

Radical Optimism

David J. Toscano

Radical Optimism:

The Sceptical Optimist Nicholas Agar, 2015-07-09 The rapid developments in technologies especially computing and the advent of many smart devices as well as rapid and perpetual communication via the Internet has led to a frequently voiced view which Nicholas Agar describes as radical optimism Radical optimists claim that accelerating technical progress will soon end poverty disease and ignorance and improve our happiness and well being Agar disputes the claim that technological progress will automatically produce great improvements in subjective well being He argues that radical optimism assigns to technological progress an undeserved pre eminence among all the goals pursued by our civilization Instead Agar uses the most recent psychological studies about human perceptions of well being to create a realistic model of the impact technology will have Although he accepts that technological advance does produce benefits he insists that these are significantly less than those proposed by the radical optimists and aspects of such progress can also pose a threat to values such as social justice and our relationship with nature while problems such as poverty cannot be understood in technological terms He concludes by arguing that a more realistic assessment of the benefits that technological advance can bring will allow us to better manage its risks in future

Living These Days Richard Burr, 2023-08-29 Living These Days 102 Insights in the Direction of Wholeness is a thoughtfully curated collection of guidance for anyone seeking to find harmony and wholeness in their daily lives These insights drawn from Burr s extensive work as a spiritual coach cut through the noise of modern living providing readers with practical actionable steps towards personal growth and wellness Each insight is a lens through which to view your life a beacon guiding you towards a more balanced mindful existence Richard Burr elegantly navigates themes of self awareness emotional intelligence and spiritual wellness providing a comprehensive roadmap towards personal fulfillment This book isn t just about self improvement it s about self discovery and embracing the richness of human experience Whether you re seeking a source of daily inspiration or a pathway to transformative change Living These Days is a must read Immerse yourself in the wisdom Richard Burr offers and let his gentle insightful guidance help you navigate your way towards a life lived more fully more mindfully and in a state of wholeness Dive in and start living these days to their fullest potential

Life, Death, and Meaning David Benatar, 2016-03-28 Do our lives have meaning Should we create more people Is death bad Should we commit suicide Would it be better to be immortal Should we be optimistic or pessimistic Since Life Death and Meaning Key Philosophical Readings on the Big Questions first appeared David Benatar s distinctive anthology designed to introduce students to the key existential questions of philosophy has won a devoted following among users in a variety of upper level and even introductory courses While many philosophers in the continental tradition those known as existentialists have engaged these issues at length and often with great popular appeal English speaking philosophers have had relatively little to say on these important questions Yet the methodology they bring to philosophical questions can and occasionally has been applied usefully to existential questions This volume draws together

a representative sample of primarily English speaking philosophers reflections on life s big questions divided into six sections covering 1 the meaning of life 2 creating people 3 death 4 suicide 5 immortality and 6 optimism and pessimism These key readings are supplemented with helpful introductions study questions and suggestions for further reading making the material accessible and interesting for students In short the book provides a singular introduction to the way that philosophy has dealt with the big questions of life that we are all tempted to ask

The Best Buddhist Writing 2009 Melvin McLeod, 2009 A treasury of the most notable profound and thought provoking Buddhism inspired writing published in the last year The Best Buddhist Writing 2009 includes An interview with novelist Tom Robbins Guiding principles for a new ecospirituality from Thich Nhat Hanh Jack Kornfield on basic human goodness Pico Iyer s portrait of the Dalai Lama Olivia Ames Hoblitzelle on a couple s journey through Alzheimer s disease The Dzogchen Ponlop Rinpoche on the true enlightened nature of mind Wendy Johnson on bringing the beginner s mind to gardening A mindfulness practice from Pema Chodron to help us wake up to the world around us Joan Halifax on approaching death with fearlessness and compassion Peggy Rowe Ward and Larry Ward with stories meditations and exercises for experiencing love in a new and deeper way Natalie Goldberg on the art of writing personal memoir Dzigar Kongtrul on our search for happiness Sharon Salzberg on overcoming passion aggression and ignorance in our relationships Stephanie Kaza on making environmentalism a spiritual path not just a change in lifestyle Meshuga wisdom from Rabbi Rami Shapiro John Welwood on how we can use our relationships for profound spiritual growth And much more

