Nothing More Than Murder:

Nothing More Than Murder Jim Thompson, 2011-12-25 Joe Wilmot can't stand his wife Elizabeth But he sure loves her movie theater It's a modest establishment in a beat down town but Joe has the run of the place and inside its walls he's king Without the theater he'd be sunk Without his leadership the theater would close in a heartbeat If it isn't the life Joe imagined for himself at the very least it's livable Everything changes when Joe falls for the housemaid Carol and the two can't keep it a secret from Elizabeth Elizabeth won't leave Joe the theater unless he provides for her but he's put all his money into the show house Carol and Joe's only hope is the life insurance policies they've taken out on each other If one of them were to be presumed dead they'd have more than enough money to solve all their problems No one knows murder better than Jim Thompson and in this incisive foray into the dark dealings of the mid 20th century movie industry he doesn't disappoint in the riveting story of a love triangle gone horribly wrong and just how far one man will go to hold on to a desperate dream
