

# *The* Lost Soldiers

Three soldiers,  
missing in  
action.

Three women,  
desperate to  
find them.

LIZ TRENOW

A GRIPPING HISTORICAL NOVEL OF LOVE, SECRETS AND SISTERHOOD

# Lost Soldiers A Novel

**AW Chickering**

## **Lost Soldiers A Novel:**

*Lost Soldiers* James Webb, 2002-08-27 Once in a great while there comes a novel of such emotional impact and acute insight that it forever changes the way a reader sees a nation or an era Writing with an unerring sense of suspense and of history experienced firsthand James Webb takes us on a myth shattering cultural odyssey deep into the heart of contemporary Vietnam with a riveting thriller that tells a love story love for those who perished for family and friends and between a soldier and the land where he had always been ready to die Brandon Condley survived five years of combat as a U S Marine only to lose the woman he loved to an enemy assassin Now he is back in Vietnam working to recover the remains of unknown American soldiers On a routine mission Condley finds a body that doesn't match its dog tags a body that propels him into a vortex of violence and intrigue where past and present become one As the mystery of the dead man unravels a link is revealed to two well known killers Salt and Pepper a pair of treasonous Americans who led a deadly Viet Cong ambush against Condley's own men Galvanized by a fresh trail to these long lost deserters Condley has finally found a purpose Under the auspices of his government job he is going to hunt down the traitors On his own he is going to kill them Condley's hunt cannot be kept secret from his former enemies or his friends And in the shadows that linger from Vietnam's long season of darkness and terror he has no way of knowing which side is more dangerous Surrounding him is an unforgettable cast of characters Dzung Condley's closest friend a South Vietnamese war hero who might have led his country if his side had won the war now reduced to driving a cyclo as his family starves in Saigon's District Four Colonel Pham a battle hardened Viet Cong soldier who lost three children to American bombs Manh a cutthroat Interior Ministry official who blackmails Dzung into a mission of murder The Russian soldier Anatolie Petrushinsky who left his soul in Vietnam as his empire collapsed around him And the beautiful Van Colonel Pham's daughter who spurns the scars of war as she pursues her dreams of freedom As Condley stalks his elusive prey across old battlefields and throughout Eurasia returning always to the brooding streets of Saigon his mission and the odds of his surviving it grow more precarious with each step he takes toward the truth *Lost Soldiers* captures the Vietnam of past and present its beauty and squalor its politics and people Propelled by a page turning mystery shot through with adventure and intrigue it irrevocably transforms our view of that haunted land and brings us as complete an understanding as we will ever have of what happened after the war and why No writer today is more qualified to take us into that world than James Webb

*A Desperate Hope (An Empire State Novel Book #3)* Elizabeth Camden, 2019-02-05 Eloise Drake's prim demeanor hides the turbulent past she's finally put behind her or so she thinks A mathematical genius she's now a successful accountant for the largest engineering project in 1908 New York But to her dismay her new position puts her back in the path of the man responsible for her deepest heartbreak Alex Duval is the mayor of a town about to be wiped off the map The state plans to flood the entire valley where his town sits in order to build a new reservoir and Alex is stunned to discover the woman he once loved on the team charged with the demolition With his world

crumbling around him Alex devises a risky plan to save his town but he needs Eloise's help to succeed Alex is determined to win back the woman he thought he'd lost forever but even their combined ingenuity may not be enough to overcome the odds against them before it's too late *A Time to Fight* Jim Webb, 2009-05-12 Shares ideas for ending the war in Iraq restoring fairness to the American economic system revising national security efforts and setting political priorities to benefit the people rather than special interests

**The Boilermakers' Journal**, 1918 **Armor**, 2002 **Fallen Soldiers : Reshaping the Memory of the World Wars** University of Wisconsin (Emeritus) George L. Mosse Bascom-Weinstein Professor of History, and Koebner Professor of History Hebrew University (Emeritus), 1990-03-15 At the outbreak of the First World War an entire generation of young men charged into battle for what they believed was a glorious cause Over the next four years that cause claimed the lives of some 13 million soldiers more than twice the number killed in all the major wars from 1790 to 1914 But despite this devastating toll the memory fostered by the belligerents was not of the grim reality of its trench warfare and battlefield carnage Instead the nations that fought commemorated the war's sacredness and the martyrdom of those who had died for the greater glory of the fatherland The sanctification of war is the subject of this pioneering work by well known European historian George L. Mosse *Fallen Soldiers* offers a profound analysis of what he calls the Myth of the War Experience a vision of war that masks its horror consecrates its memory and ultimately justifies its purpose Beginning with the Napoleonic wars Mosse traces the origins of this myth and its symbols and examines the role of war volunteers in creating and perpetuating it His book is likely to become one of the classic studies of modern war and the complex often disturbing nature of human perception and memory