Lustgarten Plays: 1 Anders Lustgarten, 2016-06-15 The first play collection from Anders Lustgarten perhaps Britain s most visible and visibly engaged political playwright Time Out London containing plays from the start of his career up to 2015 with the most recent play in the collection Shrapnel and one previously unpublished play The volume includes an introduction by the playwright A Day at the Racists 2010 Finborough Theatre is a devastatingly timely examination of the rise of the BNP in London which attempts to understand why people might be drawn to the BNP and diagnoses the deeper cause of that attraction the political abandonment and betrayal of the working class by New Labour If You Don t Let Us Dream We Won t Let You Sleep Royal Court Theatre 2013 offers an exploration of our current government s politics of austerity and a look at possible alternatives Black Jesus Finborough Theatre 2013 unpicks the political complexities of Zimbabwe through the devastating personal journeys of two very different people both scarred by one of Africa s most notorious dictatorships Shrapnel Arcola Theatre 2015 takes as its subject The Roboski massacre is one of the most controversial episodes in the war on terror Piecing together the fragments of the tragedy Anders Lustgarten s startling new play dares to ask what a massacre is made of Kingmakers Salisbury Playhouse 2015 imagines ten years after the signing of Magna Carta when the barons takeover isn t quite going to plan With the peasants grumbling about enormous castles and broken promises the threat of rebellion hangs in the air This play has not previously been published The Insurgents Finborough Theatre 2007 is Anders Lustgarten s look at contemporary London and its class divide Private equity has turned

the city into a high fenced playground for a tax exempt big business elite This play has not previously been published

Rem Koolhaas: Rem Koolhaas, Sanford Kwinter, Rice University. School of Architecture, 1996-03 Explaining architecture to students requires a clarity and economy of expression that is not always associated with architects perhaps this explains the popularity of our Conversations with Students series which are succinct informal introductions to the works of the world's greatest architects

Leadership, Legitimacy, and Conflict in China Frederick C Teiwes, 2017-09-29 This title was first published in 1984 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

If You Don't Let Us Dream, We Won't Let You Sleep Anders Lustgarten, 2013-05-09 I believe that open markets and free enterprise are the best imaginable force for improving human wealth and happiness And I would go further where they work properly they can actually promote morality David Cameron January 2012 Anders Lustgarten's play is an exploration of our current government's politics of austerity and a look at possible alternatives If You Don't Let Us Dream We Won't Let You Sleep was supported by the Harold Pinter Playwright's Award which is given annually by Pinter's widow Lady Antonia Fraser

Reflections on The Moral & Spiritual Crisis in Education David E. Purpel, William M. McLaurin, 2004 This book takes a sharply critical view of contemporary society with a searing indictment of our morally and intellectually bankrupt educational system Uniquely the book contains both the original version of David Purpel's highly influential Moral and Spiritual Crisis in Education first published in 1989 as well as an updated critique of that work reflections from our current times of growing despair about the directions of education and the nation Reflections on the Moral and Spiritual Crisis in Education focuses on the possibility and necessity of generating hope through the redemptive and energizing power of the human spirit

