

Directors' Notes for Casting

Peter and the Starcatcher is considered to be a play with some music, but it is not considered a musical. Therefore, we will not be holding formal singing or dancing auditions.

We are, however, looking for good actors who can project their voices well, who are not afraid to be big and broad and loud in their acting style, who have a great sense of humor. Good strong singing voices are, of course, a plus for several roles, but not mandatory for casting all roles. Above all, we are hoping for players who can work together in a true ensemble format and have fun with the playful imaginative stagecraft.

While some characters are considered 'leads', this is a show where we will be working together from the very first rehearsal through all the performances. All actors, regardless of what part they are cast in, will be involved in moving sets and playing multiple parts in the production.

— Ken & Tami Kai

Character Breakdown

We welcome non-traditional casting — all roles are open to all sexes, races, and ethnic diversities! All actors will double in roles. Available roles for actors with playable age at 18 and older. (The large number of characters have a very wide age range.) Musical and acrobatic ability a plus, though not required for all roles.

All actors serve variously as sailors, seamen, orphans, pirates, mermaids, Mollusks, ships, doors, scenery, and narrators.

IMPORTANT NOTE: The characters Prontiss, Peter, Molly, and Ted are in their early-mid teens, but must be played by adult actors who appear to be in their early-mid 20s.

Black Stache

A notorious and very flamboyant pirate, Black Stache terrorizes the seven seas in search of a worthy adversary. Heartless and snobby, he is partial to the poetical and theatrical, and also not terribly bright. Actor must have great comedic timing and not afraid to act in a big, broad, and sometimes over-the-top style.

Molly Aster

A young girl and Starcatcher apprentice, Molly is taken aboard the ship *Neverland* as precious cargo. Curious and intelligent, she is only beginning to understand the confusing romantic longings that come with her age. She will risk anything for the sake of what is right.

Boy/Peter

A lonely and hardened orphan who doesn't miss much, Peter is nameless, homeless, and friendless at the beginning of the play, and a hero by the end. He wants a home and a family more than anything, and dreams of a life of being free. Looking for an actor who can be genuinely earnest and sweet, while also heroic.
