Mastering Police Leadership Harry W.,2010-12-29 The success of any police organization stems from the strength of its management Experts emphasize that true effectiveness begins with first line supervisors Leading law enforcement agencies recognize these supervisors as a vital link in the overall management process

Effective Police Supervision Harry W. More,Larry S. Miller,2010-12-29 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager Effective Police Supervision is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams NEW THIS EDITION This revised and updated edition has a new chapter Homeland Security and Terrorism A Changing Role New material has been added throughout the textbook on the following topics characteristics of an effective coach mentoring work values unions dealing with change supervisory styles empowerment SARA identifying stakeholders dealing with Limited English Proficient individuals intercultural communication and equity theory The case studies and references have been thoroughly updated and expanded Each chapter opens with a case study to illustrate the concept and includes key terms Contains a new chapter on homeland security and terrorism and how they are changing the role of the police supervisor Used nationwide for police promotional exams *Public Library Catalog* Juliette Yaakov,2004
