Generations Past Andrew Ross Burton, Helene Charton-Bigot, 2010-10-19 Contemporary Africa is demographically characterized above all else by its youthfulness In East Africa the median age of the population is now a striking 17.5 years and more than 65 percent of the population is age 24 or under This situation has attracted growing scholarly attention resulting in an important and rapidly expanding literature on the position of youth in African societies While the scholarship examining the contemporary role of youth in African societies is rich and growing the historical dimension has been largely neglected in the literature thus far Generations Past seeks to address this gap through a wide ranging selection of essays that covers an array of youth related themes in historical perspective Thirteen chapters explore the historical dimensions of youth in nineteenth twentieth and twenty first century Ugandan Tanzanian and Kenyan societies Key themes running through the book include the analytical utility of youth as a social category intergenerational relations and the passage of time youth as a social and political problem sex and gender roles among East African youth and youth as historical agents of change The strong list of contributors includes prominent scholars of the region and the collection encompasses a good geographical spread of all three East African countries

The Classical Hollywood Cinema David Bordwell, Janet Staiger, Kristin Thompson, 2003-09-02 A dense challenging and important book Philip French Observer

At the very least this blockbuster is probably the best single volume history of Hollywood we are likely to get for a very long time Paul Kerr City Limits Persuasively argued the book is also packed with facts figures and photographs Nigel Andrews Financial Times Acclaimed for their breakthrough approach Bordwell Staiger and Thompson analyze the basic conditions of American film making as a historical institution and consider to what extent Hollywood film production constitutes a systematic enterprise in both its style and its business operations Despite differences of director genre or studio most Hollywood films operate within a set of shared assumptions about how a film should look and sound Such assumptions are neither natural nor inevitable but because classical style films have been the type most widely seen they have come to be accepted as the norm of film making and viewing The authors show how these classical conventions were formulated and standardized and how they responded to the arrival of sound colour widescreen ratios and stereophonic sound They argue that each new technological development has served a function within an existing narrational system The authors also examine how the Hollywood cinema standardized the film making process itself They describe how over the course of its history Hollywood developed distinct modes of production in a constant search for maximum efficiency predictability and novelty Set apart by its combination of theoretical analysis and empirical evidence this book is the standard work on the classical Hollywood cinema style of film making from the silent era to the 1960s Now available in paperback it is a must for film students lecturers and all those seriously interested in the development of the film industry *John Hunt Morgan and*

His Raiders Edison H. Thomas, 2014-04-23 Whether one thinks of him as dashing cavalier or shameless horse thief it is impossible not to regard John Hunt Morgan as a fascinating figure of the Civil War He collected his Raiders at first from the prominent families of Kentucky though later the exploits of the group were to attract a less elite class of recruits Morgan was able to lead these men into the most dangerous adventures by convincing them that the honor of the South was at stake yet he did not always succeed in appealing to that sense of honor when temptations of easy theft drew the Raiders from military objectives to wanton pillage In *John Hunt Morgan and his Raiders* Edison H Thomas gives us a balanced view of these controversial men and their raids In a fast paced narrative he follows the cavalry unit for the evening the first group set out from Lexington to join the Confederate forces until the morning of Morgan's death in Greeneville Tennessee Basil Duke St Leger Grenfell Lightning Ellsworth and the beautiful Martha Ready all receive their due and the truly remarkable story of the Raiders newspaper is told A special contribution is the insight this account offers into the disruption of rail communications carried out with such enthusiasm by Morgan and his men Thomas study of the railroad records of the period has enabled him to present this part of the Raiders story with rare detail and understanding *Children of the Comet* Donald

Moffitt, 2015-10-13 From the visionary author of *The Genesis Quest* a wildly imaginative Greg Bear science fiction novel about a young man's struggle for survival on a comet made of ice In Donald Moffitt's brilliant cosmic adventure Torris son of the Facemaker knows only his small community at the base of the great Tree on a comet with almost no gravity or

atmosphere Torris's daily struggle for survival includes harvesting frozen air to keep breathing dodging flutterbeasts and hunting meatbeasts for food When the time comes to make his vision quest to the top of the Tree Torris is completely unprepared for what he finds a thieving and hostile fellow quester Ning a female hunter in search of food to save her family on a neighboring comet and humans from a massive starship that has spent billions of years crossing the galaxy from Earth's solar system Perfect for fans of Arthur C Clarke Larry Niven and Peter F Hamilton Children of the Comet is an enthralling space odyssey about a young man grappling with unexpected cultural differences and learning to adapt in the face of an uncertain and rapidly changing fantastical future **The Raiders of the Sarhad** Reginald Edward Harry Dyer,1921

Sullied Bride Jasmine Andrews,2016-02-09 It's been the greatest murder cover up of all time He didn't make it look like an accident or perfectly conceal the evidence All he did was wait silently as the circumstances closed in on her and let her fall into the trap Eve ate the deadly fruit while Adam didn't say a word The results were the greatest human tragedy of all time the invention of death itself And although he participated in the sin himself in the cover up for his plot he shifted the blame to the woman Effectively for generation after generation people have believed this lie and half the population remains shamed blamed and oppressed because of it However investigation into the scriptures reveals a new light into this story It shows a callous deception and betrayal during a war over the souls of humanity The lies and the truth are separated as God's plan is revealed with a covenant made with Eve's seed Women have been under attack in an attempt to take control of that seed to steal from her the promised inheritance from God but there also remains a plan for women to overcome their enemies and arise as the warrior bride **Alien Rebel's Fake Bride** Miranda Martin,2021-06-30

Crystal Truth be told I've always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they're ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we're not free So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship I'm nothing if not a team player but why did it have to be the huge scarred one who's as socially awkward as I am Deceiving these brutal warriors seems like a really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don't have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I'm suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I'm no fool She's a wily one talking and squirming her way past my defenses She's soft beautiful and scents like a goddess but I can't let her ruin my people's only chance at freedom Somehow I have to make her my Queen and set my people free **Harper's New Monthly**
