Lamo-Jiménez, 2005 In this collection seven bilingual stories showcase the richness of Latin American folklore fantasy and fiction Latin American literature is rooted in the history and culture of the world from which it arises and this book explores many facets of those roots within everyday occurrences historical events and traditional folk stories sometimes using imaginary characters in real situations and other times real characters in fanciful situations Transporting readers to such places as the Amazon jungle and nineteenth century Bogotá or through epic events of the Latin American War of Independence the author has compiled researched and invented stories by turns whimsical and deeply moving and has cast them with a dose of his own imagination in an agile poetic language that keeps readers enthralled from start to finish Whatever the subject matter be it a fictitious chihuahua a breed native to Latin America a fresh batch of tamales an Amazon legend a pirate maker a hero of Latin American independence a generations old priest's tale or a magnificent journey through Andean topography the author leads us in among the intertwining roots of Latin American life and shows us its reality through a different prism one in which the everyday is fantastical and fantasy seems commonplace *Las Aventuras del Capitán Mof y Sus Amigos* E Liliانا Díaz Díaz, 2012-08 En las aguas del Mundo Mascota navega el Capitán Mof el perro pirata más valiente de todos los animales Junto con su tripulación perro se embarca en diversas aventuras a todo lo largo de los siete mares para evitar que animales como el Palomo Malvado el Doctor Chihuahua o el Barón Miauhausen controlen al Mundo Mascota Además no viene solo Le acompaña de algunos amigos que desde el polo norte los