Demanding Democracy Marc Stears, 2013-03-03 What today's political thinkers can learn from the radical democratic movements of twentieth century America This is a major work of history and political theory that traces radical democratic thought in America across the twentieth century seeking to recover ideas that could reenergize democratic activism today The question of how citizens should behave as they struggle to create a more democratic society has haunted the United States throughout its history Should citizens restrict themselves to patient persuasion or take to the streets and seek to impose change Marc Stears argues that anyone who continues to wrestle with these questions could learn from the radical democratic tradition that was forged in the twentieth century by political activists including progressives trade unionists civil rights campaigners and members of the student New Left These activists and their movements insisted that American campaigners for democratic change should be free to strike out in whatever ways they thought necessary so long as their actions enhanced the political virtues of citizens and contributed to the eventual triumph of the democratic cause Reevaluating the moral and strategic arguments and the triumphs and excesses of this radical democratic tradition Stears contends that it still offers a compelling

account of citizen behavior one that is fairer more inclusive and more truly democratic than those advanced by political theorists today Routledge Handbook of Climate Change and Society Steven R. Brechin,Seungyun Lee,2024-12-27

Routledge Handbook of Climate Change and Society is a comprehensive guide that provides insights into the multifaceted relationship between climate change and society and covers a wide array of topics disciplines and cultures from the latest trends in weather patterns to the issue of climate in justice The second edition which is overwhelmingly comprised of all new essays is an indispensable resource for those interested in understanding the complexities of climate change and its societal implications The book contains seven thematically organized sections examining the various aspects of climate change and its intersection with our society Climate Change in the Natural and Social Sciences Human Population Movement and Health Economics Energy and Consumption Urban Climate Resiliency Technological Innovations and Pitfalls Gender Poverty and Justice and Politics and Governance Each part provides a unique and important perspective for understanding the challenges as well as opportunities presented by climate change Through original research findings and critical analysis this book sheds light on the urgent need for interdisciplinary approaches to tackle climate change effectively By examining the intersectionality of climate change with various social economic and political factors it offers valuable insights for researchers policymakers activists and anyone concerned about the future of our planet With a forward looking perspective that emphasizes optimism and resilience this book serves as a tool for fostering hope and collective action in the face of climate change challenges Transhumanism Andrew Pilsch,2017-08-15

Transhumanism posits that humanity is on the verge of rapid evolutionary change as a result of emerging technologies and increased global consciousness However this insight is dismissed as a naive and controversial reframing of posthumanist thought having also been vilified as the most dangerous idea in the world by Francis Fukuyama In this book Andrew Pilsch counters these critiques arguing instead that transhumanism s utopian rhetoric actively imagines radical new futures for the species and its habitat Pilsch situates contemporary transhumanism within the longer history of a rhetorical mode he calls evolutionary futurism that unifies diverse texts philosophies and theories of science and technology that anticipate a radical explosion in humanity s cognitive physical and cultural potentialities By conceptualizing transhumanism as a rhetoric as opposed to an obscure group of fringe figures he explores the intersection of three major paradigms shaping contemporary Western intellectual life cybernetics evolutionary biology and spiritualism In analyzing this collision his work traces the belief in a digital evolutionary and collective future through a broad range of texts written by theologians and mystics biologists and computer scientists political philosophers and economic thinkers conceptual artists and Golden Age science fiction writers Unearthing the long history of evolutionary futurism Pilsch concludes allows us to more clearly see the novel contributions that transhumanism offers for escaping our current geopolitical bind by inspiring radical utopian thought *Beauty is a Verb* Sheila

Black,Jennifer Bartlett,Michael Northen,2011-10-11 Chosen by the American Library Association as a 2012 Notable Book in

