## **Radically Speaking:**

**Radically Speaking** Diane Bell, Renate Klein, 1996 The contributors to *Radically Speaking* show that a radical feminist analysis cuts across class race sexuality region religion and across the generations It is essential reading for Women's Studies sociology cultural studies and anyone interested in processes of social change The collection reveals the global reach of radical feminism and analyzes the causes and solutions to patriarchal oppression Seventy writers discuss their ideas and practice of contemporary feminism

**Radical Feminism Today** Denise Thompson, 2001-06-01 *Radical Feminism Today* offers a timely and engaging account of exactly what feminism is and what it is not Author Denise Thompson questions much of what has come to be taken for granted as feminism and points to the limitations of implicitly defining feminism in terms of women gender difference or race gender class She challenges some of the most widely accepted ideas about feminism and in doing so opens up a number of hitherto closed debates allowing for the possibility of moving those debates further

**Radical Feminism** F. Mackay, 2015-02-17 *Feminism is not dead* This groundbreaking book advances a radical and pioneering feminist manifesto for today's modern audience that exposes the real reasons as to why women are still oppressed and what feminist activism must do to counter it through a vibrant and original account of the global Reclaim the Night March

*When Women Ask the Questions* Marilyn Jacoby Boxer, 2001-09-28 In *When Women Ask the Questions* Marilyn Boxer traces the successes and failures of women's studies examines the field's enduring impact on the world of higher education and concludes that the rise of women's studies has challenged the university in the same way that feminism has challenged society at large Drawing on her experiences as a historian feminist academic administrator and former chair of a women's studies program Boxer observes that by working for justice and for changes necessary to make the attainment of justice a practical possibility women's studies ensures that women are heard in the processes and places where knowledge is created taught and preserved The intellectual transformation behind the emergence of women's studies Boxer concludes is one of historic proportions Like other great moments in human experience it has given rise to a flowering of art literature and science and to the challenging of previously accepted authorities of text and tradition

**Speaking Out** Tanya Serisier, 2018-11-19 This is the first critical study of feminist practices of speaking out in response to rape This book argues that feminist anti rape politics are characterised by a belief in the transformative potential of women's personal narratives of sexual violence The political mobilisation of these narratives has been an incredibly successful strategy but one with unresolved ethical questions and political limitations The book explores both the successes and the unresolved questions through feminist archival materials published narratives of sexual violence and mass media and internet sources It argues that that a rethinking of the role and place of women's stories and the politics of speaking out is vital for a rethinking of feminist politics around sexual violence and key to fresh approaches to combating this violence

*Radical Reproductive Justice* Loretta Ross, Erika Derkas, Whitney Peoples, Lynn Roberts, Pamela Bridgewater, 2017-10-16 Expanding the social

justice discourse surrounding reproductive rights to include issues of environmental justice incarceration poverty disability and more this crucial anthology explores the practical applications for activist thought migrating from the community into the academy Radical Reproductive Justice assembles two decades of work initiated by SisterSong Women of Color Health Collective creators of the human rights based reproductive justice framework to move beyond polarized pro choice pro life debates Rooted in Black feminism and built on intersecting identities this revolutionary framework asserts a woman's right to have children to not have children and to parent and provide for the children they have The book is as revolutionary and revelatory as it is vast Rewire

**Radical Feminism** Barbara A. Crow, 2000-02 Crow women's studies U of Calgary attempts to retrieve the lost history of North American radical feminists a group to be distinguished from mainstream feminism by their critique of the entire structure of society in spite of anti feminist attempts to label all feminists radical She presents a collection of essays manifestos position papers and newsletters drawn mainly from the Lesbian Herstory Archives the Redstockings Archives and the Barnard College Special Collections thus limiting the material to the East Coast covering the years 1967 to 1975 Most of the documents are organized topically under the headings lesbianism heterosexuality children race and class Annotation copyrighted by Book News Inc Portland OR

