effect of pacifying the citizenry so we are less likely to speak out about social and economic injustice To counteract this he proposes an alternative art of gratitude as thanksgiving that is inspired by Indian philosophy particularly the yoga philosophy of the Bhagavad Gita and Patanjali's Yoga Sutras He argues that this art of gratitude can challenge neoliberalism by reorienting our politics away from resentment anger and guilt and toward a democratic ethic of thanksgiving and the common good In the contemporary moment when gratitude is widely touted as the panacea to many of our ills Jeremy Engels provides a timely critical genealogy of this emotion showing how it has been used for social control and how it affirms the state of indebtedness at the heart of neoliberalism But Engels also makes a compelling case for the art of gratitude a gratefulness with capacities for cultivating the self and strengthening democracies William Edelglass coeditor of Facing Nature Levinas and Environmental Thought This book accomplishes two important goals it provides a very detailed and interesting history of gratitude in the West and it brings Eastern philosophy especially yoga into our accounts of gratitude and flourishing A unique project with an eminently readable style it will appeal to a number of audiences including those interested in the theory and practice of yoga Scott R Stroud author of John Dewey and the Artful Life Pragmatism Aesthetics and Morality EN TODO, DAR LAS GRACIAS Obispo Louis Ngomo Okitembo, 2013-05 In all world religions gratitude is considered as an essential part of the act of worship and always viewed as a better way of life This new book is an attempt to demonstrate the power of gratitude and how it can transform someone's life Giving thanks in everything makes people happier strengthens relationships improves well being and health reduces stress and comply with God's will in Jesus Christ Counting blessings noticing simple pleasures and acknowledging everything that we receive every day as a gift from God is a power that changes Lives Giving thanks can change someone's life from worst to better Gratitude helps to see every thing in God's perspective Learning how to say THANK YOU in all circumstances constitutes the most effective way to put into action the transformative power of the daily gratitude **Prayer Warrior Mom** Marla Alupoice, 2013-04-01 Moms are you struggling with patience Worrying about your children's spiritual development Concerned about their social or behavioral issues Wondering how to get it all done when there's just never enough time Author Marla Alupoice knows that today's Christian moms want to be the parents God intended They desire to pray boldly and stand in the gap for their kids But many mothers haven't been equipped with the prayer skills scriptural knowledge and practical strategies to fight the spiritual battle for themselves and their children Marla is no stranger to these trials She has felt the simmering frustration and discontentment that come from the constant tension of trying to do it all for her family But as Marla began to turn everything over to God in prayer He granted her an attitude of gratitude the antidote to despair When you and I choose to praise the Lord He will be fully present in our hearts in our homes and with our children she says In Prayer Warrior Mom Marla invites you to walk with her through fifteen life transforming principles that will empower you to effectively intercede for your children Learn to cultivate your own attitude of gratitude pray Scripture be persistent pray with power and authority be your
