Words I Love, Volume 7 Charles Santiago,2025-09-18 Friends of grieving widows and widowers often advise them after a certain point that they need to get on with their lives Life goes on they say implying that the deceased loved ones are forever gone remaining only in the cherished memories of their loved ones The widows and

widowers are told that they will be united with their loved ones at long last when they themselves depart this life In the meantime they must get on with their lives But are we as human beings dependent totally upon our earthly bodies for our existence If not is it so that when we survive the death of the body we must depart from our loved ones in order to enter the afterlife Here on Earth if we can conceive that we might be able to continue living with our departed loved ones in a spiritual way is it possible that we might then discover that we actually can The poems of Words I Love might be considered by some to be the wishful thinking of a bereaved widower On the other hand the poems could be considered to be an actual dialogue between an earthly beau and his heavenly belle

Words I Love to Recite Charles Santiago, 2024-02-15 The experience of the afterlife is normally considered to take place after death. Death is seen as a wall of partition between those living and those departed. Dead and gone are words often used to describe the departed. The writer of these poems was at his wife's bedside when she took her last breath. Anyone observing the horror and desperation the author expressed at that moment would have concluded that he truly believed his wife was dead and gone. In fact, he did believe she was dead and gone. A grief counselor suggested to the new widower that he keep a journal of his experience. He started keeping a journal which from the start was a dialogue between him and his departed wife. The prose dialogue soon became peppered with poems. The widower began to notice that there were sometimes correlations between what was written in the poems and his daily experience. The poems and his daily experience became for the new widower proof enough that the afterlife can be experienced this side of the grave.