**Radical-Relational Perspectives in Transactional Analysis Psychotherapy** Karen Minikin, 2023-09-21 Radical Relational Perspectives in Transactional Analysis Psychotherapy assesses various forms of oppression in current historical and personal perspectives and considers the impact this has on the development and sustenance of the psyche Within this book Minikin reformulates the ideas of Radical Psychiatry for the contemporary community and both honours the historical legacy of including the social and political in transactional analysis and offers a critique of Eurocentrism in traditional relational perspectives Through personal and clinical illustrations Minikin encourages those in the TA community to move topics such as diversity from the margins to the centre when working with patients and to integrate the political with traditional relational perspectives The consequences of becoming marginalized through alienation speaks across multiple disciplines in social sciences making this a must read for counsellors psychotherapists and other applied psychologists who want to think more deeply about social responsibility within their work

**Constructing Human Trafficking** Jennifer K. Lobasz, 2018-07-31 Human trafficking has come to be seen as a growing threat and transnational advocacy networks opposed to human trafficking have succeeded in establishing trafficking as a pressing political problem The meaning of human trafficking however remains an object of significant and heated contestation This project draws upon feminist and poststructuralist international relations theories to offer a genealogy of U S neo abolitionism The analysis examines activist campaigns legislative and policy debates and legislation surrounding human trafficking and the Trafficking Victims Protection Act in order to argue that the dominant US framing of trafficking as prostitution and sex slavery is not as hegemonic as scholars and activists commonly argue In fact constructions of human trafficking have become more amenable to reconfiguration paradoxically in large part because of

Evangelical attempts to widen the frame This is an empirically novel and theoretically rich account of an urgent transnational issue of concern to activists voters and policymakers around the globe **Colombian Women** Elena Garcés,2008-01-01

Women deliver themselves from subjugation by recovering their voices by educating themselves and by speaking out in unison against forces that have kept them under heel The scope of Colombian Women The Struggle Out of Silence is both personal and global personal to the interviewees and to Elena Garcés herself as she tells her own story and global in that many features of the patriarchy and its dysfunction extend well beyond the borders of Colombia **Feminist Thought**

Rosemarie Putnam Tong,2013-07-09 A classic resource on feminist theory Feminist Thought offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates In the Name of Love Heather Fraser,2008-10-07

Although love is the hallmark of humanity it is not widely discussed in social work and other related professions with respect to its potential connection to abuse In this groundbreaking book the author argues that while love and abuse should not co exist they often do Using a feminist narrative approach stories about love abuse and social work are told with the purpose of understanding domestic violence and other forms of abuse Based on interviews with 84 women of varying ages in Canada and Australia the author shows how the pain and shame of intimate abuse can leave its mark on the bodies minds and souls of victims survivors long after abusive episodes have ended Additionally Fraser also discusses the importance of hope enlightened witnesses income support and educational opportunities for women who refuse to renounce love relationships altogether but are instead trying to foster relationships that are respectful as well as erotic *Developing Ecofeminist Theory* E.

Cudworth,2005-09-08 An original exploration of how the relationship between society and nature is conceptualized focusing on theories of social exclusion and difference A comprehensive overview of feminist and environmental theories of society environment relations considering the range of theoretical and political influences on such theorizing such as socialist and Marxist theory amongst others and the turn to post structuralism and postmodernism within the social sciences Cudworth also develops her own theoretical account for the interrelations between forms of social domination and contributes to important debates with sociology social theory feminist theory and environmentalism **Beyond Identity Politics** Moya

Lloyd,2005-05-20 This book engages with key contemporary issues such as difference identity and subjectivity and their relation to power and politics Moya Lloyd explores feminist conceptions of power patriarchy agency critique and the political

