The Separation of Powers in the Contemporary Constitution Roger Masterman,2010-12-02 In this 2010 book Roger Masterman examines the dividing lines between the powers of the judicial branch of government and those of the executive and legislative branches in the light of two of the most significant constitutional reforms of recent years the Human Rights Act 1998 and Constitutional Reform Act 2005 Both statutes have implications for the separation of powers within the United Kingdom constitution The Human Rights Act brings the judges into much closer proximity with the decisions of political actors than previously permitted by the Wednesbury standard of review and the doctrine of

parliamentary sovereignty while the Constitutional Reform Act marks the emergence of an institutionally independent judicial branch Taken together the two legislative schemes form the backbone of a more comprehensive system of constitutional checks and balances policed by a judicial branch underpinned by the legitimacy of institutional independence

Feminist Perspectives on Public Law Susan Millns, Noel Whitty, 2013-03-04 Feminist scholarship can provide public lawyers with the critical tools and insights to respond to these new challenges This collection begins a dialogue between public law and feminism by offering a range of perspectives on contemporary public law themes and topics **Text, Cases and Materials on Public Law and Human Rights** Helen Fenwick, Gavin Phillipson, 2013-03-04 Building on the strengths of the Sourcebook on Public Law this book has been comprehensively revised to take account of the radical programme of constitutional reform introduced by the Labour Government since 1997 Britain's Developing Constitution Peter Bromhead, 2021-11-21 The 1970s era of rapid change economic and social made constant demands on the adaptability of a constitutional system The work of the State expanded and the expansion was at several levels delimited by the requirements of geography Britain's constitutional system has two aspects one essentially theoretical concerning such questions as the nature of sovereignty prerogative powers and the rights and duties of citizens the other concerning the way in which the business of government is carried on how people who make political decisions are chosen how their activities are subject to checks and influence by the representatives of public interests formal and informal Originally published in 1974 this book deals with the second of these aspects It identifies the changes in constitutional practice which had taken place in the previous two decades and the trends which could be discerned at the time It has four main sections The first deals with the changing structure of government itself with the recruitment of ministers the nature of political responsibility and the changes in government departments The second section deals with both Houses of Parliament and particularly with the new forms of parliamentary discussion and criticism The third deals with the process of election including the regulation of propaganda and the use of the mass media The final section deals with the different levels of government including the local the regional and the supra national All through the main concern is with the dynamic aspects of the political constitution This was a really up to date and realistic book on British government at the time and now can be read in its historical context

A Turbulent Time David Barry Gaspar, David Patrick Geggus, 1997-03-22 Stimulating incisive insightful sometimes revisionist this volume is required reading for historians of comparative colonialism in an age of revolution Choice An eminently original and intellectually exciting book William and Mary Quarterly This volume examines several slave societies in the Greater Caribbean to illustrate the pervasive and multi layered impact of the revolutionary age on the region Built precariously on the exploitation of slave labor organized according to the doctrine of racial discrimination the plantation colonies were particularly vulnerable to the message of the French Revolution which proved all the more potent because it coincided with the emergence of the antislavery movement in the Atlantic world and interacted with local traditions of

resistance among the region's slaves, free coloreds and white colonists

Information Rights Philip Coppel KC, 2023-09-21 An essential addition to the bookshelf of any practitioner who has to consider information rights, however often. The book is the best kind of practitioner text: practical and clear but also scholarly, thoughtful and analytical.

Sarah Hannett KC *Judicial Review* Retaining the position it has held since first publication, this is the 6th edition of the leading practitioner text on all aspects of information law. The latest edition includes a substantially enlarged set of chapters on appeals, enforcement and remedies, as well as covering over 250 new judgments and decisions published since the last edition. *Information Rights* has been cited by the Supreme Court, Court of Appeal and the Tribunals and is used by practitioners, judges and all those who practise in the field, including journalists. The new edition maintains its style of succinct statements of principle supported by case law, legislative provisions and statutory guidance. The work is divided into 2 volumes. Volume 1 is a 1,500 page commentary with a comprehensive coverage of the data protection regime, freedom of information and environmental information law, as well as other rights of access to official information such as local government legislation and the Public Records Act. There is detailed coverage of appeal and regulatory procedures. Volume 2 comprises extensive annotated statutory material including the DPA 2018, the UK GDPR, FOIA, Tribunal rules and statutory guidance.

Contributors: James Findlay KC, Olivia Davies, John Fitzsimons, Richard Hanstock and Dr Christina Lienen, all of Cornerstone Barristers; Antony White KC, Sarah Hannett KC, Sara Mansoori KC and Aidan Wills, all of Matrix Chambers; Aidan Eardley KC and Clara Hamer, both of 5RB; Rupert Bowers KC and Martin Westgate KC, both of Doughty Street Chambers; Henry King KC and Bankim Thanki KC, both of Fountain Court Chambers; James Maurici KC and Jacqueline Lean, both of Landmark Chambers; Gemma White KC, Blackstone Chambers; Oliver Sanders KC, 1 Crown Office Row; Saima Hanif KC, 3VB; Jennifer Thelen, 39 Essex Chambers; and Simon McKay, McKay Law.

The Indian Constitution and International Law P. Chandrasekhara Rao, 2023-11-27 This book explains with great thoroughness the basic concepts of international law and examines their relevance to the numerous provisions of the constitution of India which have a bearing on issues of public international law It offers impressive evidence of the increasing body of municipal law with which the student of international law is concerned The book draws heavily on the author's wide practical experience in the fields of international law as well as constitutional law It is an invaluable work of reference to both constitutional and international lawyers

The British Constitution Now Ferdinand Mount, 2011-12-13 In this book the former head of Mrs Thatcher's policy unit looks at the state of the British Constitution at a crucial time in its history arguing that recent years have seen an increased willingness to monitor itself on the part of the Establishment but that more audacious reforms are needed to restore full confidence in Parliament government and the legal system

[The Constitutional State](#) N. W. Barber, 2012-09-27 The Constitutional State provides an original analytical account of the state and its associated constitutional phenomena It presents the state as a form of social group consisting of people territory and institutions bound together by rules The institutions of the state make a distinctive and characteristic claim over the people of the state who in turn have a distinctive and characteristic relationship with these institutions This account reveals the importance of at least two forms of pluralism legal and constitutional It also casts light on some of the more difficult questions faced by writers on constitutions such as the possibility of states undertaking actions and forming intentions the moral significance of these actions for the people of the state and the capacity of the state to carry responsibility for acts between generations
