Notes From Underground And The Double:

Notes from Underground, the Double and Other Stories by Fyodor Dostoevsky, 2008 *Notes from Underground The Double and Other Stories* by Fyodor Dostoevsky is part of the Barnes some include illustrations of historical interest Barnes Noble Classics pulls together a constellation of influences biographical historical and literary to enrich each readers understanding of these enduring works Often considered a prologue to Dostoevsky s brilliant novels the story *Notes from Underground* introduces one of the great anti heroes in literature the underground man who lives on the fringes of society In an impassioned manic monologue this character plagued by shame guilt and alienation argues that reason is merely a flimsy construction built upon humanity s essentially irrational core Internal conflict is also explored in *The Double* a surreal tale of a government clerk who meets a more unpleasant version of himself and is changed as a result In addition to these two existential classics this collection also includes the psychologically probing stories *The Meek One* *The Dream of a Ridiculous Man* and *White Nights* Deborah A Martinsen is Assistant to the Director of the Core Curriculum at Columbia University and Adjunct Associate Professor of Russian and Comparative Literature She is the author of *Surprised by Shame* Dostoevsky s *Liars and Narrative Exposure* *Notes from Underground; the Double* by Fyodor Dostoyevsky, 1972-07-30 It is best to do nothing The best thing is conscious inertia So long live the underground Alienated from society and paralysed by a sense of his own insignificance the anonymous narrator of Dostoyevsky s groundbreaking *Notes from Underground* tells the story of his tortured life With bitter sarcasm he describes his refusal to become a worker in the ant hill of society and his gradual withdrawal to an existence underground The seemingly ordinary world of St Petersburg takes on a nightmarish quality in *The Double* when a government clerk encounters a man who exactly resembles him his double perhaps or possibly the darker side of his own personality Like *Notes from Underground* this is a masterly study of human consciousness Jessie Coulson s introduction discusses the stories critical reception and the themes they share with Dostoyevsky s great novels *Notes from Underground* by Fyodor Dostoyevsky, 2010-05-20 The underground man has always felt like an outsider He doesn t want to be like other people working in the ant hill of society So he decides to withdraw from the world scrawling a series of darkly sarcastic notes about the torments he is suffering Is he going mad Or is it the world around him that is insane Books that save lives come in one colour Choose Penguin Classics RED Save Lives Penguin Classics has partnered with PRODUCT RED to bring you our selection of some of the best books ever written We will be contributing 50% of the profits from the sale of Penguin Classics RED editions to the Global Fund to help eliminate AIDS in Africa Now great books can help save lives

NOTES FROM THE UNDERGROUND by Feodor Dostoevsky, 2004 *Notes from the Underground* by Feodor Dostoevsky PART I UNDERGROUND The author of the diary and the diary itself are of course imaginary Nevertheless it is clear that such persons as the writer of these notes not only may but positively must exist in our society when we consider the circumstances in the midst of which our society is formed I have tried to expose to the view of the public more distinctly than

is commonly done one of the characters of the recent past He is one of the representatives of a generation still living In this fragment entitled Underground this person introduces himself and his views and as it were tries to explain the causes owing to which he has made his appearance and was bound to make his appearance in our midst In the second fragment there are added the actual notes of this person concerning certain events in his life

AUTHOR S NOTE I I am a sick man I am a spiteful man I am an unattractive man I believe my liver is diseased However I know nothing at all about my disease and do not know for certain what ails me I don t consult a doctor for it and never have though I have a respect for medicine and doctors Besides I am extremely superstitious sufficiently so to respect medicine anyway I am well educated enough not to be superstitious but I am superstitious No I refuse to consult a doctor from spite That you probably will not understand Well I understand it though Of course I can t explain who it is precisely that I am mortifying in this case by my spite I am perfectly well aware that I cannot pay out the doctors by not consulting them I know better than anyone that by all this I am only injuring myself and no one else But still if I don t consult a doctor it is from spite My liver is bad well let it get worse I have been going on like that for a long time twenty years Now I am forty I used to be in the government service but am no longer I was a spiteful official I was rude and took pleasure in being so I did not take bribes you see so I was bound to find a recompense in that at least A poor jest but I will not scratch it out I wrote it thinking it would sound very witty but now that I have seen myself that I only wanted to show off in a despicable way I will not scratch it out on purpose When petitioners used to come for information to the table at which I sat I used to grind my teeth at them and felt intense enjoyment when I succeeded in making anybody unhappy I almost did succeed For the most part they were all timid people of course they were petitioners But of the uppish ones there was one officer in particular I could not endure He simply would not be humble and clanked his sword in a disgusting way I carried on a feud with him for eighteen months over that sword At last I got the better of him He left off clanking it That happened in my youth though But do you know gentlemen what was the chief point about my spite Why the whole point the real sting of it lay in the fact that continually even in the moment of the acutest spleen I was inwardly conscious with shame that I was not only not a spiteful but not even an embittered man that I was simply scaring sparrows at random and amusing myself by it I might foam at the mouth but bring me a doll to play with give me a cup of tea with sugar in it and maybe I should be appeased I might even be genuinely touched though probably I should grind my teeth at myself afterwards and lie awake at night with shame for months after That was my way

