November Murders:

The Burger Chef Murders in Indiana Julie Young, 2021-05-10 The cold case that put Speedway Indiana on the map What may be the definitive public accounting of the murder mystery that still resonates today Fox59 The evening of November 17 1978 should have been like any other for the four young crewmembers closing the Burger Chef at 5725 Crawfordsville Road in Speedway Indiana After serving customers and locking the doors for the night the kids began their regular cleanup to ready the restaurant for the following day But then something went horribly wrong Just before midnight someone muscled into the place robbed the store of 581 and kidnapped the four employees Over the next two days investigators searched in vain for the missing crewmembers before their bodies were discovered more than twenty miles away The killer or killers were never caught Join Julie Young on an exploration of one of the most baffling cold cases in Indiana history Young doesn't try to solve the murders Instead her goal is to make sure no one forgets the victims IndyStar

Unsolved Child Murders Emily G. Thompson, 2017-11-28 An estimated 800 000 children are reported missing each year in the United States Only one in 10 000 are found dead Yet unsolved child murders are almost a daily occurrence of nearly 52 000 juvenile homicides between 1980 and 2008 more than 20 percent remain open Drawing on FBI reports police and court records and interviews with victims families this book provides details and evidence for 18 unsolved cases from 1956 to 1998

The Poison Murders of Jack the Ripper R. Michael Gordon, 2014-01-10 Considered a primary suspect in the unsolved Jack the Ripper murders Polish born Severin Antoniovich Klosowski also gained considerable notoriety as The Borough Poisoner of Southwark in the late 1800s Within a span of five years Klosowski took on three women as his wives and lethally poisoned each with deadly doses of antimony This study of Klosowski's murders of Mary Spink Elizabeth Bessie Taylor and Maud Marsh includes extensive accounts of the individual crimes the accompanying investigations and Klosowski's conviction and execution The final chapter examines intense police and media speculation that Klosowski may also have been the unidentified serial killer Jack the Ripper citing period news articles and more recent developments in the notorious case One appendix provides a detailed timeline of Klosowski's poison period from 1892 to 1903 **The Mystery Fancier (Vol. 4 No. 6) November/December 1980** Guy M. Barri Flowers, H. Loraine Flowers, 2004-01-01 From the assassination of President William McKinley on September 6 1901 to the mass killing at Columbine High School on April 20 1999 the 20th century saw many murderous events that are difficult to contemplate but have become a part of the national history This reference book is divided into three parts Part One arranged chronologically details 53 of the most famous murder cases of the 20th century in the United States In Part Two over 300 entries

alphabetically arranged by criminal provide descriptions of crimes and are subdivided into male female and juvenile murderers pair and group murderers hate crime murderers and school killings Part Three features crime events related to over 40 selected victims Cross references guide the reader to additional information An index is included **Satanism and Family Murder in Late Apartheid South Africa** Nicky Falkof,2015-07-04 This book discusses two moral panics that appeared in the media in late apartheid South Africa the Satanism scare and the so called epidemic of white family murder The analysis of these symptoms of social and political change reveals important truths about whiteness gender violence history nationalism and injustice in South Africa and beyond Juvenile Arrests 2006, OJJDP, Juvenile Justice Bulletin, November 2008 ,2009 **The Thames Torso Murders of Victorian London** R. Michael Gordon,2015-10-03 The Thames Torso Murders have been overshadowed by Jack the Ripper and his crimes but were just as brutal and gruesome They began in 1887 in London s East End just north of the Thames River in Rainham England The killer took one victim that year another in 1888 and two more in 1889 He resumed his crimes in 1902 taking his last victim south of the Thames and leaving her body in a pile of dismembered parts as he had done with most of his other victims This work delves deep into the case of the Thames Torso Murders It begins with a look at London in the late 1800s a time of great confusion and tremendous population increase and the killer s path to London which seems to include a murder in Paris in 1886 The book then examines in great detail each murder and the investigation that may have been hindered by the search for Jack the Ripper It also raises the idea that Jack the Ripper and the Torso Murderer may have been the same man Severin Klosowski better known as George Chapman the Borough Poisoner It ends with an examination of Serial Killers the Ripper Torso and Borough Poisoner murder cases the search for clues to the serial killer responsible for the five Thames Torso murders and Wolff Levisohn a dark horse who seems to have known much about all three sets of murders testified at Chapman s murder trial and then faded away as Chapman was sent to the gallows Manx Murders Keith Wilkinson,2012-04-27 A beautiful island lying in the northern part of the Irish Sea between England Scotland Ireland and Wales the Isle of Man was once a popular holiday destination It is perhaps better known today for the TT motorcycle races held there its tailless cats and Manx kippers However it also has its darker side Manx Murders is a collection of gripping and mysterious murder cases committed on the Island over the last 150 years from the brutal slaying of a spinster one dark night on a lonely track near Ramsey to the infamous Golden Egg Murder in central Douglas The cases that have caused shock and sensation throughout two centuries of the Island s history are recorded here as the author reveals the events behind the last hanging on the Island a deathbed confession the harrowing story of a murderous father and the cases that remain unsolved to this day The Island s political importance as a wartime holding area for prisoners of war is also explored through the account of a bizarre seemingly motiveless killing in 1916 and the stabbing of a Finnish prisoner during the Second World War Using information obtained from newspapers inquest records and trial transcripts whenever these were available each murder is described against the backdrop of contemporary

events to give the reader a distinct flavour of life at the time of the crime While each case is unique all share an overwhelming sadness and tragedy that will never be forgotten *The Reporting of Ned Kelly and the Kelly Gang* Trudy Truhill, 2015-07-27 At the time Ned Kelly's bushranging exploits were the biggest news story in the country From 1869 to 1910 numerous newspaper articles were published on him The Reporting of Ned Kelly and the Kelly Gang is a compilation of these articles which tell this historic story as it was read by the nation over a century ago Each article gives a remarkable insight into the world of Ned Kelly and the Kelly Gang They also offer the reader a greater appreciation for what it was like for the men who had the arduous and often dangerous job of tracking them in the harsh and unforgiving Australian bush These brave men were known as The Kelly Hunters These articles also contain transcripts and interviews from numerous hostages who were held captive by Ned Kelly and the Kelly Gang These personal accounts offer a greater understanding into what these victims endured Today Australia's bushranging history is often romanticised and Ned Kelly is considered one of Australia's greatest folk heroes However at the time the media painted him in a very different light The Reporting of Ned Kelly and the Kelly Gang is a fascinating read that provides a remarkable insight into the feelings of a nation caught in the middle of these tragic events
