Nothing Compares:

Nothing Compares to You Sonya Huber, Martha Bayne, 2025-07-22 An intimate and evocative celebration of the life and legacy of music and political icon Sinéad O'Connor featuring writers including Neko Case, Sinéad Gleeson, Rayne Fisher, Quann Poro, Chista Khakpour and more. More than thirty years ago Sinéad O'Connor shocked the world by tearing up a photo of Pope John Paul II in an act of protest against the violence perpetrated by the Catholic Church. This single act cemented O'Connor's place as a fearless voice and activist that would later push even further as Sinéad became an advocate for HIV/AIDS awareness, the LGBTQ community and abortion rights. Here in *Nothing Compares to You*, a renowned and multi-generational group of women and non-binary authors come together to pay tribute to O'Connor's impact on our world and in their own lives and development as humans and artists. *Nothing Compares to You* is a loving and accessible reconsideration and entry point for understanding the Irish icon. Exploring themes such as gender identity, spirituality, artistic expression and personal transformation, this collection shows that Sinéad's voice continues to ring on even after her death and brilliantly illustrates the power of creative expression to inspire far beyond any presumed lines of age, culture or class. Touré, 2021-08-24 The real Prince in the words of those who knew him best from award-winning author Touré, one of the rare oral histories I'd recommend as an introduction to its subject. The author's interview skills and his trusted status in the Prince orbit mean that his book, based on decades of interviews, is full of revealing insights into Prince's life and work. Jay Gabler The Current *Nothing Compares 2 U* is an oral history built from years of interviews with dozens of people who were in Prince's inner circle, from childhood friends to band members to girlfriends to managers to engineers to photographers and more, all providing unique insights into the man and the musician. This revelatory book is a deeply personal and candid discussion of who Prince really was, emotionally, professionally and romantically. It tackles subjects never before discussed, including Prince's multiple personalities, his romantic relationships, his traumatic childhood and how it propelled him into his music career and how he found the inspiration for some of his most important songs including *Purple Rain*, *Starfish* and *Coffee*, and the unheard *Wally*. *Nothing Compares 2 U* paints the most complete picture yet written of the most important and most mysterious artist of his time. *The Real Sinéad O'Connor* Ariane Sherine, 2024-11-30 Sinéad O'Connor, renowned for her angelic voice and activism, overcame a tumultuous upbringing to become a global protest singer and advocate for social justice. Sinéad O'Connor achieved worldwide success as an angel-voiced, shaven-headed Irish singer of heartfelt songs, but she was far more than just a pop star; she was also an activist and a survivor. Reeling from a troubled childhood at the hands of her violent mother, she spent 18 months living in a former Magdalene Laundry due to her truancy and shoplifting and suffered her mother's death in a car crash all by the age of 18. Her pain, anger and compassion would turn her into one of the world's greatest protest singers and activists. She would release ten studio albums during her 36-year music career, the second of which, *I Do Not Want What I Haven't Got*, would reach number 1 across the world and earn her ten million pounds, half of

which she gave to charity During this time she would also advocate for survivors of child abuse and racism and stand up for the LGBT community and women s reproductive rights Most notably she would tear up a picture of Pope John Paul II during an episode of Saturday Night Live in order to protest at child sex abuse within the Catholic church creating headlines around the world and derailing her career Featuring six exclusive interviews with friends and peers who knew her this is the true story of her extraordinary and courageous journey Poetry of a Life Sharon Romero,2021-07-20 The book is about love marriage children war betrayal and music The author attempts to invoke feelings with her writing She believes others can relate to her selection of poetry She would like to share with others her own measure of love happiness and disappointment She hopes you will love her book on poetry and that it will speak to your heart with insight empathy and encouragement She also believes you can grasp your own meaning about her selection of poetry and as it may relate within yourself
