Stephen Badman,2015-01-12 Tales from Denmark is a collection of stories hitherto unavailable to English speaking audiences
Recorded at source by Danish folklorist Evald Tang Kristensen towards the latter part of the 1800s They were told to him by

times The stories are brim full of shrewd observations humour invention down to earth advice and are as fresh and relevant
today as when they were told over a century ago *My Hardcover Book* Buck Jones,2015-06-07 I had a dream one night An
old man in skins and leather was drinking tea and sitting beside a fire when he told me this story His name was Kazak and
this is part of what he told me He was a simple man who has a great love on his life s journey He touched many people in his
journey through life and learned many things Oh and he was over 32 000 years old This is a love story set in the beginning of
man s rise to domination Kazak is a special man with a love that makes his life worthwhile A group of people start stealing
the lives and stores of whole villages Taking everything and leaving only fear Kazak must protect his people and his woman
He does this with new friends and by watching others and learning from what he sees Will he be able to bring different
people together and defeat the Raiders of lives and the slaves *The Complete Collected Works of Dr. Phineas Parkhurst*
