Radical Right Wing Populism In Western Europe:

Radical Right-Wing Populism in Western Europe Hans-Georg Betz, 1994-09-12 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah L. de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

The Radical Right and the Radical Right-wing Populism in Western Europe Hans-Georg Betz, 1991 *Do They Make a Difference?* Benjamin Biard, Laurent Bernhard, Hans-Georg Betz, 2019-10-15 Over the last three decades numerous

radical right populist parties RRPP have emerged developed and strengthened their electoral weight in Western Europe Yet while several RRPP have managed to formally participate in government coalitions such as in Italy Austria and Switzerland or to informally support minority governments such as in Denmark and in The Netherlands and while other RRPP have become highly visible opposition forces such as in France and Germany the influence exercised by RRPP remain underexplored It is essential to focus on their policy influence because of their electoral strength but also because they are often perceived by journalists citizens policy makers as well as by researchers as a threat to democracy As a reaction mainstream parties tend to adopt specific strategies such as measures of militant democracy towards RRPP The aim of this book is to contribute to theoretical and empirical research in political science by bringing together a variety of contributions about the influence of RRPP in terms of policies on their core issues To that end we ask under which circumstances these parties are able to do so in contemporary Western Europe This book proposes to focus on the role played by party status Are RRPP better able to leave their imprints when they are in power or support minority governments than when they hold opposition or outsider status in Western Europe

The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries

The Impact of Radical Right-Wing Parties in West European Democracies M. Williams, 2006-09-02 This book contends that far right parties play pivotal roles in setting the tone of political debates shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have

on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally **Radical Right-Wing Populism in Western Europe** Hans-Georg Betz,1994-09-01 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today **The Nordic Populist Radical Right** Ann-Cathrine Jungar,2024-08-05 This edited volume examines populist radical right parties in the Nordic region Somewhat surprisingly given the image of a consensual egalitarian and progressive region of Europe the Nordic countries have been fertile ground for the radical right Not only have radical right parties persisted for many decades but they are currently much stronger in this region than in most other European countries today In this book the contributors analyse the electoral ideological and organisational aspects of the radical right in the Nordic region The Progress Party in Norway Fremskrittspartiet FrP the Sweden Democrats Sverigedemokraterna SD Danish People s Party Dansk Folkeparti DF and the Finns party Perussuomalaiset PS It also explores how mainstream parties and the media have reacted to the rise of the radical right whether the radical right is integrated into mainstream politics the extent to which they challenge the dominant ideological paradigm of Nordic politics and whether they mobilise and organise differently to other parties Understanding the Nordic radical right is crucial to comprehending the transformation of Nordic politics but also changes in European politics more generally This book will be of interest to students and scholars of Scandinavian politics populism the radical right and comparative party politics **Reflections on the Extreme Right in Western Europe, 1990-2008** Christopher Huskisson,2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this

topic or on general political sociology

The Populist Radical Right in Central and Eastern Europe Andrea L. P. Pirro, 2015-06-05 Often neglected in the study of far right organisations post communist Europe recently witnessed the rise and fall of a number of populist radical right parties The Populist Radical Right in Central and Eastern Europe is the first comparative study to focus on the ideology impact and electoral performance of this party family in the region The book advances a series of arguments concerning the context and text of these parties and systematically analyses the supply side and demand side of populist radical right politics Whilst populist radical right parties in Central and Eastern Europe maintain broad similarities with their West European counterparts they come across as a distinct phenomenon worthy of study in their own right Parties like Ataka Bulgaria Jobbik Hungary and the SNS Slovakia resort to historical legacies and contextual idiosyncrasies to frame their ideology interact with other parties over a number of policy areas and ultimately compete for public office on the basis of their nativist agenda The book provides a novel framework for the analysis of different aspects of populist radical right politics notably enhancing the understanding of this phenomenon by means of primary data such as personal interviews with party leaders and original expert surveys Using the ideological features of these parties as an overarching analytical tool this book is essential reading for students and scholars researching the far right post communist issues and European politics in general

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right s post war evolution across Europe

