Radicals Or Conservatives The Contempora:

Radical Conservatism and the Future of Politics Goran Dahl,1999-03-28 Over the last 30 years the post war centre ground which recognized the welfare state the funding of education protection of the environment and the management of capitalism as the proper business of the state has fragmented Emphasis on the freedom of the individual and the proper limitations of state power has changed the climate of everyday life This book locates the roots of radical conservatism in the writings of Nietzsche Dostoyevsky Heidegger Junger and Schmitt It documents the radical conservative worldview and points to limitations in its perspective Dahl asserts that we should be wary of considering radical conservatism as a singular phenomenon and discusses global divergences in belief and policy

Conservative Thought in Contemporary China

Peter R. Moody,2007-01-01 Conservative Thought in Contemporary China examines the evolution of conservative politics in China which has become increasingly prevalent following the death of Mao Zedong in 1978 Peter Moody traces the roots of conservatism through the imperial system the Republican period and the pre Cultural Revolution People s Republic all of which influence contemporary Chinese politics

Modern and Contemporary European History (1815-1922) Jacob Salwyn Schapiro,1922 Contemporary Iran Ali Gheissari,2009-04-02 Iran s geographical location its oil its nuclear program its volatile political landscape its espousal of militant Islam all combine to make it a key player in some of the most crucial issues of our time But because of its relative isolation there is a shortage of hard information about today s Iran In this volume an imposing roster of both internationally renowned Iranian scholars and rising young Iranian academics offer essays many based on recent fieldwork on the nature and evolution of Iran s economy significant aspects of Iran s changing society and the dynamics of its domestic and international politics since the 1979 revolution focusing particularly on the post Khomeini period The book will be of great interest not only to Iran specialists but also to scholars of comparative politics democratization social change politics in the Muslims world and Middle Eastern studies

Food and Famine in the 21st Century William A. Dando,2012-02-13 This comprehensive two volume encyclopedia examines specific famines throughout history and contains entries on key topics related to food production security and policies and famine giving readers an in depth look at food crises and their causes responses to them and outcomes Famines have claimed more lives across human history than all the wars ever fought This two volume set represents the most comprehensive study of food and famine currently available providing the broadest analysis of hunger and famine causes as well as a detailed examination of the ramifications of cultural and natural hazards upon famine Volume one focuses upon 50 topics and issues relating to the creation of hunger and famines in the world from 4000 BCE to 2100 including an overview of how agriculture has evolved from primitive hunting and gathering that supported limited numbers of people to a worldwide system that now feeds over seven billion people Volume two entitled Classic

Famines begins with famines of the past from 4000 BCE to 2100 CE includes ten classic famine case studies and concludes with predictions of famines we could see in the 21st century and beyond 2016 Günter Berghaus,2016-05-24 Volume 6 2016 is an open issue with an emphasis on Nordic countries Denmark Finland Lithuania Estonia Iceland Four essays focus on Russia two on music other contributions are concerned with Egypt USA and Korea Furthermore there are sections on Futurist archives Futurism in caricatures and Futurism in fiction Modern and Contemporary European History Jacob Salwyn Schapiro,1918 Contemporary Political Ideologies Roger Eatwell,2019-03-11 In everyday usage ideology tends to be a pejorative term synonymous with the dogmatic or fanatical This is not the sense in which the term is used in this book Nor does this book adopt the instrumental approach to ideology common among social scientists and Marxists which sees ideology as socially determined rather than as a body of relatively coherent and comprehensive beliefs of interest in their own right It is this last feature of ideologies which this book focuses on namely ideologies key assumptions and themes their intrinsic content This is not to deny that there are interesting questions to be asked about the social origins and role of ideologies However these questions would require a separate book to do them justice Moreover we live in an age of hyper change Suddenly in the last decade or so the ideologies which were in the ascendant in the early twentieth century seem to have entered terminal decline whilst other ideologies have been rejuvenated and newer ones have grown in force In general these changes have undermined the left more than the right though the rise of new ideologies throughout the twentieth century has helped show the weaknesses classifying ideologies by the traditional left right spectrum Contemporary China Review (2021 Summer Issue) Editors: Wei Rong; William Luo; Haitian Liu,2021-06-15 Since its inaugural issue November 2020 through diligent effort and teamwork by our editors our New York based Contemporary China Review has published four issues in Chinese and now the second issue in English Contemporary China Review has established itself with a growing reputation attracted attention from scholars and libraries including Library of Congress among the academia drew recognition from experts in think tanks specialized in U S China relations and received praises among the community of Chinese language publication worldwide Contemporary China Review has been fulfilling its mission to provide independent Chinese intellectuals and scholars around the world with an open and free platform to discuss their research findings and express their opinions especially now that the Chinese Communist Party CCP totalitarian regime has almost completely suppressed the freedom of speech and freedom of press in the most parts of Chinese speaking world We are very excited to include in this issue many in depth commentaries by various scholars and experts on current affairs in China and America
