A Brief History

of the Presbyterians James Hutchinson Smylie, 1996-01-01 Traces the development of the Presbyterian Church from its beginnings in the sixteenth century to its position in the modern world *Touching the Altar* Carol M. Bechtel, 2008-01-14 What does it mean to be in the presence of God's holiness? How can it affect us whether we seek it out or stumble upon it? Can it truly change our very reality to encounter it? The essayists in this volume explore these questions at the heart of Christian worship, considering the oft-neglected Old Testament as essential to understand our purpose in worship. Following the structure of the Hebrew canon, beginning with the Pentateuch, moving through to the Psalms, then wisdom literature, each chapter considers a separate aspect of worship, from theater to the Sabbath to sacred space, offering new inspiration. In the final essay, Carol Bechtel rereads the book of Job through the lens of our human limitations as opposed to the usual theme of theodicy, with compelling applications for both life and worship. Each of these essays concludes with two appropriately themed hymns and a For Further Reading list. Five of the seven contain sidebars that illustrate and enrich key points. Evocative woodcut artwork by Margaret Adams Parker provides a striking backdrop to the text. Taken together, these essays testify powerfully to the belief that the Old Testament is not only valuable but also essential to whole and fully foundational preaching and worship. Written primarily by Old Testament professors, *Touching the Altar* will make an engaging supplemental text for introductory or elective Old Testament courses and will also go far toward providing deeper worship for any Christian. Contributors: Carol M. Bechtel, Thomas A. Boogaart, Corrine L. Carvalho, Ellen F. Davis, J. Clinton McCann Jr., Dennis T. Olson, Margaret Adams Parker, John D. Witvliet **Selected to Serve** Earl S. Johnson, 2012-01-01 This useful guide for church leaders covers all aspects of officer training, call duties, ethics, the Presbyterian Constitution, and much more. Congregations will find this resource indispensable for the recruitment and training of effective church leaders. Earl S. Johnson Jr. has revised this best-selling book to include the new standards from the new Form of Government in the Book of Order.
