Suffering Is Optional Cheri Huber, 2024-03-20 *Suffering Is Optional* Three Keys to Freedom and Joy centers around three basic aspects of Zen practice pay attention believe nothing and don't take anything personally As ending suffering requires that one sees how suffering happens the book urges readers to be willing to be quiet and pay attention to the process of suffering in an effort to see each moment as an opportunity to step beyond illusion into freedom It also argues that examining beliefs abandoning them and returning attention to the present is essential to ending suffering as is living in the awareness that nothing in the universe is personal

The Big Bamboozle Cheri Huber, Ashwini Narayanan, 2019-03-11 Zen techniques from a renowned Zen teacher to derive greater satisfaction from life Are you making choices that are supposed to give you what you want but leave you feeling unfulfilled and disappointed This new book is based on the Buddha's teachings and the practice of Zen and breaks

down the structures of this karmic process Written in a humorous and lighthearted style it illustrates through essays stories and examples what keeps us from choosing well being love happiness and joy as our life experience In addition the book contains a full year of practical exercises and nuggets of wisdom from those who have practiced with these teachings **Be The Person You Want to Find** Cheri Huber,2022-12-12 Everything we encounter can help us see who we are if we know how to look Our clearest mirrors and most difficult challenges are often other people those wonderful nagging kind selfish thoughtful lazy sweet arrogant people Becoming aware that what we see in others is a part of who we are is the first and most powerful step on the journey of self discovery This is not a typical how to book on solving your relationship problems The focus here is awareness responsibility clarity and freedom **I Don't Want To, I Don't Feel Like It** Ashwini Narayanan,Cheri Huber,2024-05-29 Whether it s a choice such as a class we ve signed up for or a chore we feel we have no choice about resistance a voice in the head saying I don t want to I don t feel like it can rocket us from commitment to inaction in a matter of seconds Employing the tenets of Zen Awareness Practice the book provides numerous exercises and tools for working through resistance It reveals how the voice of resistance operates in everyday life the many forms it takes and how to be free of it Transcending resistance is a practice of recognizing it as a process that happens to everybody and not taking it personally How to Get from Where You Are to Where You Want to Be Cheri Huber,2000-10-01 Discover how to increase your awareness and find the happiness you seek with zen teacher Cheri Huber Each of us has everything we need to overcome whatever obstacles we encounter Anyone can do it it just takes willingness and practice In the straightforward engaging style for which she is known Zen teacher Cheri Huber presents a process for getting where you want to go in life This process which is based on Zen awareness training is explained here in ordinary language It is demonstrably effective for all who are willing to look honestly at themselves This fascinating book tells you precisely how to examine an issue that is causing you difficulty how to discover the source of the challenge and how to free yourself from the suffering that is created Step by step you will be able to follow this path to freedom Each step is illustrated with examples from Cheri s life and spiritual practice as well as from problems that students bring to her Additionally each step includes a survey in which readers explore their own experiences emotions beliefs and patterns of behavior **Making a Change for Good** Cheri Huber,2007-03-13 According to Zen teacher Cheri Huber we are conditioned to think that if we were only a little better in some way we would be happy Life isn t the way it should be and it s my fault But Huber says no amount of self punishment will ever make us happy or bring us control over life s problems The help we are looking for is really found in self acceptance and kindness toward ourselves By simply allowing ourselves to be guided by our innate intelligence and generosity which are our authentic nature we are able to be compassionately present to what s happening now Compassionate self discipline the will to take positive steps in life is found through nothing other than being present When we are present and aware we are not engaged in distracting addictive behaviors If we simply cultivate our ability to pay attention and focus on what is here in

this moment our experience can be authentic awake honest and joyful The book includes a guided thirty day program of daily meditation contemplation and journaling For more information on the author Cheri Huber visit her website at www.cherihuber.com *When You're Falling, Dive* Cheri Huber, 2024-12-16 When You re Falling Dive combines the psychological concept of acceptance with Buddhist teachings providing useful tools for looking at how suffering happens and how to let that go The book is written in three parts What Acceptance Is and Why We Resist How to Accept Acceptance Freedom and Possibility The primary themes are threefold accepting what life brings learning to recognize what acceptance is and discerning one s psychological mechanisms that stand in the way of being able to accept Five practices for mentoring oneself to overcome resistance are included 1 Lower your expectations 2 learn to see who is here 3 create for yourself a Q A mini workbook 4 prove to yourself that you are doing nothing wrong and 5 realize the uselessness of comparing yourself to others
