Dictionary of Popes J. N. D. Kelly, Michael Walsh, 2015-07-23 This fascinating dictionary gives concise accounts of every officially recognized pope in history from St Peter to Pope Francis as well as all of their irregularly elected rivals the so called antipopes Each pope and antipope's entry covers his family and social background and pre-papal career as well as his activities in office Also an appendix provides a detailed discussion and analysis of the tradition that there has been a female pope This new edition reflects the very latest in papal research and contains additional information in the further reading sections of each entry making this dictionary an even more useful starting place for research into specific pontiffs This is a

continuous history of the papacy over almost 2 000 years It reveals how for much of that history spiritual and temporal power have been inextricably mingled in the person of the pope A fascinating read for students of theology and history as well as the general reader with an interest in Christian history The Pope's Soldiers David Alvarez,2011-05-09 Most students of history assume that the age of the warlord popes ended with the Renaissance but long after the victory of Catholic powers at the Battle of Lepanto in 1571 the Papacy continued to entangle itself in martial affairs The Vatican participated in six major military campaigns between 1796 and 1870 flew the papal flag over a warship as late as 1878 and during the Second World War mobilized more than 2 000 of its own troops to defend the Pope David Alvarez now opens up this little known aspect of the Papacy in the first general history of the papal armed forces His is the first book in English to provide a comprehensive chronicle of the modern Vatican's military and security forces from 1796 when the armies of revolutionary France invaded the Papal States through the wars for unification to the present day deployment of modern weapons technology and skills to protect the Holy Father and the Vatican from terrorists and assassins Most papal histories make little reference to military affairs while the few that address them do so only in passing or focus narrowly on particular units or campaigns Alvarez's history expands our understanding of the Papacy's military through the exceptional research he has done as the first American scholar to gain access to the archive of the Pontifical Swiss Guard and the modern military records in the Vatican Secret Archive He is also the first historian of any nationality to use the records of the Vatican Gendarmeria Alvarez chronicles the exploits of the Vatican's military leaders and soldiers in their campaigns and battles focusing on how those units under the Pope's authority including the Vatican navy engaged in actual military operations He also deals extensively with the Vatican Gendarmeria as well as the Pope's Noble Guards Palatine Guards and Swiss Guards describing their distinctive responsibilities and revealing the competition and internal tensions that sometimes undermined the morale preparedness and cohesion of the Pope's guards Filled with information that will surprise scholars of the Papacy and military historians alike Alvarez's highly original work illuminates a shadowy corner of Vatican history and will fascinate all readers interested in the role of the church in the broader world The Pope Anthony McCarten,2019-01-29 THE STORY BEHIND THE SCREENPLAY OF THE TWO POPES THE MAJOR MOTION PICTURE STARRING ANTHONY HOPKINS AND JONATHAN PRYCE From the Academy Award nominated screenwriter of The Theory of Everything and Darkest Hour comes the fascinating and revealing tale of an unprecedented transfer of power and of two very different men who both happen to live in the Vatican In February 2013 the arch conservative Pope Benedict XVI made a startling announcement he would resign making him the first pope to willingly vacate his office in over 700 years Reeling from the news the College of Cardinals rushed to Rome to congregate in the Sistine Chapel to pick his successor Their unlikely choice Francis the first non European pope in 1 200 years a one time tango club bouncer a passionate soccer fan a man with the common touch Why did Benedict walk away at the height of power knowing his successor might be someone whose views might undo his legacy How did

Francis who used to ride the bus to work back in his native Buenos Aires adjust to life as leader to a billion followers If as the Church teaches the pope is infallible how can two living popes who disagree on almost everything both be right Having immersed himself in these men s lives to write the screenplay for The Two Popes Anthony McCarten masterfully weaves their stories into one gripping narrative From Benedict and Francis s formative experiences in war torn Germany and Argentina to the sexual abuse scandal that continues to rock the Church to its foundations to the intrigue and the occasional comedy of life in the Vatican The Pope glitters with the darker and the lighter details of one of the world s most opaque but significant institutions

