Notes On Prosody Abram Gannibal:

Notes on Prosody and Abram Gannibal Vladimir Vladimirovich Nabokov, 1964

Notes on Prosody and Abram

Gannibal Vladimir Nabokov, 2015-12-08 Two appendixes from Nabokov's famous edition of Eugene Onegin his study of versification in English and Russian poetry and his term paper on Pushkin's Ethiopian ancestor Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Notes on Prosody, and Abram Gannibal Vladimir Vladimirovich

Nabokov, 1964 **Notes on Prosody and Abram Gannibal** Vladimir Vladimirovič Nabokov, 1964 *Under the Sky of My*

Africa Catharine Theimer Nepomnyashchy, Nicole Svobodny, Ludmilla A. Trigos, 2006-05-30 A wide ranging consideration of the nature and significance of Pushkin's African heritage Roughly in the year 1705 a young African boy acquired from the seraglio of the Turkish sultan was transported to Russia as a gift to Peter the Great This child later known as Abram Petrovich Gannibal was to become Peter's godson and to live to a ripe old age having attained the rank of general and the status of Russian nobility More important he was to become the great grandfather of Russia's greatest national poet Alexander Pushkin It is the contention of the editors of this book borne out by the essays in the collection that Pushkin's African ancestry has played the role of a wild card of sorts as a formative element in Russian cultural mythology and that the ways in which Gannibal's legacy has been included in or excluded from Pushkin's biography over the last two hundred years can serve as a shifting marker of Russia's self definition The first single volume in English on this rich topic *Under the Sky of My Africa* addresses the wide variety of interests implicated in the question of Pushkin's blackness race studies politics American studies music mythopoetic criticism mainstream Pushkin studies In essays that are by turns biographical iconographical cultural and sociological in focus the authors representing a broad range of disciplines and perspectives take us from the complex attitudes toward race in Russia during Pushkin's era to the surge of racism in late Soviet and post Soviet contemporary Russia In sum *Under the Sky of My Africa* provides a wealth of basic material on the subject as well as a series of provocative readings and interpretations that will influence future considerations of Pushkin and race in Russian culture

African Visionaries Kropp Dakubu, Maria Asante, 2019-01-10 In over forty portraits African writers present extraordinary people from their continent portraits of the women and men whom they admire people who have changed and enriched life in Africa The portraits include inventor founders of universities resistance fighters musicians environmental activists or writers *African Visionaries* is a multi faceted book seen through African eyes on the most impactful people of Africa Some of the writers contributing to the collection are Helon Habila Virginia Phiri Ellen Banda Aaku Vronique Tadjo Tendai Huchu

Solomon Tsehaye Patrice Nganang and Sami Tchak **The Ghost of Meter** Annie Finch, 2000 A groundbreaking study of the connections among meter the poetic unconscious and wider literary and cultural forces **Auden's Syllabic Verse** Richard Hillyer, 2019-12-12 Much of the poetry written by W H Auden between 1939 and the time of his death consists of syllabic verse or lines arranged in accordance with a predetermined syllable count but no fixed number or distribution of stresses This book presents a comprehensive in depth analysis of his many and widely varied syllabics grouping them primarily by the formal sub categories to which they belong as measured by line length stanza type or some other aspect of their overall design With this approach the book clarifies the dynamic range and technical inventiveness of Auden's syllabics It also shows how his work compares with that of Robert Bridges and Marianne Moore two pioneers in the writing of English syllabic whose verse he was familiar with **Vladimir Nabokov and the Art of Moral Acts** Dana Dragunoiu, 2021-09-15 Winner 2022 Brian Boyd Prize for Best Second Book on Nabokov This book shows how ethics and aesthetics interact in the works of one of the most celebrated literary stylists of the twentieth century the Russian American novelist Vladimir Nabokov Dana Dragunoiu reads Nabokov's fictional worlds as battlegrounds between an autonomous will and heteronomous passions demonstrating Nabokov's insistence that genuinely moral acts occur when the will triumphs over the passions by answering the call of duty Dragunoiu puts Nabokov's novels into dialogue with the work of writers such as Alexander Pushkin William Shakespeare Leo Tolstoy and Marcel Proust with Kantian moral philosophy with the institution of the modern duel of honor and with the European traditions of chivalric literature that Nabokov studied as an undergraduate at Cambridge University This configuration of literary influences and philosophical contexts allows Dragunoiu to advance an original and provocative argument about the formation career and legacies of an author who viewed moral activity as an art and for whom artistic and moral acts served as testaments to the freedom of the will The Rhythms of English Poetry Derek Attridge, 2014-07-10 Examines the way in which poetry in English makes use of rhythm The author argues that there are three major influences which determine the verse forms used in any language the natural rhythm of the spoken language itself the properties of rhythmic form and the metrical conventions which have grown up within the literary tradition He investigates these in order to explain the forms of English verse and to show how rhythm and metre work as an essential part of the reader's experience of poetry

Notes On Prosody Abram Gannibal Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Notes On Prosody Abram Gannibal**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
