Now That I Know Which Side Is Up:

Upside Down Verses Right Side Up Steven Allen, 2018-08-07 This is a book written out of an observation of the great need for God's full truth to be proclaimed as never before. The word of God, the Bible, His truth is not matching the lifestyles of many proclaiming Christians today as we see the end draw near to that promised land. The Lord God has opened my mind up to so many pertinent issues of today. Not in judgment but in need of checking our short accounts before the Lord God Almighty. God has a schedule and though Satan does not know the hour or the day just as we do not, he knows the seasons and is in full attack mode to deceive and destroy. As this world seems to be spinning out of control with everything it seems running at warp speed, God has never been out of control and never will be. We need like never before to fix our eyes on Him and His word of truth if we are to survive in the chaos of today. Record number of young adults are today leaving the church and it's easy to see why when you look at all the hypocrisy that they are seeing in reference to God's truth. In how we are living our lives as if this world is our hope. And to all the compromise of today. It's important that we don't take observation as judgment but that we examine our lives unto the full word of God. Not to just live in a form of legalism and rules but living in the grace of God and living that grace out, not taking advantage of that grace. It should never be about judgment but encouragement to running the race as to win the prize. This is my motivation. Complacency in living in half truth is not truth at all.

Moving Up Eli Djeddah, 1971 Drawing from his experience in employment counseling, the author presents a step by step program for job relocation and advancement and analyzes varied approaches to the job market. What Now, Emma Lenford? Kari Lynn M., 2018-02-11 Waking up in a deserted Wisconsin woods surrounded by masked members of a family witch gang at three a.m. on a school night. Check. Becoming captured by a deeply demented elder alongside the one member of society that you probably despise the most. Yep, check. Emma Lenford's life hasn't been this heart stopping since she spotted Jon Bon Jovi's tour bus at the local 7 Eleven. Written as a series of seriously ill fated situations. What Now Emma Lenford is like a sit com that takes the death defying to the level of detrimentally hilarious. Although Ashe is stationed at the Academy near Syd, he has it no better. While his professional life goes up in smoke, Lacy, his ex-girlfriend, will stop at nothing to get him back. Just when Ashe believes that his dream of becoming the next Prime Leader might still be on the horizon, fate rears its ugly head. In an event that will tip the balance of power in the Dragonborn world, Sydney is kidnapped from under his nose. Kept drugged in a prison cell, Sydney meets the Dragonborn that have been following her. Although they're treating her well, she knows they're after one thing: a Prime baby. Amidst a growing rift among the Briony Dragonborn, Ashe