Christian Ethics Non-violent Resistance Approach to Boko Haram Anthony Okechukwu Nnadi PhD

STD,2024-04-10 The book takes a practical look at the complexity of the nature of violence terrorism in Nigeria in the light of the Catholic social teaching on non violent resistance With the critical analyses of some policies strategies used to address the problem of Boko Haram terrorism in Nigeria the book explores a range of questions Does severe punishment work effectively as deterrence against possible involvement in terrorism Does applying lex talionis reduce or exacerbate recidivism What are the right mechanisms to stop terrorism violence in Nigeria This book is convinced that nothing is resolved through violence and that violence begets violence alluding that responding to terror with terror is a retaliatory method that is self defeating On the whole it has been noted that the principle or law of retaliation Lex Talionis alone cannot stop armed insurgency in Nigeria thus the book suggests non violent resistance as the best way to address terrorism and violent conflicts Non violent resistance does not mean condoning violent attacks against innocent civilians Based on the Christian ethical principles of the dignity of the human person and justice this book explicitly declares that the killing of innocent civilians is absolutely immoral The book explores the use of the term Islamic terrorism and the Islamic ethics of justice peace and nonviolence and underlines that the Islamic core moral principles in no way support terrorism While stating that terrorism is morally wrong this book states that the causes of terrorism must be addressed with justice and fairness On this basis the book insists on critically investigating the following religious extremism corruption bigotry in politics and religion the glaring sense of apathy among the political elite to the suffering of the oppressed and the mismanagement and abuse of political positions or the nation s resources for selfish interest There must be a rethink aimed at finding the best way to build an ethical society a framework for justice and peace

Pilgrim Journeys Ralph Leo Kleiter,2021-11-25 Ralph Leo Kleiter

priest of the Roman Catholic Diocese of Saskatoon Canada shares the unique story of one who experienced the time before the Second Vatican Council 1962 1965 and the following years that energized him With the help of his daily journal files and memory he writes candidly and highlights his steppingstones and turning points In twelve chapters with meticulous details his narrative outlines his rural Saskatchewan formation and religious institutional education the background and interesting events in all the parishes he served and his global experiences and outreach through a Ministry to Tourism he established In several sections the reader will be able to really feel the author s presence within the narrative The most compelling and

intriguing aspects of the author's story are The behind the scenes accounts within church ministry from the pre Vatican II schooling to his faith related struggles within the structures of the church Some readers can attain a deeper appreciation of their role in the church and the author hopes that his story might serve as a teaching vehicle for clergy and laity His approaches in parish and health care ministries as well as his visionary personal charism in developing a Spirituality in Travel and a Ministry to Tourism Most evident is his belief that the sacred is all around making our leisure time matter in a spiritual way The reader will be especially impressed in a final chapter presenting the richness of his travels and how life changing they were because of his organization and determination Fr Kleiter has written a voluminous Memoir enhanced with over one hundred and twenty colour photographs in a pleasing volume of classic design The work is a worthwhile read because it describes a priest with a mission during the challenging years of reading the signs of the times By understanding the past we can move into the future Pope Francis and the New Vatican Robert Draper,2015 Pope Francis appointment to the papacy in 2013 electrified the world and injected a new energy into the Catholic Church His message of mercy and humility resonates the world over with people of every faith For this extraordinary book National Geographic photographer Dave Yoder spent more than six months working in the field in Rome to capture the spirit of the Vatican today revealing the pontiff's public life and personal crusades as never before and showcasing the fascinating inner workings of the Vatican a uniquely powerful state Complementary essays by acclaimed journalist Robert Draper reveal Pope Francis personal story his journey to the papacy and the heart of his ministry Set against the beauty of time honored ceremonies wondrous art and architecture and the lives of the faithful the world over this stunning volume is a special portrait of a beloved pontiff and one of the world's most beloved institutions **A Pope and a President** Paul Kengor,2023-07-18 Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War they have failed to recognize the depth or significance of the bond that developed between the two leaders Acclaimed scholar and bestselling author Paul Kengor changes that In this fascinating book he reveals a singular bond which included a spiritual connection between the Catholic pope and the Protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century Soviet communism Reagan and John Paul II almost didn't have the opportunity to forge this relationship just six weeks apart in the spring of 1981 they took bullets from would be assassins But their strikingly similar near death experiences brought them close together to Moscow's dismay Based on Kengor's tireless archival digging and his unique access to Reagan insiders A Pope and a President is full of revelations It takes you inside private meetings between Reagan and John Paul II and into the Oval Office the Vatican the CIA the Kremlin and many points beyond Nancy Reagan called John Paul II her husband's closest friend Reagan himself told Polish visitors that the pope was his best friend When you read this book you will understand why As kindred spirits Ronald Reagan and John Paul II united in pursuit of a supreme objective and in doing so they changed history **Born Again** Jennifer S. Butler,2006-08-20 The Christian Right wields massive political

