

Literary Devices

General

Repetition	When the same word/phrase is used more than once
Rule of three	A group of three items
Juxtaposition	The placing together of two ideas/things for effect
antithesis	The deliberate placing together of two opposite ideas/things e.g. fire and water
Simile	A comparison using like/as e.g. "as under a green sea"
Metaphor	When something is used to represent or <u>symbolise</u> something else

Discussing structure

analepsis	flashback
prolepsis	flashforward
Zooming in/panning out	When a narrator focuses in on a particular character, action, or part of the scene – or alternatively, <u>moves</u> out to look at the situation as a whole.
Narrative hook	A sentence at the start of a piece designed to catch the reader's attention
cliffhanger	Deliberately leaving things unresolved at the end of a passage
Cyclical structure	When events at the end of a passage link back to those at the start
focus/shift	What the narrator is choosing to

Notes On Literary Structure

Daniel Burke

Notes On Literary Structure:

Notes on Literary Structure Daniel Burke,1982 *Rhetorical Criticism of the Bible* Watson,Alan J. Hauser,2022-02-28

This volume is designed as a resource for using rhetorical criticism as a methodology for interpreting the Bible Rhetorical criticism is treated in the broader context of the growing interest in the study of the literary character of the Bible The volume is divided into two parts to accommodate both the Old and New Testaments Each part begins with a discussion of the history and methodology of rhetorical criticism pertinent to that Testament Here special emphasis is given to the current state and trends of the discipline and its impact on biblical interpretation These discussions are followed by extensive bibliographies categorized to facilitate working with the published research on specific biblical texts books or categories of books The Musical Structure of Plato's Dialogues J.B. Kennedy,2014-09-19 J B Kennedy argues that Plato s dialogues

have an unsuspected musical structure and use symbols to encode Pythagorean doctrines The followers of Pythagoras famously thought that the cosmos had a hidden musical structure and that wise philosophers would be able to hear this harmony of the spheres Kennedy shows that Plato gave his dialogues a similar hidden musical structure He divided each dialogue into twelve parts and inserted symbols at each twelfth to mark a musical note These passages are relatively harmonious or dissonant and so traverse the ups and downs of a known musical scale Many of Plato s ancient followers insisted that Plato used symbols to conceal his own views within the dialogues but modern scholars have denied this Kennedy an expert in Pythagorean mathematics and music theory now shows that Plato s dialogues do contain a system of symbols Scholars in the humanities without knowledge of obsolete Greek mathematics would not have been able to detect these musical patterns This book begins with a concise and accessible introduction to Plato s symbolic schemes and the role of allegory in ancient times The following chapters then annotate the musical symbols in two of Plato s most popular dialogues the Symposium and Euthyphro and show that Plato used the musical scale as an outline for structuring his narratives

Introduction, text with notes Herodotus,1895 *Patterns of Repetition, Structure, and Meaning in the Book of Hebrews*

Michael C. Clark,2024-04-01 While many have recognized unusual patterns of repetition within the book of Hebrews which seem to play a range of important functions within the text the consistency of this patterning has not been fully appreciated and its function has been largely unexamined This study investigates the location and function of what we have termed link clusters within Hebrews from the perspective of discourse analysis to gain fresh insight into the language structure and genre of Hebrews into the book s relationship to the Old Testament and into the book s authorship and meaning This work proposes first that Hebrews uses repetition to establish formal connections between words and phrases marked as significant by their location and context with respect to other similarly connected words and phrases second that link clusters serve to structure the book of Hebrews by uniting the text into a series of overlapping concentric and coherent units and third that link clusters also serve an important topical function clarifying and amplifying intended meaning as pairs of matching topic

sentences that respectively introduce and conclude each section and subsection of the discourse by summarizing its content

Joshua 1-12 Thomas B. Dozeman, 2015-01-01 An acknowledged expert on the Hebrew Bible Thomas Dozeman offers a fresh translation of the Hebrew and Greek texts of the book of Joshua and explores the nature function and causes of the religious violence depicted therein By blending the distinct teachings of Deuteronomy and the Priestly literature Dozeman provides a unique interpretation of holy war as a form of sacred genocide arguing that since peace in the promised land required the elimination of the populations of all existent royal cities a general purging of the land accompanied the progress of the ark of the covenant This essential work of religious scholarship demonstrates how the theme of total genocide is reinterpreted as partial conquest when redactors place Joshua an independent book between Deuteronomy and Judges The author traces the evolution of this reinterpretation of the central themes of religious violence while providing a comparison of the two textual versions of Joshua and an insightful analysis of the book s reception history **Aesthetics, Problems in the**

Philosophy of Criticism Monroe C. Beardsley, 1981-01-01 This second edition features a new 48 page Afterword 1980 updating Professor Beardsley s classic work Rationality, Relativism and the Human Sciences Joseph Margolis, Michael Krausz, R. Burian, 1986-10-31 The Greater Philadelphia Philosophy Consortium was launched in the early eighties It began during a particularly lean period in the American economy But its success is linked as much to the need to be in touch with the rapidly changing currents of the philosophical climate as with the need to insure an adequately stocked professional community in the Philadelphia area faced perhaps permanently with the threat of increasing attrition The member schools of the Consortium now include Bryn Mawr College the University of Pennsylvania Temple University and Villanova University that is the schools of the area that offer advanced degrees in philosophy The philosophy faculties of these schools form the core of the Consortium which offers graduate students the instructional and library facilities of each member school The Consortium is also supported by the associated faculties of other regional schools that do not offer advanced degrees notably those at Drexel University Haverford College La Salle University and Swarthmore College both philosophers and members of other departments as well as interested and professionally qualified persons from the entire region The affiliated and core professionals now number several hundreds and the Consortium s various ventures have been received most enthusiastically by the academic community At this moment the Consortium is planning its fifth year of what it calls the Conferences on the Philosophy of the Human Studies **Wisdom** Luca Mazzinghi, 2019-07-24 For the first time the present commentary brings

together all relevant aspects necessary to understand and appreciate this late portion of Old Testament Scripture textual criticism detailed philological and literary analysis the text s two fold historical context in its Hellenistic environment on the one hand and in the biblical tradition on the other and ultimately the very innovative theology of the book of Wisdom Aspects of the book s reception history as well as hermeneutical questions round off the commentary on the text The President's Report University of Chicago, 1903 1897 98 includes summaries for 1891 to 1897

The book delves into Notes On Literary Structure. Notes On Literary Structure is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Notes On Literary Structure, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Notes On Literary Structure
 - Chapter 2: Essential Elements of Notes On Literary Structure
 - Chapter 3: Notes On Literary Structure in Everyday Life
 - Chapter 4: Notes On Literary Structure in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Notes On Literary Structure. The first chapter will explore what Notes On Literary Structure is, why Notes On Literary Structure is vital, and how to effectively learn about Notes On Literary Structure.
3. In chapter 2, this book will delve into the foundational concepts of Notes On Literary Structure. This chapter will elucidate the essential principles that must be understood to grasp Notes On Literary Structure in its entirety.
4. In chapter 3, this book will examine the practical applications of Notes On Literary Structure in daily life. The third chapter will showcase real-world examples of how Notes On Literary Structure can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Notes On Literary Structure in specific contexts. This chapter will explore how Notes On Literary Structure is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Notes On Literary Structure. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Notes On Literary Structure.