**Modern/Postmodern** Peter V. Zima, 2010-08-05 Modern Postmodern Society Philosophy Literature offers new definitions of modernism and postmodernism by presenting an original theoretical system of thought that explains the differences between these two key movements Taking a contrastive approach Peter V. Zima identifies three key concepts in the relationship between modernism and postmodernism ambiguity ambivalence and indifference Zima defines modernism and postmodernism as problematics as opposed to aesthetics stylistics or ideologies Unlike modernism which is grounded in an increasing ambivalence towards social norms and values postmodernity is presented as an era of indifference i.e. of interchangeable norms values and perspectives Taking an historical interdisciplinary and intercultural approach that engages with Anglo American and European debates the book describes the transition from late modernist ambivalence to postmodern indifference in the contexts of philosophy literature and sociology This is the ideal guide to the relationship between modernism and postmodernism for students and scholars throughout the humanities

**The Mammoth Book of Westerns** Jon E. Lewis, 2013-07-04 The Western though a singularly American art form is one of the great genres of world literature with a truly global readership It is also durable despite being often unfairly maligned Ever since James Fenimore Cooper transformed frontier yarns into a distinct literary form the Western has followed two paths one populist what Time magazine famously billed the American Morality Play capable of

taking many points of view from red to redneck but always populist with a sentimental attachment to the misfit the other literary eschewing heroism debunking with unsettling candour many of the myths of the West It can sometimes be difficult to draw a sure line between the two forms but both are represented in this outstanding collection which includes stories by Rick Bass Walter Van Tilburg Clark Larry McMurtry Mari Sandoz Christopher Tilghman and Mark Twain among many others

*Restorations of Empire in Africa* Samuel Agbamu, 2024-03-13 The histories of Europe and Africa are closely intertwined At times this closeness has been emphasized at other times suppressed and denied Since the nineteenth century European imperial powers have carved up the continent of Africa among themselves drawing borders and charting shorelines in the process inventing Africa This was a project anchored in ancient Greek and Roman representations of Africa For Italy colonialism in Africa was a matter of consolidating its project of national unification nominally completed in 1870 with the capture of Rome By asserting its position as an imperial power the young nation of Italy hoped to join the club of European nation states and in so doing be rid of the perception that it was a country somewhere in between Europe and Africa Yet Italy's colonial endeavour in Africa was also a project with deep historical meaning Italy posed its imperial project in Africa as a national return to territory which was rightfully Italian Italian ideologues of imperialism based this claim on the history of Roman history on the continent When Italian soldiers disembarked on the beaches of Libya during Italy's invasion of 1911 1912 and came across the ruins of Roman imperialism they were according to prominent cultural and political figures in Italy rediscovering the traces of their ancestors Yet when Italian imperial ambitions set their sights on East Africa regions that had not been conquered by Rome how could Italy nevertheless shape its imperial project in the image of ancient Rome This book charts this story Beginning with Italy's first imperial endeavours on the African continent in the last decades of the nineteenth century and continuing right through to Italy's current attitudes towards Africa this book argues that empire in Africa was a central aspect of Italian nation building and that this was a project which anchored itself in memories of ancient Rome in Africa Although Fascism's invasion of Ethiopia 1935 1936 is the best known moment of Italian imperialism in Africa this book shows that Italian imperialism modelled on ancient Rome has a history which long predates Mussolini's movement and has a legacy which continues to be acutely felt

Novels, Romances and Writings Alphonse Daudet, 1900 *The Complete Works of F. Scott Fitzgerald: Novels, Short Stories, Poetry, Articles, Letters, Plays & Screenplays* F.  The Sci Fi Ultimate Collection 170 Space Adventures Dystopian Novels Lost World Classics invites readers to traverse the  
 vast realms of imagination exploring the speculative landscapes of both familiar and uncharted worlds This anthology offers a  
 remarkable spectrum of narratives that range from tales of space exploration to foreboding dystopias and riveting accounts  
 of hidden civilizations With classic stories that have stood the test of time it illuminates a wide array of philosophies and  
 futurist visions The varied literary styles from the imaginative foresight of H G Wells to the penetrating social critiques of  
 George Orwell combined with a focus on timeless themes such as the nature of humanity and the limits of technological  
 advancement create a tapestry as diverse as the authors themselves The collection is a convergence of pioneering voices who

have individually and collectively shaped the trajectory of science fiction. These authors hail from different eras and cultural backgrounds, enriching the anthology through a melding of unique perspectives. As stalwarts of literary movements ranging from the Romanticism of Mary Shelley to the Modernism of Aldous Huxley, their works echo through time, reflecting the fears and hopes of their respective generations. Together, they illuminate the resilience of human imagination and the endless pursuit of knowledge across the universe. This anthology is an essential tome for those eager to engage with the visionaries who laid the groundwork for contemporary speculative fiction. It offers readers a chance to immerse themselves in a myriad of worlds, each crafted with precision and creativity, fostering a deeper understanding of the genre's evolution. A gateway to insightful discourse, Sci-Fi Ultimate Collection encourages readers to not only appreciate the individual masterpieces but also to partake in the rich dialogues crafted across the centuries, making it an indispensable treasure for enthusiasts and scholars alike.

British Books, 1915

## Decoding **Lost Soldiers A Novel**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
