The Lost Villages of Medieval England Maurice Beresford, 1951

Deserted Villages Revisited Christopher Dyer, Richard Jones, 2010 Assembling leading experts on the subject this account explores the circumstances surrounding the disappearance of thousands of villages and smaller settlements in England and Wales between 1340 and 1750 By revisiting the deserted villages this breakthrough study addresses questions that have plagued archaeologists geographers and historians since the 1940s including why they were deserted why some villages survived while others were abandoned and who was responsible for their desertion offering a series of exciting insights into the fate of these fascinating sites

Medieval England M. W. Beresford, J. K. S. Joseph, 1979-11-15 This book discusses in detail some aspects of life in medieval England still to be seen in the landscape The perspective of the air photograph conveys a fresh understanding of the physical setting of medieval society of the interaction between communities and the land upon which they settled and of the varying pattern of the social and economic fabric of the country

The Archaeology of Medieval Villages Currently Inhabited in Europe Jesús Fernández Fernández, Margarita Fernández Mier, 2019-08-29 Archaeological interventions in European rural settlements have largely focussed on villages abandoned during the last millennium Most hamlets and villages of medieval origin remain inhabited however and excavations have been scarce This book details excavations of inhabited sites in the UK the Netherlands France Scandinavia and Spain

Landlords and Tenants in Britain, 1440-1660 Jane Whittle, 2013 Tawney s Agrarian Problem in the Sixteenth

Century 1912 *A Prospering Society* John Hare,2011 This book seeks to explore the changing nature of English society through a case study of countryside and town in southern England during the period from c 1380 to c 1520 It explores the influence of landscape and population on the agriculture of Wiltshire the regional patterns of arable and pastoral farming and the growing contrast between the large scale mixed farming of the chalklands and the family farms of the claylands It examines the changing situation of the rural tenant population as it reacted to the greater opportunities available in the land market During this period Wiltshire became one of the great cloth producing counties of England as reflected in its rising taxable wealth Such economic expansion generated jobs both within the industry and beyond stimulating the market for food services and manufactured goods Salisbury was one of the greatest cities in the kingdom and below this was a hierarchy of interesting lesser towns But such growth generated its own problems more and more people became dependent on the cloth trade and particularly on exporting cloth if exports fell as during the mid fifteenth century crisis they suffered As scholars are increasingly aware the later Middle Ages was a period of considerable change and this study contributes to debates about the nature of both change and continuity at a national level It will also be of value to local historians interested in one of the most important periods in Wiltshire s history BLACKWELL S *The More Developed Realm* Glenn T. Trewartha,2016-06-06

The More Developed Realm *Medieval Archaeology* Chris Gerrard,2003-10-04 Chris Gerrard looks at the people and excavations that have been important in medieval archaeology and the core theory and methodology used creating an essential text for all medieval archaeologists *The Oxford Illustrated History of Britain* Kenneth O.