Radicalisation and Crisis Management Vasiliki Tsagkroni, 2024-06-14 This book discusses theories of crisis management and the radical right to shed light on how responses to crisis influence radical right parties in their presence discourse and evolution The book offers a comparative perspective by examining case studies with various traditions of radical right actors presenting data on how crisis exploitation can assist in exploring reconsidering bargaining and learning about the prospects of change of political parties The book focuses on the debate on radicalization and crisis management Similar to the already existing economic political post Brexit and migration crises in Europe discourses of fear around the latest health crisis are paving the way for further radicalised discourse from the far right The book looks into how radical right parties in Europe have responded to these crises It monitors and explores how crisis exploitation impacts political strategies opportunity seeking behaviours and the evolution of the discourse of radical right parties in the contemporary political landscape Therefore this book is a must read for researchers students and policy makers interested in a better understanding of populism radical right parties electoral studies as well as comparative politics in general

The Radical Right in Switzerland Damir Skenderovic, 2009-09-01 There has been a tendency amongst scholars to view Switzerland as a unique case and comparative scholarship on the radical right has therefore shown little interest in the country Yet as the author convincingly argues there is little justification for maintaining the notion of Swiss exceptionalism

and excluding the Swiss radical right from cross national research His book presents the first comprehensive study of the development of the radical right in Switzerland since the end of the Second World War and therefore fills a significant gap in our knowledge It examines the role that parties and political entrepreneurs of the populist right intellectuals and publications of the New Right as well as propagandists and militant groups of the extreme right assume in Swiss politics and society The author shows that post war Switzerland has had an electorally and discursively important radical right since the 1960s that has exhibited continuity and persistence in its organizations and activities Recently this has resulted in the consolidation of a diverse Swiss radical right that is now established at various levels within the political and public arena **Understanding**

Democratic Politics Roland Axtmann,2003-03-06 This textbook is designed for first time students of politics It provides an ideal introduction and survey to the key themes and issues central to the study of democratic politics today The text is structured around three major parts concepts institutions and political behaviour and ideologies and movements Within each section a series of short and accessible chapters serve to both introduce the key ideas institutional forms and ideological conflicts central to the study of democratic politics and provide a platform for further in depth studies Each chapter contains a bullet point summary a guide to further reading and a set of questions for tutorial discussion Designed and written for an undergraduate readership Understanding Democratic Politics An Introduction will become an essential guide and companion to all students of politics throughout their university degree

The Populist Radical Right Cas Mudde,2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research **The**

Triumph of Israel's Radical Right Ami Pedahzur,2012-12-06 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel s radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel s elite security forces The possibility of a two state solution seems more remote than ever and the

emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In *The Triumph of Israel's Radical Right* acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right's steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right's institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

The ^ATriumph of Israel's Radical Right Ami Pedahzur, 2012-10-15 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel's radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel's elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In *The Triumph of Israel's Radical Right* acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right's steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right's institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

Russia and the Western Far Right Anton Shekhovtsov, 2017-09-08 The growing influence of Russia on the Western far right has been much discussed in the media recently This book is the first detailed inquiry into what has been a neglected but critically important trend the growing links between Russian actors and Western far right activists publicists ideologues and politicians The author uses a range of sources including interviews video footage leaked communications official statements and press coverage in order to discuss both historical and contemporary Russia in terms of its relationship with the Western far right Initial contacts between Russian political actors and Western far right activists were established in the early 1990s but these contacts were low profile As Moscow has become more anti

Western these contacts have become more intense and have operated at a higher level The book shows that the Russian establishment was first interested in using the Western far right to legitimise Moscow s politics and actions both domestically and internationally but more recently Moscow has begun to support particular far right political forces to gain leverage on European politics and undermine the liberal democratic consensus in the West Contributing to ongoing scholarly debates about Russia s role in the world its strategies aimed at securing legitimization of Putin s regime both internationally and domestically modern information warfare and propaganda far right politics and activism in the West this book draws on theories and methods from history political science area studies and media studies and will be of interest to students scholars activists and practitioners in these areas

Radical Right Wing Populism In Western Europe Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Radical Right Wing Populism In Western Europe PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Radical Right Wing Populism In Western Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Radical Right Wing Populism In Western Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
