Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject *Reclaiming History* Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling *Outrage* Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission *Reclaiming History* is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense *Dallas 50 Years On: The Murder of John F. Kennedy* Blaine Taylor, 2014-03-27 JFK had won the Presidency in 1960 by a razor thin majority and his re election campaign for 1964 was expected to be as close He began it in November 1963 with a kick off multi city four day swing across the important state of

Texas It was going unexpectedly well when shots were fired into his triumphant motorcade in downtown Dallas that ripped history apart changing it forever The assassination of American President John F Kennedy in 1963 came at the very height of both the Cold War following the Second World War and the Pax Americana that was thought to exist at the war s conclusion in 1945 The United States and its allies possessed a far greater number of nuclear weapons than their Soviet adversaries but the latter could unleash World War 3 and a nuclear Armageddon that would destroy them all The sudden and totally unexpected murder in broad daylight in an American city of one of the most popular presidents in history was the murder mystery of the 20th century The Cold War could have become hot and nuclear within minutes The murderer had to be found and vital questions had to be answered quickly Who did it why and who ordered Kennedy s assassination Was the deed part of a conspiracy foreign domestic or both Were none of the these questions part of the bloody puzzle and was it entirely possible that only one man was responsible The questions remain to this very day and Dallas Fifty Years On The Murder of John F Kennedy reveals sensational new evidence eyewitness accounts and top secret documentation November Patriots Constance Kritzberg,Larry Hancock,1998-06-01 **General Walker and the Murder of President Kennedy** Jeffrey H. Caufield, M.D. ,2015 In General Walker and the Murder of President Kennedy The Extensive New Evidence of a Radical Right Conspiracy author Jeffrey H Caufield explores the forces which led Oswald to be in Dallas that day Dr Caufield applies acquired academic methodology in rigorously researching the story through public records private correspondence and a number of sources not available to the general public until the Freedom of Information Act released them *The Radical Right and the Murder of John F. Kennedy* Harrison E. Livingstone,2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone s major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr

Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw s law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw s book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone s major work on the medical evidence High Treason 2 were JAMA s targets and the depositions contain much discussion of Mr Livingstone s major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century Decoding the Forgery of the Zapruder Film *Investigation of the Assassination of President John F.