power in the United States and beyond This is the first book to reveal the growing influence of the Christian Right within the United Nations This book reveals how Christian conservative groups are able to shape policy in every corner of the world Drawing on interviews with religious leaders it reveals how today s most powerful Christian Right organisations are building interfaith coalitions connecting Catholic Mormon and Muslim allies to advance a conservative agenda The US under Bush Jr has given them a significant voice in shaping US policy on issues including women s rights reproductive health human cloning children s rights and AIDS In short the Christian Right is globalising a phenomenon that promises to challenge progressive social policy on a world wide scale as well as transform the Christian Right itself [The Complete Idiot's Guide to the Popes and the Papacy](#) Brandon Toropov,2001-11-01 The Complete Idiot s Guide to the Popes and the Papacy offers a comprehensive look at the history trials and triumphs of the Bishops of Rome This book offers an easy to understand historical survey of the papacy which is among the oldest institutions on earth and may well be the oldest continuous position of leadership in existence It s all here remarkable stories of popes who held immense power within the Church and popes who served as figureheads popes who ruled as supreme authorities in their own right and popes who offered an inspired model of resistance to secular tyrannies popes who lost sight of the dictates of their own faith and popes who set sublime moral and devotional examples to the world The book offers history trivia and trends new and old as well as a look at the future of the office This is an entertaining and enlightening look at one of the world s most remarkable jobs one that has guided Catholicism for two millennia and wields an influence today **The Story of Pope John Paul II, the Pilgrim Pope** Floresse Muriel Gill,1986 **The Two Popes** Anthony McCarten,2025-10-16 THE STORY BEHIND THE SCREENPLAY OF THE TWO POPES THE MAJOR MOTION PICTURE STARRING ANTHONY HOPKINS AND JONATHAN PRYCE PREVIOUSLY PUBLISHED AS THE POPE From the Academy Award nominated screenwriter of The Theory of Everything and Darkest Hour comes the fascinating and revealing tale of an unprecedented transfer of power and of two very different men who both happen to live in the Vatican In February 2013 the arch conservative Pope Benedict XVI made a startling announcement he would resign making him the first pope to willingly vacate his office in over 700 years Reeling from the news the College of Cardinals rushed to Rome to congregate in the Sistine Chapel to pick his successor Their unlikely choice Francis the first non European pope in 1 200 years a one time tango club bouncer a passionate soccer fan a man with the common touch Why did Benedict walk away at the height of power knowing his successor might be someone whose views might undo his legacy How did Francis who used to ride the bus to work back in his native Buenos Aires adjust to life as leader to a billion followers If as the Church teaches the pope is infallible how can two living popes who disagree on almost everything both be right Having immersed himself in these men s lives to write the screenplay for The Two Popes Anthony McCarten masterfully weaves their stories into one gripping narrative From Benedict and Francis s formative experiences in war torn Germany and Argentina to the sexual abuse scandal that continues to rock the Church to its foundations to the intrigue and the occasional comedy of
