Now And Then A Memoir Of Vocation:

Contemporary Fiction and Christianity Andrew Tate, 2010-10-12 **Now and Then** Frederick Buechner, 2010-12-07 A celebrated author shares his personal and professional journey in this moving memoir Buechner invites readers to listen to their own lives and touch taste smell your way to the holy and hidden heart of it Strikes to the heart Unpreachy meditations on life and Christianity at its most profound People Magazine Work Worth Doing Tom Heetderks, 2020-04-07 Find More Than Just a Job Are you in college just starting in the workforce or simply trying to figure out what to do with your life Keep reading We all need to pay bills and keep a roof over our head but real satisfaction comes when we pursue careers filled with meaning and purpose according to God's plan for our lives No matter where you're at now you can find that kind of fulfillment in a career This book will show you how Here's a hint It's less about the kind of work you do but how you do it and whom you're doing it for Once you understand the why behind work you'll be able to move forward in a career with confidence be prepared to embrace change and be equipped to approach your job with a whole heart one that is fully submitted to God and ready for what He's called you to do That is truly work worth doing **The Depositions** Thomas Lynch, 2019-11-26 Foreword by Alan Ball Elegant respectful and refreshingly funny New York Times Book Review Editors Choice For nearly four decades poet essayist and small town funeral director Thomas Lynch has probed relations between the literary and mortuary arts with a signature blend of memoir meditation gallows humor and poetic precision The Depositions offers a wry and compassionate selection from Lynch's four previous collections of nonfiction along with new essays shaped by the press of the author's own mortality Surprised by Faith Joy McBride, Daryl McCarthy, Bob VanderVennen, 2009-03-26 Surprised by Faith celebrates the 75th anniversary of C S Lewis kicking and screaming his way into Christianity his 1931 conversion Lewis described himself as the most dejected and reluctant convert in all England But a convert nonetheless surprised by joy This volume was inspired by Lewis's autobiographical account of the life events which led to his coming to faith an event that had a profound effect on his work and his relationships In Surprised by Faith Lewis's conversion is explored as both a rational quest for truth and a romantic quest for meaning This collection of essays commemorates Lewis's conversion but also celebrates examines and discusses what conversion means to us as scholars academicians and most importantly as human beings It's a kind of conversation about conversion The conversation's participants are individuals from a variety of backgrounds who themselves have been converted in the classic Christian sense Surprised by Faith hopefully will challenge the reader to think more deeply biblically and theologically about the transformation that takes place in each life that embraces Christ and moves from unbelief to belief The essays look at the influence of conversion on perspectives as they relate to various disciplines such as anthropology poetry psychology education philosophy and culture *For God's Sake* Antony Loewenstein, Jane Caro, Rachel Woodlock, Simon Smart, 2013-07-01 Four Australian thinkers come together to ask and answer the big questions such as What is the nature of

the universe Doesn't religion cause most of the conflict in the world and Where do we find hope We are introduced to the detail of different belief systems Judaism Christianity Islam and to the argument that atheism like organised religion has its own compelling logic And we gain insight into the life events that led each author to their current position Jane Caro flirted briefly with spiritual belief inspired by 19th century literary heroines such as Elizabeth Gaskell and the Brontë sisters Antony Lowenstein is proudly culturally yet unconventionally Jewish Simon Smart is firmly and resolutely a Christian but one who has had some of his most profound spiritual moments while surfing Rachel Woodlock grew up in the alternative embrace of Baha'i belief but became entranced by its older parent religion Islam Provocative informative and passionately argued *For God's Sake* encourages us to accept religious differences but to also challenge more vigorously the beliefs that create discord

Abba, Give Me a Word L. Roger Owens, 2012-03-01 I challenge you to get through a chapter of this book without a desire for God being struck in your soul Roger Owens wears his brilliance lightly and loves words tenderly and lavishly in these pages He is ferociously gifted and fast becoming one of the abbots to whom the reading church often turns for a word from the Lord Jason Byassee senior pastor of Boone United Methodist Church and Fellow in Theology Leadership at Duke Divinity School With a style and warmth of presentation that will remind readers of Henri Nouwen's most popular work *Abba Give Me a Word* interweaves the author's personal stories of struggle and transformation with reflections on the history and purpose of spiritual direction The result is a wise introduction to an ancient art and practice of soul care directed at Christians of all backgrounds

Calling and Clarity Doug Koskela, 2015-01-15 Young adults often encounter mixed messages about vocation from their families friends and churches On the one hand they are encouraged to look at their gifts and passions to discern their particular calling on the other hand they are told that God may ask something of them that they don't want to do or aren't prepared for The discontinuity between these messages has led to frustration for many Seeking to ease that frustration with this book Doug Koskela carefully distinguishes between missional calling direct calling and general calling Koskela clarifies the relationship between gifts passions and vocation even as he offers practical guidance for the process of vocational discernment This is a book for those who want to use their time energy and abilities faithfully as they move with purpose toward the future Watch a 2015 interview [here](#)
