[Inventing New Beginnings](#) Asher D. Biemann,2009-01-01 Inventing New Beginnings is the first book length study to examine the conceptual underpinnings of the Jewish Renaissance or return to Judaism that captured much of German speaking Jewry between 1890 and 1938 The book addresses two very fundamental yet hitherto strangely understated questions What did the term renaissance actually mean to the intellectuals and ideologues of the Jewish Renaissance and how did this understanding relate to wider currents in European intellectual and cultural history of the nineteenth and early twentieth centuries It also addresses the larger question of how we can contemplate renaissance as a mode of thought that is conditioned by the consciousness and experience of modernity and that extends to our present time