relating to subjectivity      **Meanings of Ripley** Elizabeth Graham,2020-05-22 Ellen Ripley of the Alien Quadrilogy has become an iconic female figure in the male dominated genre of science fiction action horror since her first appearance in 1979 This collection offers readers varied interpretations of Ripley that are grounded in the social context and theoretical perspectives that were dominant prior to and during the time the films were released Specifically the rise of Second Wave Feminism and the backlash against it provides a backdrop for this collection Is Ripley a feminist hero A patriarchal woman and mother Does she embody de Beauvoir's myth of the feminine Does she exhibit sexual agency Does she offer us a glimpse of individual autonomy that moves away from dichotomous gender roles These are the primary questions explored in this collection While the focus is clearly on Ripley the arguments go beyond the confines of the films by examining the relationship between the individual and society in which both are product and producer of the other and illustrate that social artifacts such as film can provide insights into the lived experiences of our world The contributors come from a variety of backgrounds including Literature Cinema Studies Gender and Women's Studies Philosophy Sociology Theatre History and reside in Canada and the United States They represent a range from junior to senior scholars While science fiction is clearly an interest of all these individuals it is not the primary area of research for most of them By bringing voices from multiple disciplines into the discussion about Ripley this collection offers readers perspectives that deviate from and yet complement the current trend in film criticism and thus contributes to opening up discussions about such characters and the genre to a wider audience      Is lesbian Identity Obsolete? Ella Ben Hagai,2023-05-29 This cross disciplinary book engages with the provocation Is lesbian identity obsolete In this volume researchers offer diverse perspectives on the question of lesbian identity past present and future This eclectic multidisciplinary compilation composed of chapters and shorter commentaries helps readers understand the roots of conflict and current tensions between the queer and the trans movements and the lesbian community Using a historical lens authors examine the 1970s lesbian communities practices of racial and trans inclusion and exclusion Several contributions from across the social sciences utilize qualitative and quantitative methods to illuminate the shifting meaning of lesbian identity today These contributions help explain why some cis and trans women and nonbinary folx come to either be attached to or disavow lesbian identification An additional set of chapters engage in theoretical analysis to explore the fraught relationship between queer theory and lesbian thought and the importance of lesbian theory in the formation of transgender scholarship This collection's eclectic engagement with the question of lesbian identity's obsolescence helps draw an ethical blueprint for a more sustainable inclusive and coalitional future for lesbian communities and identities This book will be of great value to students researchers and scholars in the fields of Sociology Psychology and Anthropology including Gay and Lesbian studies as well as the intersectionality of gender and sexuality The chapters in this book were originally published in the Journal of Lesbian Studies      **CONTEMPORARY POLITICAL THEORY** VINOD, M. J.,DESHPANDE, MEENA,2013-01-11 Intended as a text for the postgraduate students of political

science this well researched book attempts to track the evolution of political ideas in the recent past and their background It brings out the contemporary epistemological and methodological debates within the discipline and social sciences as a whole and incorporates the latest developments in the field Divided into forty chapters under eleven parts the book deals with the core concepts and debates in political theory and focuses on the state society interactions It tries to explain how the states societies and cultures have responded to the emerging challenges thrown up by the social economic and political factors and the direction of the response It also dwells on the impact of globalisation on current trends Finally the book analyses the ideas of modern Indian thinkers such as V D Savarkar Jawaharlal Nehru Ram Manohar Lohia B R Ambedkar and Jayaprakash Narayan Besides the postgraduate students of political science the book would also be useful to the aspirants of civil services examinations and the initiated readers

**Cyberfeminism** Susan Hawthorne, Renate Klein, 1999 This collection explores the possibilities for feminism in cyberspace It also looks at the pitfalls of the medium with theorists examining trafficking of women perception of the body and the problems of global and homogenised culture

The Limitations of Social Media Feminism Jessica Megarry, 2020-11-27 MeToo Digital networking Facebook groups Social media continues to be positioned by social movement scholars as an exciting new tool that has propelled feminism into a dynamic fourth wave of the movement But how does male power play out on social media and what is the political significance of women using male controlled and algorithmically curated platforms for feminism To answer these questions Megarry foregrounds an analysis of the practices and ethics of the historical Women s Liberation Movement WLM including the revolutionary characteristics of face to face organising and the development of an autonomous print culture Centering discussions of time space and surveillance she utilises radical and lesbian feminist theory to expose the contradictions between the political project of women s liberation and the dominant celebratory narratives of Web 2 0 This is the first book to seriously consider how social media perpetuates the enduring logic of patriarchy and how digital activism shapes women s oppression in the 21st century Drawing on interviews with intergenerational feminist activists from the UK the USA Australia Canada and New Zealand as well as archival and digital activist materials Megarry boldly concludes that feminists should abandon social media and return to the transformative powers of older forms of women centred political praxis This book will be of interest to scholars and students of Women s and Gender Studies Lesbian and Queer Studies Social Movement Studies Critical Internet Studies and Political Communication as well as anyone with an interest in feminist activism and the history of the WLM
