Ancient Maya Arthur

Demarest,2004-12-09 In this new archaeological study Arthur Demarest brings the lost pre Columbian civilization of the Maya to life In applying a holistic perspective to the most recent evidence from archaeology paleoecology and epigraphy this theoretical interpretation emphasises both the brilliant rain forest adaptations of the ancient Maya and the Native American spirituality that permeated all aspects of their daily life Demarest draws on his own discoveries and the findings of colleagues to reconstruct the complex lifeways and volatile political history of the Classic Maya states of the first to eighth centuries He provides a new explanation of the long standing mystery of the ninth century abandonment of most of the great rain forest cities Finally he draws lessons from the history of the Classic Maya cities for contemporary society and for the ongoing

struggles and resurgence of the modern Maya peoples who are now re emerging from six centuries of oppression

extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today s market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing

Matinee Melodrama Scott Higgins, 2016-02-26 Long before Batman Flash Gordon or the Lone Ranger were the stars of their own TV shows they had dedicated audiences watching their adventures each week The difference was that this action took place on the big screen in short adventure serials whose exciting cliffhangers compelled the young audience to return to the theater every seven days Matinee Melodrama is the first book about the adventure serial as a distinct artform one that uniquely encouraged audience participation and imaginative play Media scholar Scott Higgins proposes that the serial s incoherent plotting and reliance on formula far from being faults should be understood as some of its most appealing attributes helping to spawn an active fan culture Further he suggests these serials laid the groundwork not only for modern day cinematic blockbusters like Star Wars and Raiders of the Lost Ark but also for all kinds of interactive media that combine spectacle storytelling and play As it identifies key elements of the serial form from stock characters to cliffhangers Matinee Melodrama delves deeply into questions about the nature of suspense the aesthetics of action and the potentials of formulaic narrative Yet it also provides readers with a loving look at everything from Zorro s Fighting Legion to Daredevils of the Red Circle conveying exactly why these films continue to thrill and enthrall their fans

Serial Film Stars Buck Rainey, 2024-10-18 Pearl White William Duncan William Desmond Ben Wilson Walter Miller Francis Ford Charles Hutchinson Jack Dougherty and Eddie Polo are just a few of the stars to start up a whirlwind of enthusiasm among serial devotees They offered a thrill a minute world of ridiculous plots weird disguises hair raising escapes hidden treasures diabolic scientific devices wild animals depraved men runaway trains and an endless procession of knock down drag out fights Who could resist This reference work highlights 446 serial performers who thrilled generations Each entry includes the performer s birth and death dates serial credits major films and details of life before and after the movies
