Terror in the Balkans Ben Shepherd,2012-04-13 Germany's 1941 seizure of Yugoslavia led to an insurgency as bloody as any in World War II The Wehrmacht waged a brutal counter insurgency campaign in response and by 1943 German troops in Yugoslavia were engaged in operations that ranked among the largest of the entire European war Their actions encompassed massive reprisal shootings the destruction of entire villages and huge mobile operations unleashed not just against insurgents but also against the civilian population believed to be aiding them *Terror in the Balkans* explores the reasons behind the Wehrmacht's extreme security measures in southern and eastern Europe Ben Shepherd focuses his study not on the high ranking generals who oversaw the campaign but on lower level units and their officers a disproportionate number of whom were of Austrian origin He uses Austro Hungarian army records to consider how the personal experiences of many Austrian officers during the Great War played a role in brutalizing their behavior in Yugoslavia A comparison of Wehrmacht counter insurgency divisions allows Shepherd to analyze how a range of midlevel commanders and their units conducted themselves in different parts of Yugoslavia and why Shepherd concludes that the Wehrmacht campaign's violence was driven not just by National Socialist ideology but also by experience of the fratricidal infighting of Yugoslavia's ethnic groups by conditions on the ground and by doctrines that had shaped the military mindsets of both Germany and Austria since the late nineteenth century He also considers why different Wehrmacht units exhibited different degrees of ruthlessness and restraint during the campaign **The New Era of Terrorism** Gus Martin,2004-02-27 September 11 2001 affected every sector of society in the United States In order to restore the nation's sense of well being a new Department of Homeland Security was implemented and new legislation such as the USA Patriot Act was established Internationally governments
