I Welcome Jesus Mary Clare Wareham, 2020-05-13 Every year thousands of Catholic children worldwide make their First Holy Communion They are prepared for this important event through religious education programs in their schools parishes or families The intellectual formation children receive is extremely important Nevertheless it can easily overlook the spiritual preparation of the child s heart that needs to be fully open in order to truly meet Jesus First Communion is the beginning of a lifelong personal relationship between the child and Jesus in the Holy Eucharist This Sacrament is the primary source of the graces we all need for growth in holiness I Welcome Jesus is a book written especially for children of First Communion age that appeals to their growing sense of what is good true and beautiful It is an updated greatly expanded version of a 1952 classic novena booklet and its companion prayer book for First Communicants For nine days prior to First Communion the child prepares by striving to practice each day a different virtue associated with a particular flower The book presents to the child a metaphor by comparing their heart to a beautiful garden that will be full of flowers for Jesus on First Communion day By linking a particular flower with a virtue to be practiced children are challenged to grow in spiritual readiness to receive their Eucharistic King On the day of their First Communion they may even wear a little corsage or boutonniere made of these flowers as a symbol of their efforts The author s knowledge of the way in which each flower relates to its associated virtue enhances the original version of the book In addition her sense of beauty and artistic training

lend an added visual touch of charm to the book in the form of her color photographs and watercolors of the nine flowers used in the novena I Welcome Jesus includes poetry and prayers that speak directly to children's tender and innocent hearts a book they will treasure as a memento of this day and use repeatedly continuing to plant the seeds of virtue that can grow into a lifetime of holiness *A Novena of Holy Communion* Rev. B. Rosario, 1939 **The Hidden Treasure** St. Leonard of Port Maurice, 2012 This book describes the great spiritual power of the Mass how it holds back the wrath of God its wonderful eternal and temporal benefits and several excellent ways to pray at Mass Hidden Treasure is the prototype book on the Mass for all other books on the same subject others basically repeat what this small book contains The Incredible Catholic Mass Martin Von Cochem, 1997 An absolute revelation to most Catholics Based on the Traditional Latin Mass but actually about the essence of the Mass itself Shows it is not just a prayer but a powerful sacrifice given to us by Almighty God to fulfill all our spiritual needs You will divide your life into before and after you read this book Going to Mass will never be the same again once you appreciate the significance of every Mass as explained by this book Every Catholic needs to read this Impr *Christmas in Heaven* Cecelia Leeman, 2005-12 This book tells the true story of the tragic unexpected death of my daughter Laura on Christmas Eve During her twenty one years of life I always tried to protect her Her death made me feel so helpless I was at the mercy of the unknown This cancer eating pain in my heart was destroying me She was not of earth anymore so now I began to desperately search all of creation to find her I could not rest until I had answers Did I really need to find God Do angels really come and assist us Do miracles really happen Do dreams really take you into another dimension Was Laura trying to reach out to me beyond the boundaries of death I was bewildered to see the hustle and bustle of the world survived the death of my daughter Why did she have to die Was she alive in another dimension or was she just dead A child cannot die and expect a mother to live Then I attended an apparition of Blessed Mother which changed my life Through this conversion of faith that I attained I found answers and the pieces of the puzzle started to fit together *Visits to the Blessed Sacrament* St. Alphonsus Liguori, 2001-01-02 After she died St Theresa of Avila appeared to one of her nuns and said There should be no difference as far as purity and love are concerned between the blessed in Heaven and the faithful on earth though we are perfectly happy and you are suffering What the Divine Essence is to us in Heaven the Blessed Sacrament should be to you on earth Here then says St Alphonsus is our heaven on earth the Most Blessed Sacrament This book was conceived and written to help us grow in the knowledge and love of God and in appreciation for what He has done for us by giving us the Blessed Sacrament For each of the 31 days of the month St Alphonsus provides for us a Visit to Our Lord which is a brief meditation on and a fervent prayer of love toward Jesus in the Most Blessed Sacrament Each Visit to Our Lord is followed by a Visit to Our Lady The latter are short meditations on and prayers of great confidence in her powerful help even for the most wretched and forsaken sinners At each Visit the reader is to make an Act of Spiritual Communion which will help enflame his heart with greater love of God Through this little book St Alphonsus leads a person

to appreciate Our Lord's great love for us in the Blessed Sacrament to love Him in return and to consecrate his life to Him
Visits to the Blessed Sacrament by St Alphonsus Liguori is a perennial favorite among Catholic prayerbooks as well as one of the most famous and best loved Catholic books ever published *On the Edge of Grace* Christine Watkins, 2004-08 ON THE EDGE OF GRACE Mystical Stories of True Transformation Sometimes as human beings we find ourselves on the edge of grace At that edge an abyss falls away before us and we are helpless not to tumble into it unless grace reaches out and saves us We do not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary's presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person's life and perhaps to our own