Poetry Beauty is a Verb is a ground breaking anthology of disability poetry essays on disability and writings on the poetics of both Crip Poetry Disability Poetry Poems with Disabilities This is where poetry and disability intersect overlap collide and make peace BEAUTY IS A VERB is going to be one of the defining collections of the 21st century the discourse between ability identity poetry will never be the same Ron Silliman author of In The American Tree This powerful anthology succeeds at intimately showing disability through the lenses of poetry What emerges from the book as a whole is a stunningly diverse array of conceptions of self and other br Publishers Weekly starred review From Beauty and Variations by Kenny Fries How else can I quench this thirst My lips travel down your spine drink the smoothness of your skin I am searching for the core What is beautiful Who decides Can the laws of nature be defied Your body tells me come close But beauty distances even as it draws me near What does my body want from yours My twisted legs around your neck You bend me back Even though you can t give the bones at birth I wasn t given I let you deep inside You give me what Peeling back my skin you expose my missing bones And my heart long before you came just as broken I don t know who to blame So each night naked on the bed my body doesn t want repair but longs for innocence If innocent despite the flaws I wear I am beautiful Sheila Black is a poet and children s book writer In 2012 Poet Laureate Philip Levine chose her as a recipient of the Witter Bynner Fellowship Disability activist Jennifer Bartlett is a poet and critic with roots in the Language school Michael Northen is a poet and the editor of Wordgathering A Journal of Poetics and Disability *A Pilgrimage of Justice and Peace* Fernando Enns, Nina Schroeder-van 't Schip, Andrés Pacheco-Lozano, 2023-04-05 This edited volume includes contributions by scholars ministers artists and NGO workers from around the world who are interested in topics of Mennonitism peacebuilding and theologies of nonviolence The papers published together here reflect the richness and diversity of peacebuilding interests and approaches within the current global Mennonite family and offer interdisciplinary explorations of peace and conflict with attention to historical theological and lived perspectives The book includes papers based upon research and insights that were shared at the Second Global Mennonite Peacebuilding Conference and Festival 2019 at Mennorode in the Netherlands The findings presented here are structured thematically with attention to key points of current concern and research including among others studies on historical and current peacebuilding efforts pertaining to migration and refugee care ecological justice gender justice interreligious dialogue church state relations and racial justice

The Oxford Handbook of the Abrahamic Religions Adam J. Silverstein, Guy G. Stroumsa, Moshe Blidstein, 2015 The Oxford Handbook of the Abrahamic Religions includes authoritative yet accessible studies on a wide variety of topics dealing comparatively with Judaism Christianity and Islam as well as with the interactions between the adherents of these religions throughout history The comparative study of the Abrahamic Religions has been undertaken for many centuries More often than not these studies reflected a polemical rather than an ecumenical approach to the topic Since the nineteenth century the comparative study of the Abrahamic Religions has not been pursued either intensively or systematically and it is only recently that the comparative

study of Judaism Christianity and Islam has received more serious attention This volume contributes to the emergence and development of the comparative study of the Abrahamic religions a discipline which is now in its formative stages This Handbook includes both critical and supportive perspectives on the very concept of the Abrahamic religions and discussions on the role of the figure of Abraham in these religions It features 32 essays by the foremost scholars in the field on the historical interactions between Abrahamic communities on Holy Scriptures and their interpretation on conceptions of religious history on various topics and strands of religious thought such as monotheism and mysticism on rituals of prayer purity and sainthood on love in the three religions and on fundamentalism The volume concludes with three epilogues written by three influential figures in the Christian Jewish and Muslim communities to provide a broader perspective on the comparative study of the Abrahamic religions This ground breaking work introduces readers to the challenges and rewards of studying these three religions together

People Power Wesley C. Hogan, Paul Ortiz, 2021-07-20 Featuring contributions from leading scholar activists *People Power* demonstrates how the lessons of history can inform the building of new social justice movements today This volume is inspired by the pathbreaking life and work of writer activist and historian Lawrence Larry Goodwyn As a radical Texas journalist and a political organizer Goodwyn participated in historic changes ushered in by grassroots activism in the 1950s and 60s Professor and cofounder of the Oral History Program at Duke University Goodwyn wrote about movements built by Latino farm workers Polish trade unionists civil rights activists and others who challenged the status quo The essays in this volume examine Goodwyn's influence in political and social movements his approaches to teaching and writing and his insights into the long history behind contemporary activism *People Power* will generate deep discussions about the potential of democracy amid the multiple crises of our time What motivates ordinary people to move from kitchen table conversations to civic engagement What do the chronicles of past social movements tell us about how to confront the real blocks of racism and the idea that Americans are somehow exceptional Contributors provide key experiential knowledge that will help today's scholars and community organizers address these pressing questions
