Nothing Greater Nothing Better Theological Essays On The Love Of God:

Nothing Greater, Nothing Better Kevin J. Vanhoozer, 2001 The love of God is arguably the most central doctrine of the Christian faith and yet remarkably the subject of God's love has not received the attention it deserves This new work by an international team of theologians and biblical scholars fills this need offering a clear complete and inspiring discussion on the nature of God's love and its meaning for the Christian life After surveying the ways in which the love of God has been understood through the ages the book constructs an understanding of God's love particularly relevant for today Though exploring the subject from many angles biblical theology historical theology philosophical theology and systematic theology these chapters are united in seeing Jesus who was at once human and divine as the ultimate criterion for defining the love of God

Great Is the Lord Ron Highfield, 2008-08-15 In keeping with the classic Christian tradition *Great Is the Lord* sets out the doctrine of God in a way that illumines the mind moves the heart and stirs the soul to praise the triune God Ron Highfield introduces students ministers and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century God is triune loving merciful gracious patient wise one simple omnipotent omniscient eternal omnipresent immutable impassible and glorious Irenically challenging open theism and process theology Highfield shows that the classical doctrine of God actually preserves our confidence in God's love and his liberating action better than its opponents do This traditional doctrine Highfield argues grounds our dignity and freedom in the center of reality the trinitarian life of God Highfield's work maintains the highest intellectual standards throughout even as it offers a true theology for the praise of God

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the *Theology in Community* series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the *Theology in Community* series

The Love of God John C. Peckham, 2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness

His Love Endures Forever Garry J. Williams, 2016-06-14 God is love there are few more quoted statements from all of Scripture Although wonderfully simple the idea that God is fundamentally loving is incredibly profound And yet sometimes we confuse God's love with our human understanding of love an understanding that is

inherently imperfect sometimes self serving and often fickle Helping us walk in the belief that God is love not that love is God this book explores what the Bible actually teaches about how and what God loves Readers will discover that although we often misunderstand misuse and take for granted God s love it s actually more wonderful pure and satisfying than we ever imagined

The Holy Spirit and Christian Ethics in the Theology of Klaus Bockmuehl Annette M. Glaw,2014-02-07 Klaus Bockmuehl 1931 1989 former Professor for Systematic Theology at Regent College Vancouver published outstanding theological ethical works The questions that Bockmuehl explored have not lost any relevance How do we know what God s will is in a particular situation Is Scripture sufficient for ethical decisions or should we listen to God Does God even speak today Is there a distinctive Christian ethic Bockmuehl s central contribution can be found in his emphasis on the seminal role the Holy Spirit plays within Christian ethics not only as the one who realizes the reign of God in the life of the individual but also as the one guiding the individual in a particular situation This book is the first in depth study of Bockmuehl introducing readers to his theology and ethics including a short biographical overview delineating and appraising how he understands the role of the Holy Spirit in Christian ethics It is not a book without criticism and its own creative contribution Annette Glaw concludes her fascinating study with a proposal for a relational concept of the Holy Spirit as the loving presence of God in Christian ethics

God Loves You David Jeremiah,2025-05-01 That God loves us is the most profound truth in the universe Experiencing this love has the potential to answer every question solve every problem and satisfy the deepest yearnings of the heart So why are many people who believe this still unable to fully utilize the power of God s love in their personal lives In this probing book Dr David Jeremiah reveals that not fully understanding and appreciating every critical dimension of God s love can lead to missed opportunities to experience His love He explains how even the so called negative dimension of God s actions hell prohibitive commandments pain and suffering in the world can only be rightly understood by viewing them in light of God s true love GOD LOVES YOU will enable readers to know God in a way that will consciously connect them with the healing power of His grace so they can experience the life of love they were created to enjoy

Atonement and the Life of Faith (Soteriology and Doxology) Adam J. Johnson,2024-10-22 In this volume an expert theologian addresses the key soteriological theme of atonement Atonement and the Life of Faith provides substantive engagement with the doctrine of the atonement including sections on the Apostles Creed Scripture the history of the doctrine constructive dogmatics and Christian praxis Focusing on the third part of the Apostles Creed it explores how atonement relates to the church the Holy Spirit and the Christian life Each section offers a constructive departure from trends in contemporary works on the subject This book shows students how to integrate theology into the life of faith and demonstrates how theological thinking is a part of Christian worship Each unit begins with a brief section pointing readers to a familiar hymn poem or liturgy The Soteriology and Doxology series consists of introductory textbooks that cover key topics in soteriology Volumes provide substantive treatments of doctrine while pointing to the setting of theology in doxology Series editors are Kent Eilers

Huntington University and Kyle C Strobel Biola University *Transcending Subjects* Geoffrey Holsclaw, 2016-02-16
