Poaches,2012-10 What if you could see things that no one else could What if you saw things that would terrify the average
person on a daily basis That s what it s like during a normal day in the life of Maria Patterson a woman with quite possibly
the most unique interpretation of life and death This particular subject matter is taught by many throughout our lives yet it is
understood by few Maria however has the unfortunate honor of being given a literal hands on lesson from one of the few who
know most about the subject and as her knowledge swells she soon discovers that just like with Pandora s Box there are
some things you just don t really want to really know Our parents always told us that we were special but what if you didn t
want to be **Design-It-Yourself Clothes** Cal Patch,2013-09-11 If you ve ever watched Project Runway and wished you

were a contestant or you're simply ready to take your sewing to a new level *Design It Yourself Clothes* teaches you the fundamentals of modern patternmaking so that you too can create your own inspired clothing Until now the aspiring DIY fashionista has been hard pressed to find self-teaching tools other than dry textbooks or books with outdated looks Finally in *Design It Yourself Clothes* former Urban Outfitters designer Cal Patch brings her youthful aesthetic to a how-to book If you want to wear something you can't find on store racks and make clothes that express your individual style or if you've reached a sewing plateau and want to add pattern drafting to your repertoire *Design It Yourself Clothes* is the book you have been waiting for In five key projects each with four variations a perfect fitting dress T-shirt button-down shirt A-line skirt and pants Patch shares the art of patternmaking At its core it's much simpler than you think Patch covers everything an intermediate sewer needs to know in order to become a fabulous fashion designer from designing the patterns taking your own measurements and choosing fabrics to actually sewing the clothing You will also learn how to stylize patterns by using darts waistbands patch pockets and ruffles Patch offers tips explanations options and exercises throughout that will make the design process that much easier But besides showing you how to create clothing from scratch she also teaches you how to rub off patterns from existing clothing so if you have a pair of pants that you love but are worn out or you have your eye on a piece in the store with a prohibitive price tag you can figure out how to get the looks you want by using your own two hands
