Gaunt, 2013-09-27 Princess Juliennes heart was torn asunder for him that was her True Love had disappeared The Kingdom was being torn apart and only with their marriage would the land be made whole The Princess was in such grief and sorrow that she did what she should not have She made a deal with him that was called the Legendary One for all knew his demands were not always what one truly wanted She did indeed however make a Pact with him He brought her True Love away from the one who did capture him He did not return her love to her Rather he made her wait until the time when the future King would once again be needed Do to their love which transcended time itself did the Legendary One make her not change but she was instead made to forget who he was to protect him He who was saved due to the Legendary One made him Lost to all even unto himself for eons they were lost to each other The Legendary One had made her unchanged throughout the eons He made her think he was not there He who was now called the Lost King however was there unknown to himself and all others He was there throughout the eons there protecting her The Lost King of France Deborah Cadbury, 2003-04-01 Cadbury lays out in fascinating detail the historical mystery of the royal heir and uses modern science to try to solve it The Wall Street Journal In 1793 when Marie Antoinette was beheaded at the guillotine during the French Revolution she left her adored eight year old son Louis Charles imprisoned in the Temple Tower Far from inheriting a throne the orphaned boy king had to endure the hostility and abuse of a nation Two years later the revolutionary leaders declared Louis XVII dead No grave was dug no monument built to mark his passing Immediately rumors spread that the prince had in fact escaped from prison and was still alive Others believed that he had been murdered his heart cut out and preserved as a relic As with the tragedies of England's princes in the Tower and the Romanov archduchess Anastasia countless brothers soon approached Louis Charles's older sister Marie Therese who survived the revolution They claimed not only the dauphin's name but also his inheritance Several princes were plausible but which if any was the real heir to the French throne The Lost King of France is a moving and dramatic tale that interweaves a pivotal moment in France's history with a compelling detective story that involves pretenders to the crown royalist plots and palace intrigue bizarre legal battles and modern science The quest for the truth continued into the twenty first century when thanks to DNA testing the strange odyssey of a stolen heart found within the