Notes from Underground and the Double Fyodor Dostoyevsky, 2009-04-28 Collected here in Penguin Classics are two of Fyodor Dostoyevsky s shorter works Notes from Underground and The Double translated by Ronald Wilks with an introduction by Robert Louis Jackson Alienated from society and paralysed by a sense of his own insignificance the anonymous narrator of Dostoyevsky s groundbreaking Notes from Underground tells the story of his tortured life With bitter irony he describes his refusal to become a worker in the anthill of society and his gradual withdrawal to an existence underground The seemingly

ordinary world of St Petersburg takes on a nightmarish quality in *The Double* when a government clerk encounters a man who looks exactly like him his double perhaps or possibly the darker side of his own personality Like *Notes from Underground* this is a masterly tragicomic study of human consciousness Ronald Wilks's extraordinary new translation is accompanied here by an introduction by Robert Louis Jackson discussing these pivotal works in the context of Dostoyevsky's life and times This edition also contains a chronology bibliography table of ranks and notes on each work Fyodor Mikhailovich Dostoyevsky 1821-1881 was born in Moscow From 1849-54 he lived in a convict prison and in later years his passion for gambling led him deeply into debt His other works available in Penguin Classics include *Crime and Punishment* *The Brothers Karamazov* *The Idiot* and *Demons* If you enjoyed *Notes from Underground* and *The Double* you might like Dostoyevsky's *Demons* also available in Penguin Classics *Notes from Underground* with its mood of intellectual irony and alienation can be seen as the first modern novel That sense of meaninglessness of existence that runs through much of twentieth century writing from Conrad and Kafka to Beckett and beyond starts in Dostoyevsky's work Malcolm Bradbury

Notes from Underground and The Double Fyodor Dostoyevsky, 2018-06 A predecessor to such monumental works as *Crime and Punishment* and *The Brothers Karamazov* *Notes from Underground* represents a turning point in Dostoyevsky's writing towards the more political side In this work we find a story in two parts the first a rambling memoir of a bitter isolated retired civil servant living in St Petersburg Russia In the second part we follow the unnamed narrator through a series of events which further exhibit the consciousness of a man who is disillusioned by the oppression and corruption of the society in which he lives A philosophically dark and politically charged novel *Notes from Underground* shows Dostoyevsky using the narrative form as a device for criticizing the prevailing ideologies of his time mainly nihilism and rational egoism In *The Double* we see an intense psychological study of its main character Yakov Petrovich Golyadkin a government clerk who becomes increasingly obsessed with the idea that a man who bears a striking resemblance to him is trying to take over his identity *Notes from Underground* and *The Double* are two of Dostoyevsky's more popular shorter works which exhibit the author's uncanny ability to portray the darker side of the human psyche This edition is printed on premium acid free paper and follows the translations of Constance Garnett *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Penguin Classics Introduction to Notes from Underground and the Double by Fyodor Dostoevsky (Penguin Classics)** Jessie Senior Coulson, 2009 **City Codes** Hana Wirth-Nesher, 1996-01-26 *City Codes* is a study of the representation of the city in the modern novel that takes difference as its point of departure so that cities are read according to the cultural and social position of the urbanite These urban narratives are analysed in the context of a cultural repertoire of city codes from the architectural features of window and street to the social and historical signs of the landmark and the passer by with the

emphasis on the subject's construction of his or her place as shaped by history politics nationality gender class and race The study moves from boundaries inscribed onto the cityscape to distances experienced by the city dwellers its real and textual cities are Warsaw Jerusalem New York Chicago Paris London and Dublin The novels discussed are by Isaac Bashevis Singer Amos Oz Theodore Dreiser Ralph Ellison Henry James Henry Roth James Joyce and Virginia Woolf The Translator in the Text Rachel May, 1994-11-23 What does it mean to read one nation's literature in another language The considerable popularity of Russian literature in the English speaking world rests almost entirely upon translations In The Translator and the Text Rachel May analyzes Russian literature in English translation seeing it less as a substitute for the original works than as a subset of English literature with its own cultural stylistic and narrative traditions
