builders had brought Galveston to a position of national prominence as a transportation center In combination with the ships calling at Galveston s new deep water harbor the railroads provided connections for all of the western states with markets around the world Young using resources from the Rosenberg Library s Galveston History Center the Kansas Historical Society and the Library of Congress devotes chapters to the bankruptcy and revival of Sealy s Galveston s Gulf Colorado and Santa Fe Railway Tracks to the Sea is ideal for anyone interested in the history of Texas and Galveston as well as the dreams deals and feuds that shaped the railroad industry of the 1800s      **The way to the sea** Henry Justin Allen,1921
