Nouveau manuel complet d'architecte des monuments religieux ou Traité d'application pratique de l'archéologie chrétienne a la construction, a l'entretien, a la restauration et a la décoration des églises Jean-Philippe Schmit, 1845 **Nouveau manuel complet de l'architecte des monuments religieux, ou, Traité d'application pratique de l'archéologie chrétienne ...** Jean Philippe Schmit, 1859 *Religion, Colonization and Decolonization in Congo, 1885-1960. Religion, colonisation et décolonisation au Congo, 1885-1960* Vincent Viaene, Bram Cleys, Jan De Maeyer, 2020-10-30 Religion in today's Democratic Republic of Congo has many faces from the overflowing seminaries and Marian shrines of the Catholic Church to the Islamic brotherhoods from the healers of Kimbanguism to the

televangelism of the booming Pentecostalist churches in the great cities from the Orthodox communities of Kasai to the invisible Mai Mai warriors in the brousse of Kivu During the colonial period religion was no less central to people's lives than it is today More surprisingly behind the seemingly smooth facade of missions linked closely to imperial power faith and worship were already marked by diversity and dynamism tying the Congo into broader African and global movements The contributions in this book provide insight into the multifaceted history of the interaction between religion and colonization The authors outline the institutional political framework and focus on the challenge that old and new forms of slavery entailed for the missions The atrocities committed at the time of the Congo Free State became an existential question for young Christian communities In the Belgian Congo after 1908 more structural forms of colonial violence remained a key issue marking religious experiences And yet religion also acted as a bridge The authors emphasize the role intermediaries such as catechists or medical assistants played in the African appropriation of Christianity They examine the complex interaction with indigenous religious beliefs and practices and zoom in on the part religions played in the independence movement as well as on their reaction to independence itself Coming at a moment when Belgium confronts its colonial past this volume provides a timely reassessment of religion as a key factor

Menger, 2014-06-16 Creative work is governed by uncertainty So how can customers and critics judge merit when the disparity between superstardom and obscurity hinges on minor gaps in ability The Economics of Creativity brings clarity to a market widely seen as either irrational or so free of standards that only power and manipulation count

Histoire contemporaine des paysages, parcs et jardins Jean-Pierre Le Dantec, Tangi Le Dantec, 2019-11-27 L'art des jardins et des paysages accompagne au rythme des mutations profondes de la société la transformation de la France en un univers urbain mondialisé et confronté des crises dites notamment d'ordre environnemental La confrontation historique entre les partisans d'une beauté libre et naturelle et ceux d'une expression fondée sur la rationalité technique et géométrique se constamment renouvelée au point d'en brouiller la pertinence Elle s'efface désormais au profit de nouveaux enjeux liés à la définition du cadre de vie et aux exigences de survie des écosystèmes Cet ouvrage présente l'histoire des jardins et du paysage en France aux époques moderne et contemporaine en s'appuyant sur une riche iconographie constituée de photographies, croquis et gravures Il retrace leur évolution influencée par des courants artistiques majeurs le néo-classicisme des XVIII^e et XIX^e siècles, les jardins d'Espagne et du Maroc avec Forestier les jardins modernes cubistes ou art déco de Jacques Simon et le renouveau de l'art paysager etc jusqu'aux développements contemporains qui en font des lieux d'expérimentation de formes artistiques nouvelles et de techniques horticoles écologiques comme la permaculture ou la phytoremédiation Il montre ainsi quel point l'art des jardins et paysages est un art capital qui tout en conservant sa vocation première de création de beauté partiellement naturels se met au service d'un dessein plus large visant la gestion, l'aménagement et la création des territoires
