**Intertextuality in Music** Violetta Kostka, Paulo F. de Castro, William A. Everett, 2021-06-17 The concept of intertextuality namely the meaning generated by interrelations between different texts was coined in the 1960s among literary theorists and has been widely applied since then to many other disciplines including music *Intertextuality in Music Dialogic Composition* provides a systematic investigation of musical intertextuality not only as a general principle of musical creativity but also as a diverse set of devices and techniques that have been consciously developed and applied by many composers in the pursuit of various artistic and aesthetic goals *Intertextual techniques as this collection reveals have borne a wide range of results such as parody paraphrase collage and dialogues with and between the past and present In the age of sampling and remix culture the very notion of intertextuality seems to have gained increased momentum and visibility even though the principle of creating new music on the basis of pre-existing music has a long history both inside and outside the Western tradition The book provides a general survey of musical intertextuality with a special focus on music from the second half of the twentieth century but also including examples ranging from the nineteenth century to the second decade of the twenty-first century The volume is intended to inspire and stimulate new work in intertextual studies in music*

**A Series of Unfortunate Events: The Notorious Notations** Lemony Snicket, 2006-02-21 This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr Snicket's archives This journal is resilient enough to hold even the most revolting revelations from any budding young researcher or writer in disguise Consumable

**Music, Encounter, Togetherness** Nicholas Cook, 2024-04-23 Modern Western musical thought tends to represent music as a thing a pattern a structure even an organism than as a human practice *Music Encounter Togetherness* focusses on music as something people do as a mode of encounter between individuals and cultures and as an agent of interpersonal and social togetherness It presents music as a utopian dimension of everyday life

**Heritage Music & Entertainment Auction #7006**, *Crossover Fiction* Sandra L. Beckett, 2010-11-24 In *Crossover Fiction* Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred
