crew Until now When the archaeological find of the decade offers possible hints about an earlier Cardassian civilization it attracts not merely

those seeking to quench their thirst for knowledge but also parties with far less noble interests Among the latter is the Asfar Qatala a notorious criminal cartel with a disturbing connection to one of the Enterprise s highest ranking officers Now Captain Garrett and her crew are swept into a maelstrom of kidnapping extortion and murder And beneath the surface of the frozen world on which the proto Cardassian discovery was made another drama is playing out that will force Garrett to make the most difficult decision of her career      Kliatt Young Adult Paperback Book Guide ,2004      **Imagine Living Life Well with Perspective & Perseverance** Maureen Whitaker,2024-09-03 Imagine Living Life Well with Perspective and Perseverance Real Life and Medieval Society with Discretion Being the Better Part of Valor Book Six of the Book Series Volume VII What Is Happening Now Alas my story line was not finished Anna and Michael had more things happening in their lives Anna delved into her metaphysical authorship to discover there were many documents which are still viable in the current times They continued to provide seminars and compiled a book since they felt it is the end of the line for seminars due to some Life Challenges One of the challenges was a medical condition Michael had so they went to Bremerton for Michael s surgery It took a time to recover They went to Hawaii for a vacation once Michael was up to it As time passed Anna found more spiritual documents Michael would read them and they discussed them Dave Langley MD declined and met his demise A time after they downsized their motorcoach and went on some trips Michael did some work for the US Air Force and was on a task force for medical protocols which was at Bremerton and later on they went to Washington DC for the final steps Michael had a situation happen when they flew back to Portland as he had to as a medical doctor assistant with a sudden need to be the only medical doctor on the plane and a few days later he landed in the hospital with another Life Challenge One really neat thing is a list of terms Anna developed and it is included Eventually things were going well and Anna and Michael resumed taking trips in their motorcoach This wrapped it up and Volume VII is the end of the story line
