Notes From Underwhelmed:

Locked, Loaded and SEAled Carol Ericson, 2017-04-01 A Navy SEAL must protect the mentee of a high profile doctor from dangerous terrorists in this romantic suspense adventure The SEAL's secret assignment had been to protect a certain important doctor But when the man is murdered Austin Foley's mission changes The Navy sniper must now protect the doctor's protégé the irresistible Sophia Grant at any cost For Sophia has information that could endanger the entire country There's only one problem Sophia has no idea what those secrets are With lethal terrorists on their heels Austin and Sophia must embark on a covert operation But it will mean placing Sophia even more in harm's way a sacrifice not even the steel hearted SEAL may be able to make Praise for *Locked Loaded and SEAled* A riveting thrill ride from start to finish Caitlyn Lynch author of the *Rescue Rangers* series

Net Neutrality and the Battle for the Open Internet Danny Kimball, 2022-08-24 Net neutrality a dry but crucial standard of openness in network access began as a technical principle informing obscure policy debates but became the flashpoint for an all out political battle for the future of communications and culture *Net Neutrality and the Battle for the Open Internet* is a critical cultural history of net neutrality that reveals how this intentionally boring world of internet infrastructure and regulation hides a fascinating and pivotal sphere of power with lessons for communication and media scholars activists and anyone interested in technology and politics While previous studies and academic discussions of net neutrality have been dominated by legal economic and technical perspectives *Net Neutrality and the Battle for the Open Internet* offers a humanities based critical theoretical approach telling the story of how activists and millions of everyday people online and in the streets were able to challenge the power of the phone and cable corporations that historically dominated communications policy making to advance equality and justice in media and technology

The Disappointed Bridge Richard Pine, 2014-06-02 This original study is the first major critical appraisal of Ireland's post colonial experience in relation to that of other emergent nations The parallels between Ireland India Latin America Africa and Europe establish bridges in literary and musical contexts which offer a unique insight into independence and freedom and the ways in which they are articulated by emergent nations They explore the master servant relationship the functions of narrative and the concepts of nationalism map making exile schizophrenia hybridity magical realism and disillusion The author offers many incisive answers to the question What happens to an emerging nation after it has emerged

The Best Yes Lysa TerKeurst, 2014-08-19 Are you tired of living with the stress of an overwhelmed schedule and aching with the sadness of an underwhelmed soul? Do you find yourself unable to say no even when you should? Are you stuck under the weight of endless demands and responsibilities? The good news is it doesn't have to be this way. In *The Best Yes*, New York Times bestselling author Lysa TerKeurst guides you through the insightful lessons she's learned about what it means to live out the purpose that God has in store for you. Lysa demonstrates the incredible power of two words: yes and no, and the way that these simple daily decisions can shape the story of our lives. Lysa has learned firsthand that there's a big difference between saying yes to everyone and saying yes to God. Drawing from applicable scriptures and her own personal experiences, Lysa teaches us that if we know and believe that God has a plan for each of us, we'll live it out serving as living proof of His never-ending grace and kindness. Throughout *The Best Yes*, Lysa will give you the practical tools you need to: Stop people-pleasing by embracing a biblical understanding of love; Escape the guilt of disappointing others by learning the secret of the small no; Overcome the agony of hard choices by grounding your decisions in wisdom; Grow closer to God as you sharpen your own discernment; Learn to be intentional with your time, your choices, and yourself; Incorporate the Best Yes as a filter for your daily decision making. If we take time to slow down and rise above the rush of the world's endless demands, we can rest assured that God's wisdom will help us make decisions that will still be good tomorrow. No matter what season of life you find yourself in, you deserve the chance to make decisions that bring out the best you. *Perspectives on Kuhn* Leandro

Giri, Pablo Melogno, Hernán Miguel, 2023-01-16 This book presents essays and commentaries that continue on Thomas Kuhn's work from where he left off at the time of his death. Contrary to other books, this volume picks up the gauntlet to develop from a contemporary perspective some points that can be improved in the light of recent findings and conceptualizations in metatheory. Thus, this work pays a visit to the classical Kuhnian landscapes but, rather than proposing interpretations, it takes them as the starting point to go further. One hundred years after Kuhn's birth, the editors and authors rekindle the passion and interest that have always surrounded the work of the great Boston philosopher and historian. **The Air Force Law Review**

, 2015 Properties of Materials P.F. Kelly, 2014-12-01 The second volume in the author's three-part series *Properties of Materials* uses the principles of classical mechanics to qualitatively and quantitatively model specific features of matter. The text develops linear models of elasticity to correlate and quantify the changes in an object's shape induced by the application of a constant force. It desc
